ONE HUNDRED-SIXTH COUNCIL

THOMAS E. KILGALLAN.....President

JAMES W. PATTERSON.....City Clerk

GEORGE BOXHEIMER Ass't City Clerk

Pittsburgh, Pa.,

Monday, January 2, 1950.

On Monday, January 2, 1950, at 10:00 o'clock, A. M., the members-elect of the Council of the City of Pittsburgh, together with those holding over, convened in the Council Chamber of said City in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved May 31, 1911.

The Council was called to order by James W. Patterson, City Clerk, who acted as Chairman, Pro tem. of the meeting.

The Chair: This being the day and hour fixed by the Act of Assembly for the organization of the Council of the City of Pittsburgh, the One Hundred-Sixth Council will be in order.

The Chair appointed Messrs. Gallagher and Duff as a committee to notify and escort the Mayor to the rostrum.

The Committee returned with the Mayor and having performed its duty was discharged with the thanks of Council.

The Chair:

The Chair invites Hon. David L. Lawrence, Mayor of the City of Pittsburgh, to a seat upon the rostrum.

And Mayor Lawrence assumed a seat on the rostrum.

The National Anthem was played by the Police and Firemen's Band.

The Chair:

The Chair requests Rev. Grover E. Swoyer to offer prayer.

And Rev. Grover E. Swoyer offered the following prayer:

Our Gracious Heavenly Father, we thank Thee for this great land of America and for the opportunities and privileges we have here. We thank Thee for freedom and democracy and for the right of the soul to call its soul its own. We beseech Thee to let Thy blessing rest upon those who are being inducted and upon all who have the management of this great City upon their hearts and upon their minds. Guide them and lead them that the right thing might be done that this great, throbbing steel center shall continue to be the center of advancement for the betterment of man. Bless them all and may this great City with the personality that it has, with a high spirit, help them to build Thy Kingdom upon the earth. All we ask in His Name. Amen.

The Chair presented

The Chair: The Members - elect will
appear before the rostrum.

The Chair:

The Chair appoints the Honorable
A. Marshall Thompson, Judge of the
Court of Common Pleas in and for the
County of Allegheny, to administer the
oath of office to the Members-elect.

The following Members-elect: Messrs.
Walter R. Demmler, Patrick T. Fagan,
Thomas J. Gallagher, Frederic G. Weir
and A. L. Wolk took and subscribed to
the oath of office.

The Chair:

The members will sign the
oath of office.

And the members signed thir respec-
tive oaths of office.

The Chair: The Clerk will call the
roll.

And the roll having been called, there
were present: Messrs. Demmler, Duff,
Fagan, Gallagher, Kilgallen, Leonard,
Stewart, Weir, Wolk.

The Chair: The Order of Business is
the election of President of Council.

The Chair recognizes Mr. Wolk.

Mr. Wolk:

Mr. Patterson and Members of
Council:

Very few men are fortunate to come
in personal contact with the exceptional
minds of their generation on an inti-
mate intellectual basis. These master
minds and those who have gone to the
great beyond have left their imprint on
civilization through their writings. Par-
ticularly in the realm of good litera-
ture, most of them, through their
books, have visited the home of Thom-
as E. Kilgallen, and hardly a day passes
that he has not had communion with
one of them. He is a prolific reader
and his love of good literature is a
passion with him. As a result, he has
acquired an unusual gift of word
phrasing, and this, coupled with a fine

sense of humor and a friendly smile,
has aided him immeasurably, on many
occasions, to calm the troubled waters
of debate.

He has never permitted his personal
views on any occasion, no matter how
diametrically opposed they may be to
any of his colleagues in Council, to
interfere with the proper attitude he
should have as a presiding officer.

He has been at all times fair, cour-
teous and just. Never has he displayed,
in the conduct of his office, the slight-
est evidence of rancor or bitterness.

With his background, it is needless
for me to emphasize that he has always
been kind, considerate and tolerant. He
has been President of Council for eight
years. I believe he has executed the
duties and responsibilities of that of-
fice with great distinction and honor.

It is with the utmost pleasure that I
nominate Thomas E. Kilgallen to be
President of Council for the next two
years.

The Chair: The Chair recognizes Mr.
Duff.

Mr. Duff:

Mr. Chairman: I rise to second the
nomination of Brother Kilgallen who
has very ably served this Council for
the past eight years in the capacity
as President of this Body.

During this period, Time and his
brother, Care, have set their mark
upon his face; particularly, I might
add with respect to his mouth. But I
am happy to say that his mind re-
tains all of its original vigor and
acumen.

He has served this Council with wis-
dom, tolerance and patience. Under
his sympathetic leadership we have en-
acted all the progressive legislation
sponsored by this administration, look-
ing toward making this City one of the
foremost, if not the foremost city in
the Nation.

By every consideration I think our
Brother Kilgallen has proved himself
eminently qualified for the office of
President of this Council and richly
deserves re-election.

The Chair:

The Chair recognizes Mr. Weir.

Mr. Weir moved

That the nominations close on the name of Thomas E. Kilgallen.

Which motion prevailed.

The Chair:

The Clerk will call the roll on the nomination of Mr. Kilgallen to be President of Council.

And the result of the voting was as follows:

For Mr. Kilgallen: Messrs. Demmler, Duff, Fagan, Gallagher, Kilgallen, Leonard, Stewart, Weir, Wolk.

And Thomas E. Kilgallen having received all of the votes of Council was declared duly elected President for the ensuing term.

The Chair:

The Chair appoints Messrs. Wolk, Gallagher and Demmler a Committee to escort the President-elect to the Chair.

The Committee performed the duty assigned it and presented Mr. Kilgallen to the Chair.

The Chair:

The Committee is discharged with the thanks of Council.

The Chair:

The Chair appoints the Honorable A. Marshall Thompson, Judge of the Court of Common Pleas in and for the County of Allegheny, to administer the oath of office to the President-elect.

And the oath of office as President of Council was administered to Thomas E. Kilgallen by the Honorable A. Marshall Thompson, of the Court of Common Pleas of Allegheny County.

The Chair:

The President of Council will sign the oath of office.

And the President of Council signed the oath of office.

The Chair:

The Chair presents to Council

and to the citizens of Pittsburgh the new President of Council, Thomas E. Kilgallen.

Mr. Kilgallen (Pres't):—

Reverend Clergy, Mr. Mayor, the Judiciary, Ladies and Gentlemen and Members of Council:—

I appreciate very highly my re-election. Thank you very much, gentlemen.

This has been a good Council. I don't know where you would go to find a better, north, east, south and west, up and down the Nation, you would find it rather difficult to get a better legislative body in the City than this legislative body.

True, we have too many lawyers, but that is true north, south, east and west.

These have been four good years for Pittsburgh. This administration has solved some problems that have been bothering this City for a half century, and we are well on our way to solve some others.

The usual pattern of talk on an occasion such as this is a statement of what the Body proposes to accomplish. All I hope to accomplish is a day's work. I don't know what is ahead of us. I suppose I will make about the same mistakes that I made in the past. Some of you gentlemen might think that I don't throw the book at you enough. It has always been my understanding that a set of parliamentary laws was written to conduct an assembly of men. If I have not used the Parliamentary law, it is not because I don't know. It has just been that I thought that nine men, without using the book, could so conduct themselves that they will do the job all right.

You have been a pretty good Council. We have played our part in what has been going on here in Pittsburgh. Some of the things we did all by ourselves. Others we had very little to do with and others we simply offered cooperation. But had this Council been of a different spirit, of a different temper, or of a different nature, we could have raised hob with the wonderful program that has made this City the talk of the Nation.

Four of you have been re-elected by tremendous majorities. I have not looked at the books but I imagine these Councilmen have been re-elected by the greatest number of votes any Councilman ever received in the City of Pittsburgh at the hands of the electorate.

I congratulate you gentlemen and we welcome to the Body Mr. Fagan. It is a name known throughout the City. He comes to us with a background that is going to make him a good public servant. I hope he never talks back to this President as he has talked back to some historic Presidents.

I am going to begin with Walter Demmler. Walter, I congratulate you. You are a sincere public servant. You work hard; keep good hours and you know what is going on in City Council and in City Hall. I congratulate you on your re-election.

Mr. Demmler:

To the voters of Pittsburgh, my thanks. To you, Mayor Lawrence, to my colleagues in Council, to our friends and to the citizens of Pittsburgh, Season's Greetings and best wishes for a Happy New Year.

The Chair:

We recognize a man who is now beginning his fifth term in Council.

Mr. Gallagher was one of a very select number of men who, many years ago, set the pattern for the Democratic sweep in this City and County. Mr. Kane and Mr. Gallagher were in the very forefront in the Legislative Assembly in Harrisburg when the Democratic Party took over control of State affairs, and from that day to this he has held true to the pattern he then set.

Mr. Gallagher:

Mr. President, Members of Council and Friends:—First of all, I want to congratulate you, Mr. Kilgallen, upon your re-election as President of Council. You have always presided over this body with fairness to all the members. All persons having business with the Council have also been

treated with respect, courtesy and dispatch by you. You have shown no partiality. Your rulings have always been fair, and your work has been a credit not only to yourself but to all with whom you had dealings.

While I am on my feet, I want to take this opportunity to thank the voters and citizens of Pittsburgh for the confidence they have placed in me by re-electing me to my fifth term in this body. I need not remind the people of Pittsburgh that I shall continue in the future as I have in the past to give to them the best public service that I can with the means at my disposal. If God wills, at the expiration of my present term I will have served 20 years in this body—the best municipal council in these United States. As I said before, I shall strive always to make Pittsburgh a better place for our people to live and make a livelihood.

And to Mayor Lawrence, I want to offer my congratulations for his very successful administration of the affairs of Pittsburgh the past four years, and to offer him my continued support for the next four.

On the floor of this Council four years ago, I said that I was firmly convinced that Mayor Lawrence, with the co-operation of Council and the various groups—labor, business, banking, religious and other bodies, would do his part to make Pittsburgh one of the outstanding cities of America. This he has done. I am sure that he will continue to do his utmost to make Pittsburgh better and better, and to bring about improvements in the civic, industrial and business life of our City, so that we will all continue to be proud of his achievements.

I take pride in the fact that as a member of Council I have been able to play a small part in the progress of Pittsburgh. This includes slum clearance, which paved the way for public housing in Pittsburgh; and I am sure that you will all agree that through the untiring efforts of the late George E. Evans' public housing projects became a fact in Pittsburgh.

There are other improvements too

numerous to mention; but those which stand out in my mind are The Point Park Improvement, which the records will show was inaugurated through the legislative acts of Council initiated by the late Frederic W. Weir. The elimination of smoke, which was sponsored, supported and vigorously fought for by Councilman Wolk and his colleagues notwithstanding the strenuous objections raised by certain segments of our population. I believe the people of Pittsburgh now realize the full advantages of smoke elimination.

I could go on for perhaps a full hour extolling the improvements made in our city through the efforts of His Honor, the Mayor, and the members of Council, but before I conclude I want to call attention to the work being done by the Urban Redevelopment Authority and the Public Parking Authority, the members of which Authorities were appointed by Mayor Lawrence. It is hoped that before the year 1950 ends there will be many new private improvements started, such as the extension and enlargement of the plant of the Jones & Laughlin Steel Corporation on the South Side, and the construction of office buildings by the Equitable Life Assurance Company at The Point. These improvements will provide work for many of our people for years to come. The Public Parking Authority contemplates erecting as an initial start four off-street parking garages in the Downtown Business Section. It is the hope of the Parking Authority to get at least one of these garages under construction the early part of 1950. Garages will be erected in other parts of the city according to the Authority's plan. They will be modern structures, embracing all the latest improvements in off-street parking facilities. Pittsburgh, it is to be noted, is the pioneer in this field of service to its people and to all those who visit and do business here. After all the garages proposed to be erected by the Authority are in operation the parking of vehicles on our streets will be very largely eliminated.

I might also remind the people of Pittsburgh that the Council for the past 16 years has made an effort to break the monopoly which the Du-

quesne Light Company has held here with respect to street lighting. We have embarked on a new phase, and it is anticipated that under this arrangement the City will save a large amount of money during the next 10 years, and at the expiration of that period the street lights and all fixtures and appurtenances will become the property of the City. This street lighting system will be the most modern and up-to-date in the United States.

Also, during this period of 16 years the members of Council have fought

consistently against proposed increases in utility rates, and have been successful in saving the taxpayers of the City millions of dollars. Credit is also due Mayor Lawrence and our very able City Solicitor, Miss Anne X. Alpern, and her assistants, for their splendid co-operation in all these matters.

Before closing my remarks, I would like to call attention to the fact that in the Council there is a new member. At the last election the people chose my long-time friend and co-worker in the labor field, as well as my neighbor, Patrick T. Fagan, to sit in this body. I feel sure that we will not only find him an able and efficient member but we will also find him highly co-operative in the fulfillment of the plans which lie ahead of us.

And in concluding, I would like to say to my fellow members and to the Mayor that they have my sincerest wishes for a most successful term. It is my hope that they will enjoy the best of health and that we will be able to work together harmoniously for the continuation and completion of many projects which it has been our good fortune to get under way during the past few years. As a final word I think I can prophesy that we will undoubtedly be able to do this and that our efforts will be such that they will gain the approbation of our citizenry.

The Chair:

I was amused when Mr. Wolk referred to me as a man who could read and write. I think I ought to

respond in kind and say that Mr. Wolk can also read and write.

If there is anybody in City Council that goes for culture and things that are high brow, it is Mr. Wolk. Mr. Wolk is known as "Music in the Parks" and "Civic Light Opera" and "Books for the Library."

I congratulate him on his re-election. Here is a man who is a distinct asset to this City. Here is a man who has played up to the hilt the part of a good Councilman. I will bet he is going to have a wonderful funeral some day.

Mr. Wolk:

Reverend Clergy, Judge Thompson, Mayor Lawrence, Mr. President, Ladies and Gentlemen:—

In the past twelve years I have done everything within the limitations of my capabilities to help make this industrial community cleaner, healthier and a more desirable place in which to live and work.

I have cooperated to the fullest extent with the Mayor, my colleagues in Council and others in the community in the attempt to achieve this objective. I believe I have been of some help. The opportunity to be of service was given to me by the people of Pittsburgh. I am very grateful to them for the confidence they have shown in me on four different elections.

The Chair:

There were times when I referred to our next Councilman as the son of a distinguished father. Mr. Weir, Sr., was Chairman of the Board which first considered the improvement of the Point area in Pittsburgh. He was a good Councilman in every respect, but the improvement of the Point was foremost in his mind. How his heart would have leaped up had he been here to see the progress that has been made in making the improvement of that historic neighborhood.

Now his son is on his own. He served the unexpired term of his father. He served with distinction. He attended to his duties. He was a good Councilman, and now I congratulate him on his election and I know he

will follow in the footsteps of his father.

Mr. Weir:

Members of the Judiciary, Mayor Lawrence, Ladies and Gentlemen:—

I too, of course, wish to take this opportunity to thank the people of Pittsburgh for placing me here, including, of course, my many friends in this audience, whom we all welcome here today.

I want to congratulate you, Mr. President, on the expression of confidence that has been showed by this Body in re-electing you. With modesty you have acclaimed the problems that lie ahead. I think you know what we are facing and that is the reason you were re-elected, which is much more important than your genial personality.

I also wish to congratulate my colleagues who were re-elected and extend a very warm welcome to our new member, Mr. Fagan.

The Chair:

Mr. Fagan is new to City Council but not new to the City of Pittsburgh. He is a solid, forthright citizen here. I don't think he knows much about the details, but he will find out that about 95% of our work is routine. Ninety-five per cent will be about things that after a while will become second nature to him.

Every now and then there will be a dispute here in Council, but I don't care what side you are on and your colleagues won't care which side you are on so long as you say what you have to say, briefly, I hope.

You are very welcome here, Mr. Fagan. We will get to know you better and you will get to know us better.

Mr. Fagan:—

Reverend Clergy, Judge Thompson, Mayor Lawrence, President, Ladies and Gentlemen:

I appreciate this statement made by the President of the Pittsburgh City Council, also the admonition and warning of brevity.

I am happy this morning and that happiness is contained with sadness

because a lot of my political friends are here but my political boss is absent due to illness, my good wife.

My statement will be in line with what the President of Council has requested.

First, I want to thank all my friends who are here and for these beautiful floral displays that are here. I appreciate it very highly.

I am proud today and happy that the good people of Pittsburgh honored me by electing me to be a Councilman of the great City of Pittsburgh.

To be a Councilman is always a great honor but it is doubly so in this Administration, for in the next four years the people of this city are going to see a "new and greater city" develop and grow in their midst.

I want to give credit to the wisdom and to the ability of the Mayor and to the Councilmen who labored with him in planning to bring back to Pittsburgh her past greatness as a wonderful Industrial Center. This city administration demonstrated that the efforts of both capital and labor can be united for a common good, to arouse pride in our city, and that Government's place as a coordinator can be used to achieve great things in a Free Democracy.

The next four years will see those plans materialize into great projects—Parks, Highways, Housing, Beautiful Buildings, New Industries, and the Enlarging of Present Industries. These activities spell jobs to the worker and jobs mean full employment. Full employment means Happy Americans—and Happy Americans mean a Strong America. A strong and contended America is the greatest barrier against Fascism or Communism.

A strong national Government is only as strong as her political subdivisions.

We are going to build Pittsburgh like the pioneers of Fort Duquesne did of old, by hard work and by everyone pulling together.

I promise the people of Pittsburgh, with the help of God, I shall do everything within my power to do my share to make Pittsburgh a better place in which to work and live.

With these remarks, Mr. President, I wish success for the incoming administration, and I want to express my thanks and appreciation to all those who supported me, and to assure the people of Pittsburgh that I will represent all of the people in this great City.

In closing, I wish for them a Happy, Prosperous and Holy New Year, and trust that we will have a just and lasting peace throughout the world and that God may bless us all. I thank you.

The Chair appointed

Messrs. Duff and Weir as a Committee on Rules.

The Chair:

We have heard talks by five Councilmen, but the others will have to wait for two years. Go out and get yourselves elected and we will hear from you in two years.

The Chair:

The Chair requests Rev. Thomas J. Quigley to pronounce the benediction.

And Rev. Thomas J. Quigley pronounced the following benediction:

In the name of these Thy people, I ask Thy blessing upon those who have this day accepted public office. We believe and know that ultimately all authority is Thine and comes from Thee. We believe that Thou hast delegated to us people with authority to govern our temporal affairs, and help us so that with that thought in mind we will do only those things Thou wouldst have us do.

We ask Thy Divine blessing upon those we have elected that they will have wisdom from Thee and the courage from Thee to exercise it always in the interests of Thy people. Grant that Thy Divine Wisdom shall be with them in all their undertakings, giving them courage and physical stamina to recognize the sacred obligations placed upon them, to carry them out in the interests of Thy Divine Will. Amen.

Mr. Fagan moved

That Council recess until 11:50 o'clock, A. M.

Which motion prevailed.

And

Council recessed.

The Chair:

The hour of 11:50 o'clock, A.M., having arrived and the time of the recess having expired, Council will be in order.

The Clerk will call the roll.

And the roll having been called, there were present:

Messrs:—

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

The Chair:

Reverend Clergy, Members of the Judiciary, Ladies and Gentlemen:—

Last November the people of this City re-elected their Mayor by the largest majority ever given to a candidate for that office. That action at the polls last November was a very natural and understandable reaction to what had been going on in Pittsburgh for the past four years. This City had been given an outstanding administration of its affairs. There is no denying it. There had been some feeling here locally that Pittsburgh during the past quarter and perhaps during the past half century had been lacking something. Our blood had run too thin. We still had the men. We still had the ideas and still had the thinking, but somehow or other we had never clicked on leadership. Now it has been given to the people of Pittsburgh to get that leadership. And last November, as I say, the people of Pittsburgh, knowing that in David L. Lawrence they had a "big leaguer" went to the polls and overwhelmingly re-elected him, and this is the time and this is the place for his induction into office.

The Chair:

The Chair appoints Messrs. Demmler, Duff and Gallagher as a committee to escort the Mayor-elect, David L. Lawrence, to the Council Chamber.

And the Committee having returned and presented the Mayor-elect to the Council, was discharged with the thanks of Council.

The Chair:

The Chair invites the Mayor-elect to a chair upon the Rostrum.

The National Anthem was played by the Police and Firemen's Band.

The Chair:

Prayer will be offered by Rev. D. A. Lawless, of St. Mary of Mercy Catholic Church.

Reverend Lawless offered the following prayer:

In the name of the Father and of the Son and of the Holy Ghost, Amen.

Omnipotent and Omniscient God, God of love and mercy, we are lost in the contemplation of Thy Infinity. We know that Thou hast made all things including this earth and all that is on it, in it and all that is around it. Thou hast created this earth for man's habitation and benefit. Thou hast created light, Thou has divided the waters and made dry land and covered it with vegetation and made it a treasure house of minerals and gems. Thou has created the sun to light our day and the moon to aid us at night. Thou hast made the waters teem with fish of all kinds. Thou has created an abundance of brute animal life on earth. And when all this had been done came the crowning glory of all, Thy terrestrial creation—the creation of man. Thou hast formed man from the earth and breathed into him an immortal soul and made him a living human being—Thy Son, made to Thine own image and likeness, a little less than the angels.

Mindful then of our humble origin, of our own frailty and mortality and mindful of our absolute dependence upon Thee, we lift up our hearts and our voices to Thee this day and on this occasion of great moment that Thou will look down with favor upon him whom the electors of this great industrial city have chosen to direct its destiny and the welfare of its citizens. Give him, O Lord, that which the wisest of men asked of Thee, a cor

docile, an understanding heart, that he may discern right from wrong and being strengthened by Thy grace, he may in all things act according to Thy Holy Will, which means that he will do all things well for the good of his beloved city and the people therein. Whilst we cannot measure Thy love for man, we do know that if the love of every father's heart from Adam down to the present and from now till the end of time could be crushed into one great heart of love, that love would be as naught compared to Thy fatherly love for man; for that love would still be finite while Thy love is infinite. Knowing this we pray Thee that Thou wilt enlighten, guide and direct our elected Mayor. We confidently beg this of Thee for Thou art our Father, the God of love and of mercy, our God. Amen.

CERTIFICATE OF ELECTION

We, the undersigned, members of the Return Board of the County of Allegheny, hereby certify that after tabulating the votes cast at the Election held on the eighth day of November, 1949, in said County it appears that David L. Lawrence was duly elected to the office of Mayor for the City of Pittsburgh in the County aforesaid.

Witness our hands and seal this 28th day of November, 1949.

JOHN J. KANE,

HARRY W. FOWLER,

ERNEST HILLMAN,

Board of Elections of the
County of Allegheny, Pa.

Which was read, received and filed.

The Chair:

The Chair appoints Hon. A. Marshall Thompson of the Court of Common Pleas of Allegheny County, to administer the oath of office to the Mayor-elect.

And the Mayor, David L. Lawrence took and subscribed to the oath of office, which was administered to him

by Honorable A. Marshall Thompson, of the Court of Common Pleas of Allegheny County.

The Chair:

The Mayor will sign the oath of office.

And Mayor David L. Lawrence signed the oath of office.

The Chair:

Ladies and Gentlemen, the Mayor of Pittsburgh.

Honorable David L. Lawrence, Mayor of Pittsburgh:

Mr. President, Members of Council, Father Lawless, Reverend Wilson, Ladies and Gentlemen:—

If political power were an end in itself, the theme of this ceremony would be one of party and partisan jubilation. Today, in the city government, we come into office—the Mayor and Council—with an enormous vote, a record-breaking majority, a unified and unbroken party representation.

But there is no note of triumph in this day's work.

We know that political power is not, and never must be regarded as an end in itself—that nothing is more self-defeating and more sterile of results than mere selfish entrenchment in public office.

Our Democratic party has won the confidence of the people of Pittsburgh because it has taken the active, striving, fighting leadership in doing the things that this community needs for the future security and prosperity and happiness of all who live here.

To do that, we have used a bold approach to public questions—an approach which the orthodox rule-book politician might well have shunned as containing appalling risks, of violating the oldest political traditions.

We have abolished party lines when it has meant achievement for Pittsburgh.

We have cooperated fully with every community interest, big business and little business, labor and management, when such cooperation meant economic and social gains for this city.

We stood fast, resisting every pres-

sure, until the smoke control program could demonstrate its worth to this community, and win the grateful acceptance of an overwhelming majority of its people.

We gave new emphasis and new directions to the city's work in protecting the health of its people, recruiting for key leadership positions the best public health talent available to us in the United States.

All these things, all these policies, will be continued and strengthened in the four years of city administration that we begin today.

No one, I think, realizes more fully than I do that our American system of free political life, confers a responsibility of party political leadership upon the Mayor of any great American city. I have accepted that responsibility gladly, because I welcome the opportunity to do my share in making the Democratic party strong and effective in the public life of Pittsburgh and of Pennsylvania. We are the majority in this city and county; we are the minority in this state. As a majority here, it is our duty to so conduct the offices entrusted to us that we retain the public confidence that gave them to our administration.

In the state, it is our duty to contest policies and practices with which we disagree; to present our case with such vigor and with such reliance on facts that public opinion will turn to our party for change of course in Pennsylvania.

But these political responsibilities are subordinate in my mind to the public duties of this office, and will be subordinate so long as I am Mayor of this city.

The Mayor of Pittsburgh, to be effective as a leader, to get things done, must have the support of his political party.

But party interests should not be allowed, and will not be allowed, to jeopardize community interests or to handicap in any way the services which the people have a right to expect from their municipal government.

This has been a working administration.

It is not going to relax or grow lackadaisical because it has won another four years in office. Today's occasion is a brief interlude in the work schedule. In a few minutes, I will reappoint the heads of the city departments—the same team of faithful men and women who have served you well in the past. Tomorrow, all of us will be at our desks again, keeping the continuity of this city's progress going, hurrying the pace, speeding the work.

No city in the country has received so much favorable national publicity in the past few years as Pittsburgh.

We have come to see the day when we have more water than New York and more sunshine than Los Angeles.

Our community public relations, nation-wide, have been great.

Now, it is our obligation to justify that stream of good publicity.

It can only be done by accomplishment.

Fortunately, that accomplishment is on the way.

These post-war years have been years of organization, of getting enabling laws passed, of perfecting mechanisms, of achieving agreement between many levels of government, of the hard engineering drudgery of readying detailed plans for construction.

Much progress is already apparent.

Smoke control has been removed forever as a political issue in this city. Its benefits are now uncontested. No more sweeping nor more welcome change has occurred in the whole long history of the city than the purification of its air—the very breath of life. The black smogs are banished. The city rejoices in the sun. Each future year will see continued progress, intensified as the county-wide smoke control law goes into effect.

In four years, we have eliminated garbage and rubbish collection as a source of municipal contention. We now have the regular weekly collection which we pledged. The system is satisfactory.

The dangerous wooden steps to our hillside homes have been largely replaced with safe and durable concrete. This program will continue until each

necessary set of city-built steps is in concrete.

The Point Park site has been acquired by the State.

The new Penn-Lincoln Parkway is deep in construction.

The city's first urban redevelopment project is making possible a gigantic expansion of the Jones & Laughlin Corporation's vital Southside works.

The Conemaugh Dam continues to meet its construction schedule—the city's guarantee of effective flood control.

These are enormous benefits.

But much of the work of the past four years is still not visible in terms of completion, in terms of use.

The next four years will be truly astonishing, for all the work that has been planned will burst upon us in a sudden rush of construction and achievement.

The Penn-Lincoln Parkway will be completed to the Triangle.

The Point Park will be cleared and the new highway interchange there will be in construction.

Tomorrow, in these very Council Chambers, City Council will hold a public hearing on the Redevelopment Authority's proposal, that permits the Equitable Life Assurance Society to build a new business center for Pittsburgh, in the blighted business area that now fronts the Point Park.

With Federal and State aid forthcoming, the redevelopment program in other sections of the city—old areas now unfit for modern residential use—will be transformed into beautiful and productive sections of the community.

We confidently believe that we will obtain insurance company investment in major housing developments in Pittsburgh.

We are absolutely sure of at least 10,000 low-rent housing units, to be built by the Pittsburgh Housing Authority, in the next four years. The passage of good Federal Housing legislation by the Eighty-first Congress—the legislation we fought so hard to obtain—makes this gigantic slum clear-

ance and housing program possible.

Two great new veterans hospitals will be completed, to add to Pittsburgh's stature as one of the nation's great medical centers.

Our public health program will begin to reap its reward in lives saved, in disease prevented.

Public health work will be carried into the neighborhoods through a new system of health centers. Health protection for mothers and children of pre-school age will receive a new concentration of attention. We will be able to prevent much tooth decay in children. We will be able to prevent much tuberculosis.

And, with or without an ABC law, we will have sanitary eating places in Pittsburgh, just as we will have a sanitary milk supply and sanitary meat supply.

The University of Pittsburgh's School of Public Health will work with our department and with the United States Public Health Service so that our community will be far to the front in Pennsylvania, and we believe, the United States, in the effectiveness of our public health program.

This administration will continue to place a premium value on recreation. In the next four years, six new swimming pools will be constructed. The outdoor theater will be built. The Northside will get its new conservatory-aviary. Additional city play fields will be given night-lighting to increase their usefulness.

Our parks and recreation department, vigorously administered, and generously aided by private funds, is assuming national leadership in its work.

Partly to create new recreational opportunities, partly to protect our health, and in great part, to meet the simple obligations of civilized living, we are about to stop the pollution of our rivers.

The city government has made it possible for the Allegheny County Sanitary Authority to operate. The city is paying all the expense—and it is a large expense—for the engineering drawings that will be the basis of sewage treatment construction for ourselves and for our suburbs. In two

years, we expect to have detailed and complete engineering studies from the Authority.

The construction program will then be before us. I think we should understand—now—that this is going to be costly. Fifty millions of dollars in construction will have to be paid off. There is no state money for this purpose. There is no county money, nor Federal funds.

The obligation to proceed is upon us by directive of the State government; the obligation to finance will be ours—and ours alone.

This New Year will also be the year of actual construction for our Public Parking Authority. Its architectural drawings are now being rushed to completion. It will soon take bids for four Downtown parking structures, sell its bonds, and begin construction. The work should be well underway by Fall.

Private investment in Pittsburgh's future continues to be great. New office buildings, new industrial expansions, new warehouses, new enterprises of every kind are fully in evidence. We are in a period of community re-birth, supported by the soundest kind of economic interest.

We are now capitalizing on the forethought and the imagination of my predecessor, Mayor Cornelius D. Scully, whose administration developed so much of our present program, but found itself blocked from execution by the advent of the War.

We have gained tremendously from the experience and the friendship to Pittsburgh of Commissioner John J. Kane and his colleague Commissioner Harry Fowler, who is one of that small group of planning experts which originated so much of the work that is on the boards. The late Commissioner Rankin was a staunch friend of the Pittsburgh improvement district program.

In the next four years, we anticipate the same type of cooperation with the County Commissioners from which we have derived so many benefits in the past.

We hope, particularly, to see the start of the Crosstown thoroughfare as a

county-city project.

The state and Federal governments have been co-partners in our work. We do not believe for a minute that the normal give-and-take of political competition will jeopardize our ability to continue such cooperation in the future.

Pittsburgh's basic problem is the preservation of its industrial leadership and the maintenance of full employment and an expanding economy in this district.

This problem has been our chief concern throughout the past four years. This administration will continue to place it at the forefront in the years that are ahead.

Production and employment are the basis of our community life together.

They are the fundamentals on which we can build an environment in our community that meets the hopes and the desires of this generation of Americans.

We have surface problems aplenty.

And we will meet each of them as we have met the problems of smoke, of refuse collection, of flood control.

We must meet the challenge of post-war traffic, of post-war crime, of safety on our streets and of safety in our homes. During the next four years, it will be the purpose of this administration to raise the efficiency of our police agencies to new and higher standards of performance. This involves improvement of equipment, improvement of training, improvement of discipline and improvement of morale—the fundamental desire to do an outstanding job. This is our goal, and it will be achieved. Our use of women school crossing guards has made it possible to shift many more police officers to night patrol duty. The new city budget provides for an additional hundred police patrolmen.

We must continue to emphasize traffic safety—through education, engineering, and enforcement. We made a gratifying reduction in the number of traffic deaths in 1949. We must all work to continue that good trend in 1950.

In public administration, as in all walks of life, there is no substitute for

sincerity of purpose and capacity for work.

You have the right to demand those qualities from your Mayor.

As your chief executive, I have the right and the duty to demand them from all your municipal employees.

We must all work this year to protect your city's finances, and husband its large surplus. This administration will not practice the false economy of withholding necessary public services; it will practice the true economy of using every tax dollar it receives for a productive public purpose.

Pittsburgh has been a solvent city.

We have held down our debt. We have kept our property taxes from going up. We have carried over a surplus from year to year. Thanks to that surplus, the 1950 budget is in balance. But the fiscal troubles may well begin in 1951, unless we practice maximum economy throughout the year. That will be my first order to the city directors this afternoon. It will be emphasized and re-emphasized throughout the year.

Our real hope is the wealth that is being created here; the productive growth of this city.

All that we are doing, all the new buildings, all the new industries, make it possible for us to foresee a sound and flourishing municipal economy in the future, the immediate future.

It is that future to which we have so steadily applied the full strength of this city's leadership—governmental, labor, business, financial leadership.

We have had a united community.

In these next four years, I will exert all the worth and all the energy that lies in the Mayor's Office to keep it so.

If, under the Providence of God, we are granted a world at peace and a stable economy at home, there is not the slightest doubt that we will realize every bright hope that we have for this city that we all love so much.

PRESENTATIONS

Mr. Weir presented

No. 38.

Pittsburgh, Pa.,
January 3, 1950.

President and Members of Council,
City of Pittsburgh.

Gentlemen:—

Your Committee on Rules appointed at the meeting of the Council on January 2, 1950, submits the following as its report:

The Rules of the One Hundred-Sixth Council shall be the same as the Rules of the One Hundred-Fifth Council.

Yours very truly,
John T. Duff, Jr.
Frederic G. Weir.

Which was read.

Mr. Weir moved

The adoption of the report.

Upon which motion the ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Demmler	Weir
Duff	Wolk
Fagan	Kilgallen, (Pres't)
Stewart	

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

The Chair presented

No. 39.

Pittsburgh, Pa., January 3, 1950.

The Honorable, The Council
of the City of Pittsburgh.

Gentlemen:

Please be advised that, pursuant to the Act of June 22, 1931, P. L. 665, I designate and appoint James S. Devlin Deputy Mayor, effective January 6, 1950.

He is to continue in this capacity until his appointment is revoked by me.

Very truly yours,
David L. Lawrence,
Mayor.

Which was read, received and filed.

The Chair also presented

No. 40. Bond No. 844343 in the amount of \$25,000.00 of the Continental Casualty Company on behalf of James S. Devlin, Deputy Mayor, in favor of the City of Pittsburgh.

Which was read.

Mr. Duff moved

That the Bond be accepted and approved.

Which motion prevailed.

Mr. Demmler:

Mr. President: I would like to ask about or raise the question what action Council might take regarding the raising of fares of the street railways company and the Pittsburgh Motor Coach Company. I think we ought to create public interest in this question. When I look at the record I find that many of the original franchises, some for 99 years, 999 years and some perpetual, had a five cent fare stipulation. And when the Court set aside the five cent fare it is against public interest, and I think the Court would have to rule against the 99 year, the 999 year and the perpetual franchises.

I cannot see why the Public Utility Commission should allow an increase in fare to go into effect without having before it a complete statement of fact as to why the increased fare is needed.

I think we should create public interest as to the injustice of these increases in fares before all the facts are given.

Mr. Weir:

Mr. President: To be sure the record is straight, with reference to the 99-year franchises, we must bear in mind that the Third Circuit Court of Appeals has already rendered a decision in favor of the City. We don't have to win in Court. We have already won it.

Mr. Demmler:

Mr. President: I was interested to

get that on the record.

The Chair:

One of the most favorable aspects of this Administration has been the raising of our voices in protest against increase of gas, electric, telephone and transportation rates. These are not specifically within our jurisdiction, but rate payers need somebody to speak up for them, and if we do not, who will? We appear to be the only elected officials in the State of Pennsylvania who will spend money and devote time and attention to utility rates and utility services. The Pittsburgh telephone rates, the gas rates, the electric rates, street car system, the lighting system, all have caught our attention, and the people of this City have gained considerably because we did. They have really and truly benefited from the unceasing battle that Councilman Gallagher, for instance—and the rest of us—have fought for them. Do you have anything specific in mind, Mr. Demmler?

Mr. Demmler:

Mr. President: That is the reason I raised the question, I do not have anything specific in mind, but I think we ought to have it on the record that we talked about it.

Mr. Stewart:

Mr. President: We can pass a resolution.

Mr. Weir:

Mr. President: We have set up funds to fight utility cases and if they have used all those funds, of course, we will have to provide more. The only reason I stated what I did, in the event Mr. Demmler's remarks might be reported by the newspapers, I feel that one point should be clarified, namely that the case involving 99 year franchises has already been won by the City in the Third Circuit Court of Appeals. I fear it would create a false impression that those laws were still held to be valid. When the bankruptcy proceedings are terminated the leaseholders will be in the position of general creditors. We have already won that case. It does not remain to be won.

Mr. Stewart:

Mr. President: We have usually passed a formal resolution protesting, and that can be done. Surely if this Council protested against a ten cent fare and a twelve cent fare, it doesn't take much imagination that it will protest against a fifteen cent fare.

The Chair:

We did pass resolutions instructing the Law Department to oppose these increased rates.

Mr. Duff:

Mr. President: As I see this situation, I don't think they have ever established a fare rate base. I don't think the company is worth what they attempt to capitalize it. That has been the trouble heretofore.

The Chair:

It is easy enough to run somebody else's business. This City has time and again listened to voluntary and well meaning groups who just did not know enough of the inner details to be competent advisors.

I realize that the members of City Council are not expertly acquainted with the inner details of the Pittsburgh street railways set-up. We know enough about it, however, to state that the system is and has been a tricky and shameful imposition on car-riders.

The Chair announced

That Council would recess until Monday, January 16, 1950, at 2:00 o'clock, P. M.

And

Council recessed.

PRESENTATIONS

Mr. Demmler presented

No. 41.

Whereas, The assessment of the land and buildings in the City is of great importance to the financial structure of the City, and

Whereas, On December 13, 1948, City Council adopted Bill No. 1870, which reads as follows:

"Resolved, That the Board of Property Assessment, Appeals and Review be requested to furnish the

Council of the City of Pittsburgh a report showing the reduction in assessments on land and buildings in residential sections for the year 1948; also the assessment on new buildings erected during the year 1948, together with the land assessment; and also whether there has been an increase or decrease in commercial properties in what is known as The Golden Triangle for the year 1948.", and

Whereas, No reply has been received to this resolution and to several letters asking for a reply, and

Whereas, The assessments of land and buildings in the Seventh, Eighth and Fourteenth Wards for the years 1948, 1949 and 1950 are as follows:

—1948—		
Ward	Land	Buildings
7	----\$14,046,460.00	\$21,026,583.00
8	---- 12,400,740.00	18,954,971.00
14	---- 30,305,987.00	68,788,370.00
—1949—		
7	---- \$13,845,715.00	\$21,841,504.00
8	---- 12,305,085.00	18,980,571.00
14	---- 30,208,297.00	71,117,454.00
—1950—		
7	---- \$13,827,100.00	\$21,929,604.00
8	---- 12,218,400.00	18,987,781.00
14	---- 30,157,104.00	71,157,104.00

and

Whereas, This shows a decrease in the land assessment in the Seventh Ward from 1948 to 1950 of \$219,360.00; Eighth Ward from 1948 to 1950 of \$182,340.00; Fourteenth Ward from 1948 to 1950 of \$148,883.00, and

Whereas, The building assessment shows an increase in the Seventh Ward from 1947 to 1950 of \$2,262,369.00; Eighth Ward from 1947 to 1950 of \$508,835.00; Fourteenth Ward from 1947

to 1950 of \$3,398,604.00—a total of \$6,169,808.00.

Building permits for new buildings taken out during 1946, 1947 and 1948:
Seventh Ward ----- \$2,581,925.00
Eighth Ward ----- 663,855.00
Fourteenth Ward ----- 5,134,727.00

Total-----\$8,380,507.00

and

Whereas, Notwithstanding the extensive new building construction in these Wards, the land value assessment has been decreased; Therefore, be it

Resolved, That the Council ask the Board of Property Assessment, Appeals and Review of Allegheny County to reply to our resolution of December 13, 1948, and that they also advise us regarding the assessment figures for the land and buildings in the Seventh, Eighth and Fourteenth Wards.

Leonard	

(Mr. Stewart not voting).

When the name of Mr. Stewart was called he arose and said:

Mr. President: On these bills I desire to be recorded as not voting by reason of the fact I am a member of the Urban Redevelopment Authority. I do not believe that disqualifies me legally, but in order that there will be no question I refrain from voting on these two bills.

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also

Bill No. 121. An Ordinance entitled, "An Ordinance amending Ordinance No. 45, entitled, 'An Ordinance fixing the golf fees and regulating the granting of permits to play golf within the Public Parks of the City of Pittsburgh,' approved February 16, 1937, as amended and supplemented."

Which was read.

The Chair: Bill No. 121, File No. 23, is a bill that would increase the golf fees at Schenley Park. They have an association of golf players out there and the President called me this morning and requested a hearing before action is taken on the bill. I told him I thought Council would be receptive and would hear him. If that is the consensus, I would suggest that the bill be laid over.

Mr. Stewart:

Mr. President: I wonder if they discussed it with the Department.

The Chair:

I do not know.

Mr. Duff moved

That the bill be laid on the table and a hearing be granted.

Which motion prevailed.

Also

Bill No. 66. An Ordinance en-

titled, "An Ordinance authorizing the issuance of a warrant in favor of Raymond G. Flynn, Pittsburgh, Pa., in the amount of \$980.00, for labor and materials furnished the Department of Lands and Buildings for the benefit of the City of Pittsburgh without previous authority of law."

Finerty Heirs upon payment of the sum of \$150.00, and charging the costs to the City of Pittsburgh.

Which was read.

Also

Bill No. 67. Resolution authorizing the Mayor and the Director of the Department of Lands and Buildings, on behalf of the City, to enter into a contract with the American District Telegraph Company of Pennsylvania for Watchmen's Reporting and Fire Alarm Service from November 1, 1949, until November 1, 1950, at a monthly charge of \$63.16+, chargeable to and payable from Code Account 1361.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Leonard	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

Also

Bill No. 54. Resolution authorizing and instructing the Delinquent Tax Collector to accept the sum of \$140.00 in full settlement of delinquent metered water charges assessed against

the property of the Lily Baptist Church, Soho street, near Fifth avenue, 4th Ward, for the years 1936 to 1949, both inclusive.

In Finance Committee, January 17, 1950, read and amended by adding at the end thereof the words, "including any interest, penalties and costs filed against said property," and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Duff moved

That the amendment of the Finance Committee be agreed to.

Which motion prevailed.

And the resolution, as amended in Committee and agreed to by Council, was read.

Which was read.

Mr. Duff:

Mr. President: I would like to call attention to Bill No. 61, File No. 12. I notice it is chargeable to Code Account No. 42, Contingent Fund. I

wonder why it should not be charged to Code Account No. 46, Judgments. I see nothing in the communication which would cast any light upon the code account. In view of the fact that the complaint is in suit and we are settling it, I think it ought to be paid out of the amount we have set up as Judgments rather than from the Contingent Fund.

Mr. Duff moved

That Bill No. 61 be recommit-
ted to the Committee on Finance.

Which motion prevailed.

Mr. Fagan (for Mr. Gallagher)

No. 255.

Pittsburgh, Pa.,
January 30, 1950.

President and Members

City Council

City of Pittsburgh

Gentlemen: In Re Bill No. 164.

The above bill is "An Ordinance amending contract for architectural services by Ingham, Boyd and Pratt in the sum of \$22,000.00 and appropriating funds therefor," was affirmed subject to a report from the Budget Controller.

This extra sum of \$22,000.00 is needed on account of increased cost in building prices. When this original amount was set up, it was based on prices in effect for years 1944 and 1945. This information was given to me by Mr. Pyle, City Architect.

Respectfully yours,

John Duggan,

Budget Controller.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Leonard	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 41.

Whereas, The assessment of the land and buildings in the City is of great importance to the financial structure of the City, and

Whereas, On December 13, 1948, City Council adopted Bill No. 1870, which reads as follows:

"Resolved, That the Board of Property Assessment, Appeals and Review be requested to furnish the Council of the City of Pittsburgh a report showing the reduction in assessments on land and buildings in residential sections for the year 1948; also the assessment on new buildings erected during the year 1948, together with the land assessment; and also whether there has been an increase or decrease in commercial properties in what is known as The Golden Triangle for the year 1948.", and

Whereas, No reply has been received to this resolution and to several letters asking for a reply, and

Whereas, The assessments of land and buildings in the Seventh, Eighth and Fourteenth Wards for the years 1948, 1949 and 1950 are as follows:

1948		
Ward	Land	Buildings
7	\$14,046,460.00	\$21,028,583.00
8	12,400,740.00	18,954,971.00
14	30,305,987.00	68,788,370.00
1949		
7	\$13,845,715.00	\$21,841,504.00
8	12,305,085.00	18,980,571.00
14	30,208,297.00	71,117,454.00
1950		
7	\$13,827,100.00	\$21,929,604.00
8	12,218,400.00	18,987,781.00
14	30,157,104.00	71,157,104.00

and

Whereas, This shows a decrease in the land assessment in the Seventh Ward from 1948 to 1950 of \$219,360.00; Eighth Ward from 1948 to 1950 of \$182,340.00; Fourteenth Ward from 1948 to 1950 of \$148,883.00, and

Whereas, The building assessment shows an increase in the Seventh Ward from 1947 to 1950 of \$2,262,369.00; Eighth Ward from 1947 to 1950 of \$508,835.00; Fourteenth Ward from 1947 to 1950 of \$3,398,604.00—a total of \$6,169,808.00.

Building permits for new buildings taken out during 1946, 1947 and 1948:

Seventh Ward	\$2,581,925.00
Eighth Ward	663,855.00
Fourteenth Ward	5,134,727.00

Total.....\$8,380,507.00

and

Whereas, Notwithstanding the extensive new building construction in these Wards, the land value assessment has been decreased; Therefore, be it

Resolved, That the Council ask the Board of Property Assessment, Appeals and Review of Allegheny County to reply to our resolution of December 13, 1948, and that they also advise us regarding the assessment figures for the land and buildings in the Seventh, Eighth and Fourteenth Wards.

Which was read.

UNFINISHED BUSINESS

The Chair took up

Bill No. 121. An Ordinance entitled, "An Ordinance amending Ordinance No. 45, entitled, 'An Ordinance fixing the golf fees and regulating the granting of permits to play golf within the public parks of the City of Pittsburgh, approved February 16, 1937, as amended and supplemented.'"

In Council, January 23, 1950, bill read and laid on the table pending a hearing.

In Committee on Hearings, January 30, 1950, bill read and no response when the bill was taken up.

Which was read.

And the bill was read a second time.

Mr. Demmler:

Mr. President: There was only one person who spoke to me about this bill, and he said he thought it should be taken to court that we had no right to charge for this service in the parks. I said it would be perfectly agreeable to me to take it to Court. He also said we should not remodel the club house. I told him that of the complaints we had there were a great many more complaints about the condition of the club house than almost anything else out there, and I thought we were justified in spending what we did and I feel we are justified in increasing the fee for playing golf there.

And the bill, as read a second time was agreed to.

Mr. Duff moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Leonard	Kilgallen, (Pres't)

Ayes 8. Noes none.

Also

Bill No. 234. Resolution authorizing the sale to John A. Sullivan and Beatrice P. Sullivan, his wife, property on Gladstone street, being Lot No. 161 in the Marion Place Plan for the sum of \$200.00.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Leonard	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

MOTIONS AND RESOLUTIONS

Mr. Stewart:

Mr. President: I note by the afternoon papers that the Duquesne Light Company has filed a schedule of proposed rate increases. This is a very serious matter and affects every citizen of Pittsburgh, and I therefore, move

That the City Solicitor be instructed to investigate the matter and to take such action as she deems appropriate to protect the people of Pittsburgh.

It has been demonstrated, Mr. President, time and time again that unless the City of Pittsburgh enters these rate matters nobody does anything for the protection of the public. Therefore, I think it is very important that our City Solicitor act promptly in this matter. I move for immediate adoption of this motion.

The Chair:

It is a rather peculiar thing that throughout the State of Pennsylvania the City Council of Pittsburgh is the only legislative body that I know of that takes an interest in these matters.

This is really no more within our jurisdiction than it is within the jurisdiction of the Chamber of Commerce. And still, time and time again we have stepped forward to serve the people, and we seem to be the only body in Pennsylvania that does that.

The people of Pittsburgh have saved millions of dollars because of the action we have taken along this line in the last decade.

And the question recurring on the adoption of the motion, the motion prevailed.

The Chair presented

No. 335. Whereas, The Council of the City of Pittsburgh desires accomplishment of the construction of the Negley Run Parkway through the use of the bond issuance authority approved by the electors in 1947; and

Whereas, It appears that the construction of this Parkway in its most extensive and useful form may be substantially aided by the processes of urban redevelopment and through the application of Federal funds now available for blight elimination; Now, therefore, be it

Resolved, That the Council of the City of Pittsburgh requests the Planning Commission of the City of Pittsburgh to initiate the necessary studies determining whether the project can be considered as an urban redevelopment project, and that the Urban Redevelopment Authority of Pittsburgh be requested to give the project its prompt consideration.

Which was read.

Mr. Demmler moved

The adoption of the resolution.

Which motion prevailed.

Mr. Leonard presented

No. 336.

144—43rd Street,
Pittsburgh 1, Pa.

President and Members of Council
City of Pittsburgh.

Gentlemen:—

I, Wence Dolegowski, request a hearing before your honorable body to learn the reason, if there is any, why I am to be dismissed from the payroll of the City of Pittsburgh in the Office of the City Clerk, as of February 15, 1950.

Respectfully submitted,

Wence Dolegowski.

Which was read.

Mr. Leonard:

Mr. President: I introduced that letter at the request of Mr. Dolegowski, and I want to say something further about it. Of course, I only know what I read in the newspapers. Last week I was away from the meeting in City Council. I was in the City of Harrisburg, and to my surprise I picked up a newspaper in Harrisburg and read where Wence Dolegowski was discharged from the City of Pittsburgh in the City Clerk's office as of February 15th,

and was at present on leave of absence with a two weeks' vacation, as I understood it.

Further, to my surprise, I happened to pick up a newspaper this morning and read in it, as it is interpreted to me, it says, with a picture, it states that this employee in my opinion was a very capable employee, was discharged from the City of Pittsburgh due to his loyalty to Councilman Leonard, quoting from the paper.

I want the record to show, before I make a motion that I knew nothing about this whatsoever. I don't know when Council took action on it or how they took action on it. Up to now I have not been consulted or told about it. I am one-ninth of City Council and how do we go about discharging employees, whether the City Clerk has that right, without permission from Council, and whether he has the right to hire and fire.

What I have been disturbed about in this case, and I think I can speak for the ability of Mr. Dolegowski for the four or five years he has worked in City Council he has worked very closely with me not only as a clerk. Every member of this Body needs a stenographer if you intend to keep up with your correspondence and I would say that since the advancement of Mr. Boxheimer to the position of Assistant City Clerk, he has handled practically all of the correspondence in my office and I will challenge anybody to say they write any more letters than I do or receive any more correspondence than I do. I am not exaggerating when I say that to my knowledge he has answered better than a thousand letters in the past year in my own office. If you want further proof in my office there are copies of it. Speaking for myself, he is a very capable employee. He is a good stenographer and a very good man on shorthand. I am making this statement so nothing can hurt the man on future employment. I realize how vicious politics can get.

Furthermore this employee is a former service man with four and a half years of military service, and I might

say he served on the staff of the Commanding Officer in the Division he was in and received his training early in the Pentagon in Washington.

Furthermore, as a young man he has the distinct honor of being elected the President of District 38 of the Polish National Alliance in the Ward where he lives in Lawrenceville District of Pittsburgh.

On top of that, as a young man, the youngest ever in the history of the Polish National Alliance, I think in this part of Pennsylvania, he was elected in their District Council, the highest office they have. If a man don't have ability to do the work, as I understand he is accused of, how is he, as a young man, been able to advance himself with the people who have seen fit to elect him to the highest office as a leader among the Polish groups of people.

I am bringing these things up because I have always been taught to defend the working man.

If this young man is removed from the City Clerk's Office for political reasons then publicly it should be stated and the responsibility should be placed on my shoulders because he happened to follow along the lines that last year I thought of politically. If it is not for political reasons then he should be given a public hearing or a hearing in front of the members of Council that he has a right to go in and defend himself and his own reputation, because, after all, he is not under Civil Service in the City of Pittsburgh, and it is one or another thing to point out how badly Civil Service is needed.

Mr. Leonard moved

That the request be granted.

Mr. Demmler:

Mr. President: I don't understand the motion.

Mr. Leonard:

Mr. President: The letter from Mr. Dolegowski has requested that a hearing be granted before Council for the reasons for dismissal. It is the only place he has for appeal.

The Chair:

The sense is that Mr. Dolegowski be given a hearing.

Mr. Leonard:

Mr. President: Will you let the record show that if this was done by the City Clerk, I don't think he has the right to discharge or the right to employ without the permission of City Council. I want to know and have a right to know if that was done.

The Chair:

You are entitled to that knowledge. I will state this, the routine work of the City Clerk's office is under the direction of the City Clerk. He, more than any member of City Council, knows the capabilities of our personnel here in Council.

Every member of Council, with the exception of Mr. Fagan, knows that eighteen months ago, perhaps two years ago the question of Mr. Dolegowski's capabilities had been presented to us by our City Clerk, and his dismissal was not at all due to any event or circumstances of recent occurrence. It has been a long drawn out matter, as members of Council know I speak in sincerity and truth when I say this move was seriously contemplated eighteen months ago.

As to Mr. Patterson's power in this matter, he is the employee of City Council and any time at all that he takes any action of hiring or dismissing the personnel, that action would be revoked by City Council. If it is not revoked, his decision stands.

This matter, as I say, has been discussed between the City Clerk and the City Council for a period of at least eighteen months. If there is no second to Mr. Leonard's motion, the bill will lie on the table and Mr. Dolegowski will not be given a hearing.

Mr. Leonard:

Mr. President: I just repeat, I don't know when you held a meeting or when you officially notified Mr. Patterson. I want to show you the only chance I have of making a protest which is one of the most unfair things, but in particular, that you or the Ad-

ministration, you, as President or the Administration, whoever it may be, if all this has been going on, that you would not give the courtesy of the opportunity to discuss it. I am glad to hear you make these statements. It is the first I heard of it. I do think the man is entitled to a hearing.

I could get lengthy and bring a lot of questions up such as an impartial board of arbitration, and a lot of things that I don't care to go into now, but a man that is employed by your City Council that you and myself and everybody that doesn't have a private secretary that he has to take

up certain things that he doesn't wish to be consulted with, and that is the capacity that Mr. Dolegowski helped me as an employee in this office. I would say more as a private secretary and I think it is pretty hard that you didn't see fit to check up with a member he so closely worked with.

Mr. Weir moved

That the Minutes of Council of Monday, January 30, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Weir

Council adjourned.

RESOLUTION

Whereas, The City of Pittsburgh, County of Allegheny and School District of Pittsburgh are the record title holders of certain lands located in the 12th Ward acquired for non-payment of taxes and now in process of being taken by the Veterans' Administration of the United States as a site for a Veterans' Hospital and referred to in the Viewers' proceedings as Parcel AG, and,

Whereas, It has tentatively been agreed that the compensation to be paid for the taking of said lands shall be approximately \$250.00 per Acre to be paid to the City, County and School District in proportion to their interest in four separate parcels comprising the whole parcel "AG," and,

Whereas, It has been determined that the most practical manner of distributing said compensation shall be to treat the same as the selling price to be distributed in the same manner as the City, County and School District are now doing in selling tax acquired properties to purchasers, therefore be it,

Resolved, That the compensation to be paid the City of Pittsburgh for its interest in the parcels of land comprising Parcel "AG" shall be based upon its proportional interest as represented by its claims filed with the Sheriff in its tax sale proceedings in parts Nos. 1, 2 and 3, and in proportion to its taxes of record against part No. 4, which compensation has been determined as follows:

P. U. C. No. 10, superseding Electric-Pa. P. U. C. No. 9 and Supplements Thereto," and the execution of the said complaint and petition for suspension of rates and the filing thereof by the City Solicitor with the Pennsylvania Public Utility Commission, and requesting the Pennsylvania Public Utility Commission to file its own complaint and investigation against the proposed rates of the Duquesne Light Company issued Feb. 6, 1950, to become effective April 10, 1950, designated as "Electric-Pa. P. U. C. No. 9 and Supplements Thereto," and requesting the Pennsylvania Public Utility Commission to consolidate its complaint and investigation against said proposed tariffs of the Duquesne Light Company with the Complaint of the City of Pittsburgh previously filed.

Which was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the resolution was read a second time.

Mr. Gallagher:

Mr. President: Bill No. 357, File No. 174, I first want to commend the Mayor and the City Council for the action they have already taken in protesting these rates, and this bill requests the Public Utility Commission of the State of Pennsylvania to intervene as a body against these proposed increased rates.

The public Utility Commission of the State of Pennsylvania, which is composed of so-called experts, and has engineers and architects and everything pertaining to their body, but if the City of Pittsburgh would have to fight this itself, it would cost a tremendous amount of money. So, this bill requests the Public Utility Commission to enter this rate case in behalf of the City of Pittsburgh.

In my opinion, the burden of proof is on the Duquesne Light Company to show whether they are entitled to these proposed increases.

Certainly every public utility in the State of Pennsylvania is entitled to 6% on their investment. I don't think there is a member of this Council or a citizen of Pittsburgh who would deny them their just profits in trying to serve the people, but I say, the burden is on the Duquesne Light Company to show that they are entitled to these increased rates. The City of Pittsburgh is the greatest and biggest consumer that the Duquesne Light Company has, and if these increased rates go into effect the individual consumers of electricity will not only have to pay that increase but they will also have to pay, as taxpayers, a double increase because right now the Duquesne Light Company collects about \$1,125,000 a year from the City of Pittsburgh for street lights and other lights, and this proposed increased rate is not against the private consumers but the City will have to pay this increased rate. So, I say, it is high time that the Public Utility Commission, in real earnestness, gets into this thing and for once and for all decides what a fair rate is to the Duquesne Light

Company.

I am not fighting the Duquesne Light Company or any other public utility. The investors are citizens of the City of Pittsburgh and the Duquesne Light Company should not be permitted to make or earn more than 6%, which the State law says they are entitled to.

I want to commend the Mayor and the City Council for the action they have taken. I do not think I have to ask the Council to adopt this bill because I know they are just as anxious as I am that the City gets a square deal.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart,
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Also, with a negative recommendation,

Bill No. 107. An Ordinance entitled, "An Ordinance amending Zoning Ordinance No. 372, approved Aug. 9, 1923, Zone Map Sheet Z-N20-E30, by changing from a 'B' Residence District to a 'C' Residence District, all that certain property bounded by Bunkerhill street; the westerly line of property, now or late of L. RESOLUTION

Whereas, The City of Pittsburgh, County of Allegheny and School District of Pittsburgh are the record title holders of certain lands located in the 12th Ward acquired for non-payment of taxes and now in process of being taken by the Veterans' Administration of the United States as a site for a Veterans' Hospital and referred to in the Viewers' proceedings as Parcel AG, and,

Whereas, It has tentatively been agreed that the compensation to be paid for the taking of said lands shall be approximately \$250.00 per Acre to be paid to the City, County and School District in proportion to their interest in four separate parcels comprising the whole parcel "AG," and,

Whereas, It has been determined that the most practical manner of distributing said compensation shall be to treat the same as the selling price to be distributed in the same manner as the City, County and School District are now doing in selling tax acquired properties to purchasers, therefore be it,

Resolved, That the compensation to be paid the City of Pittsburgh for its

interest in the parcels of land comprising Parcel "AG" shall be based upon its proportional interest as represented by its claims filed with the Sheriff in its tax sale proceedings in parts Nos. 1, 2 and 3, and in proportion to its taxes of record against part No. 4, which compensation has been determined as follows:

That the following members be excused for absence from Council and Committee meetings:

Mr. Duff on February 8 and 13, 1950;

Mr. Gallagher on February 6, 1950;

Mr. Leonard on February 21 and 27, 1950;

Mr. Stewart on February 27, 1950.

Which motion prevailed.

Mr. Gallagher:

Mr. President: In the matter of the collection of stray dogs, I took that matter up with Mr. Johnson and told him to try to have a report tomorrow in Committee. I will bring it up in Committee tomorrow. I asked him to give me a report on the number of dogs that were rounded up in a year and also give me the dates when they changed the contract from the time we were paying them twelve thousand dollars a year until now when we are paying forty thousand dollars a year.

The Chair:

It is not asking too much to ask how many dogs and cats are being collected in a twelve-month period.

Mr. Gallagher:

Mr. President: He will give me a detailed report.

Mr. Weir moved

That the Minutes of Council of Monday, February 20, 1950, be approved.

And upon motion of Mr. Weir

Council adjourned.

Whereas, Under Title I of the Housing Act of 1949 the Housing and Home Finance Administrator is authorizing to assist local communities in eliminating their slums and blighted areas and in providing maximum opportunity, consistent with the sound needs of the locality as a whole, for the redevelopment of such areas by private enterprise, and to that end is authorized to make local public agencies advances for surveys and plans in preparation of projects, capital grants, and temporary and definitive loans; and

Whereas, The Housing and Home Finance Administrator will consider requests for the reservation or earmarking of the first \$200,000,000 that will be made available under Title I for capital grants;

Now, therefore be it resolved by the City Council of the City of Pittsburgh, Allegheny County, Pennsylvania.

1. That upon the basis of preliminary studies it is considered to be in the public interest and it is the desire and purpose of the City of Pittsburgh that there be undertaken and carried out, with the aid of capital grants out of said \$200,000,000, certain slum clearance and redevelopment work in the City of Pittsburgh, and that such work, or at least the surveying or planning in the connection therewith, can be started prior to July 1, 1951.

2. That the Administrator be and he is hereby requested to reserve or earmark for such work out of said \$200,000,000 an amount not exceeding \$5,000,000.

3. That it is hereby recognized that under Title I of the Housing Act of 1949 certain requirements are imposed in order to obtain Federal aid thereunder for slum clearance and redevelopment projects including requirements for the provision of local grants-in-aid, the approval of redevelopment plans by the governing body of the locality, the making of certain findings by such governing body, and other requirements, and it is further recognized that the co-operation of the City of Pittsburgh is necessary to carry out the slum clearance and redevelopment program which is proposed to be undertaken and for which the reservation of funds is hereby requested.

4. That John P. Robin, the duly authorized Executive Director of the Urban Redevelopment Authority be and he is hereby directed to forward to said Administrator three certified copies of this resolution and such supporting data and information as may be required, and that this resolution shall constitute the City of Pittsburgh's formal request to the Administrator

The Chair:

The Pittsburgh Sun-Telegraph on March 12th, 1950, in its political column carried a news item of considerable length, some fifty or sixty lines, entitled, "City To Sell More Land At Cut Rate."

The Pittsburgh Post-Gazette on its editorial page on Monday, March 13th, 1950, carried an editorial prominently entitled, "Cut Rate Land Sales," and that editorial appears to be based on the "facts" contained in the Sun-Telegraph news item.

Both newspapers have informed hundreds of thousands of citizens in this area that City Council is not handling its sales of City-owned property in a business-like manner. The members of Council are charged with "collusion," with "pettifoggery," with "confusion," with "the sale of properties at lower prices than could be obtained if an effort were made to obtain better prices," of selling properties over the protests of Councilman Leonard, of selling properties to City employees without careful deliberation. In general, we are charged with approving sales of City-owned properties in a careless, indiscreet manner, and by implication, in a highly improper and reprehensible manner.

Ordinarily, I pay little attention to newspaper items and to newspaper editorials. They are only effective, in my opinion, when they are right, and like the rest of us, are right only when they have the facts right.

In this case there has been some inaccurate reporting by somebody. Their facts are not right, or at best, there has been an unfair and misleading interpretation of the facts.

My common sense is telling me that I should not argue the matter because nobody can argue with a newspaper unless he, himself, owns another newspaper.

I remember when I represented my neighborhood in the State Senate at Harrisburg. I sponsored a bill about something or other, and one day I was highly incensed to read an editorial which really and truly nailed me to the mast.

The facts in the editorial were not right, and in my then amateurish days, I went to the small country town where the newspaper had been printed and there I found that the editorial had been written by a fifteen year old high school girl for the purpose of entering it in a class contest.

Since that time I have had a dim opinion of editorials.

To get the facts right in this present situation, you will have to go back a decade and a half when the City had on its hands an immense amount of City-owned properties.

Previous Republican administrations had made little or no effort to sell it. In their then status these City-owned properties were a dead weight.

The then Democratic Mayor suggested that they be given away in order to produce tax money. This Council very seriously considered disposing of some of them to veterans at a nominal price of one dollar, and it is likely we would have done it had the law permitted.

These things have to be known by anyone who undertakes to criticize

what has been done in recent years. Hundreds and thousands of properties have been sold at values averaging 60 or 70% of their assessment. Millions of dollars have been paid into the City Treasurer, to the County Treasurer, and to the Board of Education. Hundreds of thousands of dollars have arisen from those sales.

All this has been done by the City clerical force at city expense. It has been a remarkable, worthwhile program and we are not, in any way, on the defensive.

It is not true that we have ever sold any City-owned property over the protest of the County Commissioners. We have never received such a protest. We would have responded to it immediately had such a protest been made.

There have been hundreds and hundreds of sales approved by the Court of Common Pleas—every such sale must be approved by the Court of Common Pleas—and in no instance has a representative of the County Commissioners appeared in Court or anywhere else to protest or to delay a sale. We are very anxious to have the cooperation of the County Commissioners in this matter and if any way can be found to secure better prices for these properties, you can be very sure that we will quickly adopt it.

It is true that Councilman Leonard, in Aug.—at that time he was a candidate for Mayor,—made many charges. One day it was mentioned to the members of the Committee that sales of City property were being made in his neighborhood to City employees and that it was being improperly done. Immediately the members of Council stopped the proceedings and we appointed Councilman Leonard a committee of one to investigate and report back to us. He did so. He came back in two weeks and said that the matter was being properly handled; that the price was all right and there was no impropriety of any kind about it, and he moved that the transactions be approved, and we did approve them. It came up in Council the following

Monday and Councilman Leonard voted for the sale.

During my time in Council no member of City Council has voted against a sale of City-owned property. It was never necessary. Had any one intimated a better price could be obtained or required further study the Councilmen always held the matter over.

We are also charged with collusion and pettifoggery in suspending our rules so that the sales can be consummated on one day, instead of holding the matter over for three weeks. Now the unknown person or the unknown writer of the editorial seemingly does not know that many legislative bodies in the United States has the same procedure. It is the routine practice everywhere to suspend the rule so as to give prompt action to legislative matters. If we do not suspend our rules it would mean that the sale of a piece of property, for instance, would be delayed for a month, and from experience, we know that the purchasers of City property are pretty well fed up with red tape and delay.

We do everything we reasonably and properly can to expedite these sales.

So far as the sale of City-owned property to City employees is concerned, I agree with the papers that that kind of transaction should be closely scrutinized. We have informed the Director of the Department of Lands and Buildings that that kind of a sale should be subject to more careful scrutiny than if the purchaser was a stranger. I have instructed him to do that.

This discussion—this newspaper comment—might have one good effect. It might advertise that the City does have property for sale and it might bring buyers to City Hall. I hope it does. There is not a Councilman who would think of selling a piece of property at a price less than could be obtained.

We have never sold a piece of property unless over the signature of the Director of the Department of Lands

and Buildings and until we are informed that the price is fair and reasonable. Over the years it will be found that our sales price come to about 65% or 66% of the assessment on the property, and at first blush it would show we are selling a lot of bargains, but when you go into it, you will find it is not the case. When a property is held by the taxing authority and held for a number of years there really is not much point in assessing it because it brings in no money for the taxing body anyhow. I hazard that the Assessors just keep on the same assessment. They evidently are of the opinion that since the taxing bodies do not receive any money there is no sense in changing it.

Summing up, City Council denies specifically and generally the thought expressed by these two newspapers that the Council is careless in disposing of this property. We are not. We do the best we can to get the best price we can for City-owned properties.

Mr. Wolk:

Mr. President: You might say, generally, what has been accomplished in recent years.

The Chair:

Under the old administration in City Council, under the Republicans, no effort was made to dispose of City property. It just piled up. This Council went to work on the job to sell City-owned lots. We realized if these lands are owned by a private person, it would be good business to give them away. After all, the consideration is not of much importance when you come to think of it. If I had a piece of land worth a thousand dollars and I could give it away and I should forever thereafter be given a pension year after year, for me and my heirs forever, it would be smart business. It is the annual pension that counts—the taxes that we get. We will be doing the smart thing if we sell these properties—cheaply if we must—in order to get them back on the tax books.

The new regime came in and found the City was in possession of an awful

lot of City-owned property. We put on a campaign to sell it. We have sold it like the Salvation Army giving away donuts. We have done a wonderful job and are still doing it. We are operating the biggest real estate business in Pittsburgh. There is no real estate firm in Pittsburgh that sells as much land as we do. We have sold millions of dollars worth of property. I venture to say that in the last ten years we have sold more land than was sold since the advent of this Council. At any rate we have been on the job toward the selling of property and instead of being criticized I think we should be praised.

Mr. Demmler:

Mr. President: To substantiate that we are receiving two-thirds of the value of the property, in taking off the sales of property this year I find we sold a total which amounted to \$81,000 and the assessed values of those properties was \$121,000, so that is almost to the cent.

The Chair:

What explanation can you give to the fact that our citizens seemingly won't pay the assessed value of the properties? We do sell them at something less.

Mr. Demmler:

Mr. President: One point, in answer to your question is that the buyer goes to the expense of obtaining a title search. That is one expense. In many of these sales there is the restriction where the Planning Commission says the lot should not be sold to anyone but the improved abutting property owner which shows that the land is not salable to anyone else. Then frequently there is the reservation made about the rounding of a corner or holding back five or ten feet for a widening. So I feel we are getting very good prices for the property we are selling.

The Chair: Perhaps we should make some response to these newspaper criticisms and hold these bills over.

Mr. Fagan:

Mr. President: You have suggested

that these bills be held over. I want to make a motion that we suspend the rules and proceed with the second and third readings and final passage of these bills.

I want to add that an editorial never frightens me, nor does a news item. I know Andrew Bernhard of the Pittsburgh Post-Gazette and I think he is a very high-class gentleman. I think he is as good a newspaper man as we have had in the City of Pittsburgh, and a gentleman and a scholar with it. I know Joe Schuman, the City Editor. I don't happen to know Mr. Leslie C. MacPherson personally, but I want to say as Chairman of the Committee on Lands, Buildings and Housing that when I was given this assignment that I went to Homer Greene, the Director of the Department of Lands and Buildings, and I met everybody in that department. I understand that Mr. Greene is an expert real estate agent and representative, and he belongs to the Pittsburgh Board of Realtors. I know John Monahan and I know he is a man of honor, integrity and ability. I have met Mr. Kirk and Mr. Murphy and the other men in the Department of Lands and Buildings and I have gone out to look at a number of lots and a number of pieces of property since I have become a member of Council and Chairman of the Committee on Lands, Buildings and Housing and I want to say to you and the rest of the members of City Council that I resent with all the force at my command this editorial in the Post-Gazette and this news item that appears in the Pittsburgh Sun-Telegraph. I welcome criticism, constructive criticism from the newspapers and from my colleagues in Council and from the citizens of Pittsburgh, but I don't welcome innuendo and I don't welcome the kind of a statement that is contained in the editorial of the Pittsburgh Post-Gazette of March 13, 1950.

I thought I made my position clear on the day that I took the oath here of Council that I was going to serve the City of Pittsburgh and the citizens of this great City, to the best of my

ability, and do everything within my power to make Pittsburgh a better City to live in and I have been doing my best in an effort to do what the President of Council has said, dispose of idle land so that it may become taxing property here in the City of Pittsburgh, and that is my only purpose and my only effort to try to go along with Mr. Greene of Lands and Buildings. When these bills come before Council for discussion and Mr. Greene and Mr. Monahan or Mr. Murphy or Mr. Kirk say that the price is fair and reasonable, then I take their advice and if I thought it was wrong I would be only too happy to go back to Mr. Greene and say, you have made a mistake.

Now, with reference to the County Commissioners, the three taxing bodies of the City of Pittsburgh, the County of Allegheny, the School Board and the City, a week ago met and went over one hundred one parcels of property that were on the agenda, and I will say that 99.44 of the parcels of property that were on the agenda were approved unanimously by the three taxing bodies. There was some reduction on the Kaufmann Realty property we were holding for \$350,000. It was agreed unanimously by the County Commissioners, the representatives of the School Board and the representatives of the City, it was reduced from \$350,000 to \$300,000, with the hope that we would be able to dispose of it and eventually a proper assessment on it and taxes for the City of Pittsburgh.

It is all right for somebody to sit down and write an editorial but they should have the facts when they write it. From the tone of this editorial it seems to me that the same fifteen year old boy or girl in Dauphin County wrote the same thing and is responsible for this.

I say, Mr. President, in closing, I resent it with all the force at my command, and my experience in life has taught me this that when you ever find a Christlike man there you will find Roman soldiers barking at his heels.

The Chair: Will you state whether the City of Pittsburgh, since you have been a member of this Council, ever sold a piece of property over the protests of the Commissioners of Allegheny County?

Mr. Fagan:

Mr. President: No, never, since I have been on the job. This meeting we had with them was probably the 8th or 9th of March. We had been trying to arrange a meeting since I had been in Council and I understand they had been trying for weeks and months to get the County and the School Board together so it would be approved.

The Chair: Mr. Duff, Mr. Wolk and myself were the Committee appointed by the Council to contact the County Commissioners and work out a routine that could be followed in the sale of public-owned property. We agreed with the County Commissioners and the School Board delegation that one body could stop a sale by simply protesting, simply putting in a negative vote it could be stopped. There still must be unanimous approval. Is that an accurate statement, Mr. Demmler?

Mr. Demmler:

Mr. President: Yes, that is correct.

Mr. Weir:

Mr. President: Mr. Demmler has intimated some of the reasons why these relatively small lots are sold below their assessed valuation. Of course, I can see how a person who was not acquainted with the situation, and knowing that, in general, the property of the City is not assessed as high as its market value, would think that strange, but you must bear in mind that these properties have in all instances come through Treasurer's sale or Sheriff's sale. They have been sold because the people who owned them had not paid taxes for many, many years. The people who are not paying any taxes anyhow don't care what their assessment is. Other people, of course take appeals and have their assessments reduced. Another matter is that every one of these sales is advertised in the news-

papers that there will be a hearing in Court on that sale. There is a hearing in Court if anybody wishes to appear and if they do appear and offer a substantial price, that stops the sale in Court.

Mr. Stewart:

Mr. President: You have referred, very ably, to some of the shortcomings of two of the newspapers, and so as not to appear partisan I would like to call attention to an article that appeared in another of our great dailies. I refer to the supercilious article that appeared in the Pittsburgh Press with reference to the City of Pittsburgh appropriating \$3,000 for the United States Conference of Mayors.

If that had appeared in one of the other Pittsburgh newspapers I would not have been so surprised but it appeared in the Pittsburgh Press, but you will recall that they thought enough of the United States Conference of Mayors that they assigned their reporter from City Hall and he was there and reported in detail, and certainly from the stories ironically which he produced, it wouldn't give one the impression that the United States Conference of Mayors is a social organization for the Mayors. I think certainly some people of the Press know better than that.

I think it is well worth what we spend and there are very few instances where a municipality or an individual might be able to realize more or where more is obtained for the money it costs you than the United States Conference of Mayors. I think every member of Council knows that. I think the Cabinet members of the City government know it and certainly every one who has attended those meetings knows it.

In addition to that we get year-around service from the United States Conference of Mayors by reason of the headquarters and staff they maintain in Washington, D. C., and we receive in many ways the benefits of information from other cities and information concerning legislation in Congress, and through the United States Conference

of Mayors we have many, many times been able to influence the course of legislation in Congress greatly to the advantage of our City.

If we can spend three thousand dollars any better than by membership in the United States Conference of Mayors, I cannot think off hand what it can be.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler

Duff

Fagan

Gallagher

Stewart

Weir

Wolk

Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

MOTIONS AND RESOLUTIONS

Mr. Weir moved

That the Minutes of Council of Monday, March 6, 1950, be approved.

Which motion prevailed.

CITY OF PITTSBURGH
CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Health under date of March 10, 1950, in letters addressed to the Mayor and the City Controller has stated that the Pennsylvania Tuberculosis Association has loaned to the City an extremely well trained medical social worker who is performing her duties at the Tuberculosis Hospital without charge to the City. However, the City is expected to provide such clerical help as will enable this social worker to accomplish as much work as possible, which includes the development of services for Tuberculosis patients in such a fashion that life-saving treatment may be provided as well as the removal from the contract with the general community of the early tuberculosis case which is frequently a wage-earner and has certain responsibilities to his family that make it difficult for him to submit to a

Therapeutic regime; and

Whereas, It is necessary that a stenographer-clerk be employed to assist the medical social worker in the performance of her work; and

Whereas, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, we, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the employment of a stenographer-clerk in the Department of Public Health, Bureau of Infectious Diseases, Tuberculosis Hospital, for the reasons above stated.

DEPARTMENT OF LAW

March 17, 1950.

Re: Annexation of a portion of Baldwin Twp. on Petition of Wenzel Fisher et al.

President and Members of Council.

Gentlemen:

This is in answer to your letter of March 15, 1950, requesting a report on the above entitled matter.

For your information the Township of Baldwin is now involved in an apportionment litigation. This resulted from the incorporation of the Borough of White Hall from a portion of the Township of Baldwin. The borough was incorporated in the year 1947 and the government became effective as of the First Monday of January, 1948. The action is intended to fix the liabilities of both the Township and the Borough as well as to credit each with its proportionate share of the assets. Until an Auditor is appointed and the liabilities and assets fixed by the Court of Quarter Sessions, our report to you must be based upon the best available figures and the potential results of the apportionment proceedings.

Under the law the apportionment will be determined as of the date of the Borough incorporation, according to the proper assessment valuations of the Township and of the Borough for the year in which the Borough incorporation occurred. Thus, the basis of determination of liabilities will be upon the basis of 45% to the Borough and 55% to the Township.

It is difficult for us to procure the actual figures of both liabilities

and assets, but we do have a fair basis as of December 31, 1948, which is sufficient for our purposes. As of 1948 the total liabilities of the Township appeared to be \$299,215.62. The assets appeared to be \$181,710.07, leaving a net liability as of December 31, 1948, of \$117,505.55. With the settlement of the apportionment by the Court between Baldwin Township and the Borough of White Hall, this amount should be diminished by the proper percentage allocated against the Township. In addition, there are other liabilities of the Township but these should be covered or rather cancelled by assessment assets, and, therefore, it is our opinion that we cannot be affected or obligated in their connection.

All of this, of course, is preliminary to the allocation of liabilities against the City of Pittsburgh in procuring an annexation of the portion of Baldwin Township before Council.

We are in this instance directly concerned with the assessed valuation of what is Baldwin Township and of what is the area now sought to be annexed to the City of Pittsburgh.

In 1949 the assessed valuation of Baldwin Township was \$9,761,137.00. The estimated assessed valuation for the year 1950 is \$10,582,697.00. The proposed area for annexation was assessed in 1949 at \$125,495.00. Accordingly, the area represents 1.3% of the total assessed valuation for the year 1949. For the year 1950, I have been given to understand it will bear a percentage of 1.2% of the estimated value in the township. Using the 1949 assessments, the City's share of the net liabilities would be approximately \$1,527.57, with the possible reduction in view upon the determination of the Court when the share of the Borough of White Hall is fixed and it will be compelled to assume its liabilities.

I have also been given the information that the assessed valuation of the property proposed for annexation to the City of Pittsburgh is in the amount of \$117,100.00 for land and \$8,395.00 for buildings. On that basis and at the City's present tax rate of

28 mills on land and 14 mills on buildings the tax levy due to the City would be \$3,396.33.

In view of these circumstances it is our opinion that the annexation would result beneficially to the City of Pittsburgh.

Very truly yours,

Bennett Rodgers,
Ass't City Solicitor.

DEPARTMENT OF PUBLIC WORKS

March 20, 1950.

Subject: Annexation of a Portion
of Baldwin Township.

Committee on Finance

Council, City of Pittsburgh

Gentlemen:

At a meeting of your Committee held March 14, Bill No. 532, an ordinance approving the prayer of the petition for annexation of a tract of land, now in the Township of Baldwin into the City of Pittsburgh, was referred to this and other departments for reports.

We have examined plans showing this tract of land and believe there is no reason why this should not be annexed to the City of Pittsburgh. There is no immediate need for the construction of sewers or water lines. The City will have to assume responsibility for the maintenance of the existing public roads.

The easterly end of this property is contiguous to the 31st Ward former Hays Borough, and the westerly end joins the 16th Ward at Becks Run road. Access to the property is by Becks Run road, Glass Run road and Agnew road.

Yours very truly,

James S. Devlin, Director
Department of Public Works.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

The Chair:

There has been some discussion during the last ten or fifteen minutes relative to Baldwin Township.

Mr. Duff:

Mr. President: I understand there are some parties in the Chamber who wish to be heard in reference to this bill. I don't see why we cannot pass it on three readings and lay over the final passage until we have heard them. Depending on these arguments will be our final decision as to this bill. Council can recess until these arguments are heard.

Mr. Gallagher presented

No. 577. Report of the Committee on Public Works for March 15, 1950, transmitting sundry ordinances to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 292. Which motion prevailed.

And the bills were read a second time and agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also

Bill No. 291. An Ordinance entitled, "An Ordinance amending Zoning Ordinance No. 372, approved August 9, 1923, Zone Map Sheet Z-N10-W15, by changing from a Heavy Industrial, One Hundred and Twenty-five Foot and Fifth Area District to an 'A' Residence, Thirty-five Foot and Second Area District, all those certain properties bounded by Youghiogheny street; Middletown road; the northerly lines of the present 'A' Residence District south of Harlow street; Wind Gap avenue; the northerly line of the present 'A' Residence District south of Harlow street; Clymer way; Chartiers avenue; Haven street; the northerly line of the present 'A' Residence District south of Chartiers avenue; Mendon way; Belhurst avenue; Mayfair street; Summerdale street; the southeasterly line of the right-of-way of Ohio Connecting Railway Company; and Edmore street."

Which was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Duff:

Mr. President: With reference to Bill No. 291, I regret that I cannot vote for this bill. Concerning the large area which is embraced in this bill warrants a change of zoning, but I feel there is a certain portion that would not be properly included in a residential area. I refer to that portion which abutts the Ohio Connecting Railroad.

In its present form, I feel that portion which lies in such close proximity to the railroad would not be adapted to residential use and would be subject to noise and vibration of railroad traffic. This is particularly true with respect to this particular tract when we take into consideration the fact that this Railroad connects with a switching yard so that the traffic is going through there much more frequently than you would find on a railroad outside the City on a main track.

The result will be, if we pass this bill in its present form, you will have an area there which will never be adapted to residential use and the passage of the ordinance will prevent the utilization of this property for other purposes.

While I am against the present zoning in that particular area as Heavy Industrial, I think it might be well to provide for Light Industrial. In these days of modern machinery we might have industry which would not affect the surrounding neighborhood. We have to bear in mind that we need industrial sites in our City, and if we take that property which is suitable for light manufacture and put it in a residential zone, under such usage the use might not be availed of, and you will have a piece of dead land lying down there.

For that reason I feel I cannot vote for it in its present form.

And the bill as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

MOTIONS AND RESOLUTIONS

Mr. Fagan presented

No. 581. Whereas, Friday, April 7, 1950, will be Good Friday, and Saturday, April 8th, immediately precedes the great religious holiday of Easter Sunday; Now, therefore, be it

Resolved, That, in recognition of this sacred season, the Directors of the various departments of the City Government are informed that it is the sense of Council that all employers whose presence are not essential in the various departments on Saturday, April 8th, shall be excused from duty; and be it further

Resolved, That the business firms in the City of Pittsburgh are respectfully requested to cause the cessation of business affairs where possible between the hours of 12 noon and 3 o'clock, P. M., on Good Friday.

Which was read.

Mr. Fagan moved

The adoption of the resolution.

Mr. Fagan:

Mr. President: I would like to say a word or two.

From the best sources of information one-third of the people of the world today are under the rule of dictators or a totalitarian system of government.

It is a little later than the average person thinks. This is Holy year, not only for Catholics, but for Christians and Jews and everybody else.

It is about time that most of us got down on our knees and lifted our minds and hearts to God.

We are passing through one of the greatest periods in the history of the world, and I think we should give everybody an opportunity to observe Good Friday in the proper manner, and that is my reason for introducing this resolution.

And the question recurring on the adoption of the resolution, the motion prevailed.

The Chair presented

Absent: Mr. Leonard.

The Chair took up

Bill No. 532. An Ordinance entitled, "An Ordinance approving the prayer of a Petition for the annexation of a tract of land now in the Township of Baldwin into the City of Pittsburgh."

In Council, March 20, 1950, bill read, rule suspended, read a second time and laid on the table.

Which was read.

The Chair: I think we should have in the record an account of what has transpired.

Mr. Duff, will you give us an explanation of what has taken place?

Mr. Duff:

Mr. President: When this bill came up for consideration before this body yesterday, certain officials of Baldwin Township appeared before us and asked leave to be heard. They said they had rather brief notice of the proposed action on the part of the City.

We thereupon held a conference with them, at which the officials of the Township represented to the members of Council that they were about to present a petition to Quarter Sessions Court for the purpose of incorporating a borough, which would include the property which is embraced in the present bill.

It was further represented to Coun-

cil that if we would pass this bill it would involve the preparation and obtaining the signatures on a new petition. Inasmuch as the petition that they had already prepared had approximately three thousand names, they thought it would be an unreasonable hardship upon them.

We have made inquiries since that time and have ascertained that in a case like this, where the land is unseated and unimproved that it is competent for the Court to entertain their petition and permit an amendment of it so that the lines in the proposed borough may be changed so that they are in accordance with the territory they desire to become a part of the proposed borough.

That is about the main objection upon which these parties relied—that they had no power to amend.

In view of the fact that we are advised that such amendment may be made in Court, we see no reason why the bill should not be enacted.

And the bill as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Demmler	Weir
Duff	Wolk
Gallagher	Kilgallen, (Pres't).
Stewart	

Noes: Mr. Fagan.

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Health, in letters addressed to the Mayor and the City Controller under date of March 21, 1950, has stated there is presently employed in the Bureau of Infectious Diseases, Tuberculosis Hospital, Five (5) Ward Supervisors (Nurses) and Forty-five (45) Nurses, as provided in Section 25 of Ordinance No. 621 in the Department of Public Health, Bureau of Infectious Diseases; and

Whereas, The Director of the Department of Public Health has further stated that it is necessary to increase the number of Ward Supervisors (Nurses) from Five to Six and Nurses from Forty-five to Forty-six, for the reason that there has been an increase of the patient load at the Tuberculosis Hospital with the result

that additional help must be added to render adequate hospital care and treatment to the patients; and

Whereas, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, we, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the employment of one (1) additional Ward Supervisor (Nurse) and one (1) additional Nurse in the Department of Public Health, Bureau of Infectious Diseases, Tuberculosis Hospital, for the purposes above set forth.

DAVID L. LAWRENCE,
Mayor.

EDWARD R. FREY,

partment of Public Works on Bill No. 570, Communication from D. L. Kennedy, President, D. J. Kennedy Company, for the purchase of property known as Pittsburgh Gravel Company, located on Allegheny River, adjacent to the United States Government property, the Pennsylvania Railroad property, and near Brilliant Pumping Station.

Which were read and referred to the Committee on Lands, Buildings and Housing.

Mr. Duff presented

No. 651.

Whereas, Pittsburgh is the birthplace of Radio Broadcasting and has always been a pioneer and leader in Radio Broadcasting and allied manufacturing industries; and

Whereas, Television although a new and recent development in the general field of broadcasting is now an essential public service; and

Whereas, Adequate television broadcast facilities are a basic essential to the growth and progress of all industries relating to and dependent upon broadcasting; and,

Whereas, The Federal Communications Commission has unfairly discriminated against the City of Pittsburgh by proposing to allocate only four television stations to the Pittsburgh Metropolitan District; and,

Whereas, The Metropolitan Districts of San Francisco, St. Louis, Cleveland, Baltimore, Washington and Cincinnati, all considerably smaller in population than the Pittsburgh Metropolitan District have been allocated five or more television stations and the allocation of television channels is an unfair discrimination against the City of Pittsburgh and contrary to the provisions of the Communications Act of 1934; and

Whereas, Although a sufficient number of applications are on file with the Federal Communications Commission to provide for assignment of all the allocated television facilities, only one station has been authorized and

is in operation, leaving the Pittsburgh area the largest in the United States with only one operating television station; and,

Whereas, The failure of the Federal Communications Commission to issue authorization for additional television stations in Pittsburgh is attributed to a suspension of the processing of applications by said Commission pending a review of the Commission's regulation concerning television; and

Whereas, Since studies and measurements in the Pittsburgh area made available to the Federal Communications Commission have definitely shown that because of the hilly and mountainous terrain of the Pittsburgh area, the television channels in the ultra-high frequency band will not provide satisfactory coverage in the Pittsburgh area, therefore television channels assigned to Pittsburgh should all be in the very high frequency band; and,

Whereas, A delay of a year to three years or more in the establishing of such additional facilities will grievously injure Pittsburgh Industries and residences, and will seriously if not permanently, impair the ability of Pittsburgh to compete with its other rivals in this field; Now, Therefore, be it

Resolved, That the Mayor and the Members of Council of the City of Pittsburgh request the delegation of the State of Pennsylvania to the 81st Congress to take all necessary and appropriate steps to secure the authorization for the operation of four additional television facilities in the City of Pittsburgh; and be it further

Resolved, That the Federal Communications Commission be urged to allocate such additional television facilities to the City of Pittsburgh; and be it further

Resolved, That the City Clerk be and he is hereby directed to send a copy of this Resolution to Senator Francis J. Myers and Senator Edward Martin, to each Representative from the Commonwealth of Pennsylvania in

the 81st Congress, and the members of the Federal Communications Commission in Washington.

Mr. Duff moved

The adoption of the resolution.

Mr. Demmler:

Mr. President: The only remark I wish to make is that the Dumont Television Laboratory people, who have the present station in Pittsburgh, have never opposed the granting of any additional channels in Pittsburgh, but have rather favored it.

And the question recurring on the adoption of the resolution, the motion prevailed.

Mr. Demmler:

Mr. President: In this morning's paper there is a picture of a line of people waiting to go into the Phipps Conservatory in Schenley Park as of yesterday afternoon. I looked in my edition but was unable to find any other news item regarding it.

I would like to place on the record the fact that on Saturday, April 1st, there were over 6,200 people who went to see the Flower Show, and yesterday, from the opening until 5 o'clock, 13,553 persons went through the Conservatory. How many persons went there in the evening I do not know. Neither do I know how many people went away without seeing the show when they saw how many people were there and went away when they saw the line of people, but there were hundreds of people who were unable to get into the Conservatory at closing time in the afternoon.

Mr. Gallagher:

Mr. President: I would ask that special consideration be given to Bill No. 496, An Ordinance amending Section 53, Division of Inspection, Bureau of Building Inspection, of the Salary Ordinance, which provides for a reduction of the Building Inspectors from 12 to 11, and in lieu thereof 3 Patrol Inspectors instead of 2. This bill to be considered by the Committee on Finance at its meeting Tuesday, April 4th. Instead of Council adjourning when it completes its business today,

I will ask that it recess until Wednesday, April 5th, at 2:00 o'clock, P. M., when final consideration can be given to Bill No. 496 if it is again affirmed in the Committee on Finance which meets tomorrow.

The Chair welcomed Dr. Samuel J. Hughes and a group of students of the Social Science Class of Peabody High School who were present at the Council meeting. He explained the procedure of Council and was supplemented in his remarks by Messrs. Gallagher and Stewart.

Mr. Stewart lauded Dr. Hughes for his long and valuable work in the public schools and for his writing of several text books in use in the schools. He also stated that Dr. Hughes is one of the best known educators in the City of Pittsburgh.

Mr. Gallagher moved

That Council recess to meet on Wednesday, April 5, 1950, at 2 o'clock, P. M.

Which motion prevailed.

And

Council recessed.

Pittsburgh, Pa.,

Wednesday, April 5, 1950.

And the hour of 2:00 o'clock, P. M., having arrived and the time of the recess having expired, Council reconvened, and there were

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Weir
Duff	Wolk.
Fagan	Kilgallen, (Pres't)
Gallagher	

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

The Chair presented

No. 653. Resolved, That the Mayor be and he is hereby requested to return, without action thereon, Bill No. 651, Resolution requesting the members of the 81st Congress to authorize the Federal Communications Commission to grant permits to four additional television stations in Pittsburgh.

Which was read.

Mr. Duff moved

The adoption of the resolution.

Which motion prevailed.

And the Mayor having returned, without action thereon,

Bill No. 651. Resolution requesting the members of the 81st Congress to authorize the Federal Communications Commission to grant permits

to four additional television stations in Pittsburgh.

In Council, April 3, 1950, read and adopted.

Which was read.

Mr. Duff moved

To reconsider the vote by which the resolution was read and adopted.

Which motion prevailed.

And the question recurring, "Shall the resolution be read and adopted?"

The motion did not prevail.

Mr. Duff moved

That the resolution be laid on the table.

Which motion prevailed.

Mr. Duff presented

No. 654.

Whereas, Pittsburgh is the birthplace of Radio Broadcasting and has always been a pioneer and leader in Radio Broadcasting and manufacturing and the many allied industries; and

Whereas, Many residents of Pittsburgh are gainfully employed in said vocation and rely thereon for their livelihood, including technicians, actors, musicians, scientists, management, advertising and research personnel; and

Whereas, Television is a new and recent development in the general field of broadcasting that is now essential public service; and

Whereas, The current progress of Pittsburgh as an Industrial and Commercial center is widely recognized as being outstanding among the metropolitan centers in the nation; and her accomplishments as a scientific and cultural center are acknowledged; and

Whereas, Adequate television broadcast facilities are a basic essential to the growth and progress of all industries relating to and dependent upon broadcasting; and

Whereas, The Federal Communications Commission has unfairly discriminated against the City of Pittsburgh by proposing to allocate only four television stations to the Pittsburgh Metropolitan District; and

Whereas, The Metropolitan Districts of San Francisco, St. Louis, Cleveland, Baltimore, Washington and Cincinnati, all considerably smaller in population than Pittsburgh, have been allocated five or more television stations, such allocation of television channels is an unfair discrimination against the City of Pittsburgh and contrary to the provisions of the Communications Act of 1934; and

Whereas, Although a sufficient number of applications are on file with the Federal Communications Commission to provide for assignment of all the allocated television facilities, only one station has been authorized and is in operation, leaving the Pittsburgh area the largest in the United States with only one operating television station; and

Whereas, The failure of the Federal Communications Commission to issue authorization for additional television stations in Pittsburgh is attributed to a suspension of the processing of applications by said Commission pending a review of the Commission's regulation concerning television; and

Whereas, When the Federal Communications Commission suspended its processing of applications 18 months ago (September, 1948) there had been pending for many months applications for all the facilities allocated to Pittsburgh; and

Whereas, The Federal Communications Commission's review of its regulations, with the added problem of color television, has developed into a complex and time-consuming procedure which will further delay the commencement of additional television operations in Pittsburgh for at least a year and perhaps for another two or three years; and

Whereas, Since studies and measurements in the Pittsburgh area made available to the Federal Communications Commission have definitely shown that because of the hilly and mountainous terrain of the Pittsburgh area, the television channels in the ultra-high frequency band will not provide satisfactory coverage in the Pittsburgh

area, therefore television channels assigned to Pittsburgh should all be in the very high frequency band; and

Whereas, Since the Federal Communications Commission, in its desire to protect the public, has indicated that color television should operate in the normal six megacycle band and that a color television system should be compatible with the present black and white system, there seems to be no reason why the Commission should not proceed immediately with the assignment of additional television channels on a black and white basis; and

Whereas, A delay of a year to three years or more in the establishing of such additional facilities will grievously injure Pittsburgh industries and residents, and will seriously, if not permanently, impair the ability of Pittsburgh to compete with its other rivals in this field; Now, therefore, be it

Resolved, That the Mayor and the Members of Council of the City of Pittsburgh request the delegation of the State of Pennsylvania to the 81st Congress to take all necessary and appropriate steps to secure the authorization for the operation of additional television facilities in the City of Pittsburgh; and be it further

Resolved, That the Federal Communications Commission be urged to allocate such additional television facilities to the City of Pittsburgh; and be it further

Resolved, That the City Clerk be and he is hereby directed to send a copy of this Resolution to Senator Francis J. Myers and Senator Edward Martin, to each Representative from the Commonwealth of Pennsylvania in the 81st Congress, and the members of the Federal Communications Commission in Washington.

Which was read.

Mr. Duff moved

The adoption of the resolution.

Mr. Fagan:

Mr. President: I hope it is understood that Council is very much in favor of television and that its pro-

duction be on a high moral plane.

And the question recurring on the adoption of the resolution, the motion prevailed.

Mr. Weir moved

That the Minutes of Council of Monday, March 27, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Weir

Council adjourned.

Resolved, That the organizations herein listed shall submit invoices signed by the proper officers for approval by the Finance Committee of Council before disbursement is made by the City Controller.

Which was read.

Also

Bill No. 736. Resolution accepting with gratitude and expressing Council's sincere appreciation to the Pittsburgh Park and Playground Society for the generous gift of \$1,000.00 for furnishing playground equipment in the parklet to be constructed at 54th and Duncan streets, 10th Ward.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

Also

Bill No. 717. Resolution authorizing the issuing of a warrant in favor of the Pittsburgh Hospital Association in the sum of \$77.40, being balance of hospitalization due on the account of Peyton Moon, an employee of the Bureau of Water, who was in-

jured on October 20, 1949, when he fell while gathering hay from the tops of filters at the Filtration Plant, sustaining serious injury to his spinal column, chargeable to Code Account 44.

Which was read.

Also

Bill No. 718. Resolution authorizing the issuing of a warrant in favor of C. A. Wright in the sum of \$146.50, in full settlement of his claim against the City for extra expense in trying to find old ferrule connection due to faulty records of Bureau of Water, during August, 1949, at 161 Greenfield avenue, and charging same to Code Account No. 46, Judgments.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't).
Leonard	

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolutions passed finally.

Mr. Wolk presented

No. 792. Report of the Committee on Public Service and Surveys for April 25, 1950, transmitting two ordinances to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 738. An Ordinance entitled, "An Ordinance granting unto the Keystone Plumbing Sales Company, its successors or assigns, the right and privilege to construct, maintain and use a vault in the southerly sidewalk area of 5648 Penn avenue, and ad-

joining its property in the Eighth Ward, Pittsburgh, Pennsylvania."

Which was read.

Also

Bill No. 739. An Ordinance entitled, "An Ordinance amending Ordinance No. 543, entitled, 'An Ordinance fixing the width and position of the sidewalks and roadway, providing for slopes, landscaping, retaining walls and steps, and establishing the grade of Ariston street, between Lucina street and Spokane avenue,' approved November 22, 1949."

Which was read.

Mr Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time and agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. Leonard presented

No. 793. Report of the Committee on Public Safety for April 25, 1950, transmitting two ordinances to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 693. An Ordinance entitled, "An Ordinance amending Chapter 23 of Ordinance No. 300, approved August 6, 1947, known as the Building Code."

Which was read.

Which was read.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time.

Mr. Leonard:

Mr. President: I met with Mr. Taylor, Superintendent of the Bureau of Building Inspection, after the last Committee meeting relative to these changes in the Building Code. I explained to him that on account of the Building Code being so voluminous the members of Council were not able to digest everything in it, and I thought any time the Board of Standards and Appeals recommends a change that it not only send the bill but also send an explanation in writing to Council. I told him my name appeared on the bills as Chairman of the Public Safety Committee and I would like an explanation in writing what these changes contemplate. He said this would be done in the future.

The Chair:

That is so right and so obvious, it ought to be done.

And the bills, as read a second time, were agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. Weir presented

No. 794. Report of the Committee on Health and Sanitation for April 25, 1950, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 737. An Ordinance entitled, "An Ordinance providing for the letting of a contract for placing fire insurance for a term of three years on the contents and buildings at the Pittsburgh Tuberculosis Sanatorium, Washington boulevard, and the Municipal Hospital, Terrace and Darragh streets, and for the payment thereof."

Which was read.

Mr. Weir moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Fagan presented

No. 795. Report of the Committee on Lands, Buildings and Housing for April 25, 1950, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

No. 895.

Whereas, The Duquesne Light Company, on February 6, 1950, filed with the Pennsylvania Public Utility Commission, to become effective April 10, 1950, extensive changes and increases to existing tariffs affecting 398,000 customers in 144 communities in Allegheny and Beaver Counties and increasing the costs of electric service to the customers by more than \$7,697,000.00; and

Whereas, The Mayor of the City of Pittsburgh directed the City Solicitor to file with the Pennsylvania Public Utility Commission a Complaint against the increased tariffs and to file a Petition for their suspension until an investigation and hearing was held; and

Whereas, The increased rates have been suspended for six months and investigation and hearing are now being conducted by the Pennsylvania Public Utility Commission; and

Whereas, The extensive character of the proposed increases and changes in tariffs will require the services of engineers, accountants, analysts, rate specialists and other public utility experts in the preparation and presentation of engineering and other technical evidence on behalf of the rate-payers, all of which will involve substantial expenditures, which should be incurred by all the communities affected;

Now, therefore, be it

Resolved, That the Mayor of the City of Pittsburgh be, and he is hereby authorized and directed to communicate with the officials of all the communities affected by the proposed increased rates, as shown on Exhibit "A" attached to this Resolution, inviting said officials to meet and confer with the Mayor, the Council and the City Solicitor of the City of Pittsburgh, for the purpose of making financial contributions towards the necessary expenditures for expert witnesses to sustain the Complaint against the proposed increase of over \$7,697,000.00 to the ratepayers.

No. 908.

DEPARTMENTS OF LANDS AND BUILDINGS

May 18, 1950.

President and Members of Council,
City of Pittsburgh.

Gentlemen:

We have received a corrected statement from the Department of Public Works as to the amount of square feet of street that will be closed in conjunction with the Heinz Company improvements.

Instead of 99,288 sq. ft. there will only be 93,483 sq. ft. It seems that the Department of Public Works was basing calculations on two of the streets being 20 ft. wide and they are only 16 ft. wide; so at the agreed upon price of 45 cents per sq. ft. the

charge for closing this street area should be \$42,067.35 instead of \$44,679.00.

Yours very truly,

Homer R. Greene,

Director.

Which was read, received and filed.

Also

BILL NO. 909.

Pittsburgh, Pa.,

May 19, 1950.

Council of the City of Pittsburgh,

Fifth Floor,

City-County Building,

Pittsburgh, Pennsylvania.

Gentlemen:

On Monday, May 15, 1950, there was introduced into Council a proposed Ordinance to provide for an agreement with the H. J. Heinz Company covering the vacation of United way and certain portions of Progress street, Carpenter way and Saw Mill alley, as well as proposed Ordinances for such vacations. These proposed Ordinances were presented at the request of the H. J. Heinz Company.

It is my understanding that all of these proposed Ordinances are scheduled to come before Council on Monday, May 22, 1950, to be considered for final passage. The H. J. Heinz Company has asked me to request of you that consideration for final passage of the Ordinances be postponed from May 22, 1950, to May 29, 1950.

Yours very truly,

Frank W. Ittel,

Attorney for

H. J. Heinz Company.

Which was read, received and filed.

Mr. Wolk moved

That the bill be amended in Section 1, Paragraph 2, Sub-section (a) by striking out the words, "Forty-four Thousand Six Hundred Seventy-nine (\$44,679.00) Dollars" and by inserting in lieu thereof the words, "Forty-two Thousand Sixty-seven and 35/100 (\$42,067.35) Dollars."

Which motion prevailed.

And the bill having been printed as amended and placed on the members' desks, was agreed to on second reading, as amended.

Mr. Wolk moved

That the bill be laid over.

Which motion prevailed.

Mr. Leonard presented

No. 910. Report of the Committee on Public Safety for May 16, 1950, transmitting an ordinance and a resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 855. An Ordinance entitled, "An Ordinance providing for the letting of a contract or contracts for the furnishing and delivery of beds, mattresses, etc., for the Bureau of Fire, Department of Public Safety, and for the payment thereof."

Which was read.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Demmler

Duff

Fagan

Gallagher

Leonard

Stewart

Wolk

Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 835. Resolution requesting the Bureau of Traffic Planning, the Department of Public Works, and the County of Allegheny to make

a study of traffic problem at Traffic Circle on Ohio River Boulevard at McKees Rocks Bridge, and report recommendations to Council for solution.

Which was read.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Leonard
Duff	Stewart
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Mr. Fagan presented

No. 911. Report of the Committee on Lands, Buildings and Housing for May 16, 1953, transmitting sundry resolutions to Council.

Which was read, received and filed.

Which was read.

Also

Bill No. 849. Resolution authorizing the sale to Wilbert P. Zeller and Margaret A. Zeller, his wife, property on Vodell street, corner of Palm Beach avenue, being Lot No. 113 in the Lomergan Plan, for the sum of \$800.00.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second time.

Mr. Leonard:

Mr. President: This is a pretty difficult matter to vote on—the sale of real estate. For years we used to advocate to get real estate on the tax books because we never used the term “bargain price.” I know I never did. We did what we thought was sensible in order to get this property back on the tax books. Now, if there is a hundred dollars difference in a lot or if somebody in the neighborhood doesn't like somebody else they come in to Court and pay a hundred dollars more to get it. We go by our experts. Our expert is a former President of the Pittsburgh Real Estate Board, who is lambasted for it too. What are we supposed to do? We couldn't let this back-log of property go on here, but we are liable to be tagged on any one of these pieces of property. I am starting to scratch my head to know what we are supposed to do about real estate.

Mr. Demmler:

Mr. President: I have no hesitancy whatever in voting for the sale of these lots. The procedure is directly

in accordance with the law, and it is only right the Director of the Department of Lands and Buildings sends up to us what is supposed to be reasonable for this property held by the City. Anyone who objects or wishes to offer a higher price has the right to go before the Court or notify our Department of Lands and Buildings and our department will immediately see that it is noted and then the Judge can set a hearing on which other offers can be received.

Again, speaking for myself, I state I have no hesitancy in voting for the sale of these properties.

Mr. Weir:

Mr. President: I think there has been considerable misunderstanding about the whole thing. I do not agree with the statement "bargain prices." I do not think the Director of the Department of Lands and Buildings always feels that the prices that we agree to sell these for is a fair price, but the custom has grown up among the real estate people, knowing that there is going to be a sale, and knowing that later on they can bid, won't offer what the property is really worth. It would be better for us to have a better public understanding of the whole problem, if we would rate the price submitted as a minimum guaranteed bid instead of being the sales price. In reality, that is all it is.

Director Greene has stated, and I think it is absolutely true, that in some of these more valuable properties they all know perfectly well that there is going to be a higher price bid in Court. Nobody is being fooled and there is nothing wrong under the whole thing as it is now written.

But evidently some of the stories that have appeared in the papers, are either through a misunderstanding or lack of understanding of this law, and we are, I believe, being unjustly criticized. The misunderstanding results from that very thought, which is in error, that this sale, in every instance, is what the Director feels the property to be worth. He either has to let that property stay there or he has to agree to take the price, knowing full well that

in Court it is going to bring a higher price. I think if the people understood why this is happening this way we would not be in this position every time it happens. I understand there are more sales coming up.

Mr. Gallagher:

Mr. President: I think before this criticism came out in the newspaper of Council selling lots, I think, if we would have given the lots away the City would be ahead. In many cases the lots were sold at fair and reasonable prices and the people bought the lots to build homes, and in that way we got taxes, hundreds of thousands of dollars we would not have gotten. I think we would be ahead if the City would give the property away for a dollar.

The Chair: I believe that Director Greene has done a most excellent and commendable job of disposing of publicly owned property. As Mr. Gallagher has said, for generations the tax sales have resulted in the City becoming the owner of many properties. For the past decade this Council has been devoting itself to that problem. I remember when we seriously considered disposing of lots throughout the City for a dollar a lot, and we were going to do it had the law permitted. We knew that the sale of a city-owned piece of property was a minor problem. It was the ever recurring income in the form of taxes that interested us. It is a far different matter than a private sale between private citizens. But with us we get consideration from then on to eternity, so long as it is privately owned we get an annual income, and what man in the City of Pittsburgh if he had a piece of property would not dispose of it at a very low sum if he knew that he and his heirs were going to get an annual income from it.

What this City needs is a pro-administration paper. The three papers are violently opposed to us and if you want to know what is happening you must read an out-of-town paper or a national magazine. I was particularly disturbed last week that once again I read where the Court had received

a higher bid than we had considered. As Mr. Weir explained, we understand that when these sales are passed there is later going to be an auction in Court, but the only way we can have that sale is to pass the bill here. If we turn down the sale here that auction sale will never be held. As I say, I was just a little bit irritated by reading that once again the City had approved the sale of this property and that sale had been enhanced by the Court.

That is factually true, but it is not in the least to our discredit. A newspaper reader would think otherwise.

Mr. Duff:

Mr. President: The relation of the City to property which is acquired by the non-payment of taxes is essentially different from that of the private owner of property. A private owner can hold property until he gets the best price, in his judgment, suffering only the duty of paying the taxes as they accrue from time to time. The City, on the other hand, receives no taxes while the property is so held, so it becomes the duty to restore the property to the tax rolls as soon as possible.

The method which we pursue in the sale of publicly owned property is analogous to the procedure in the Courts of Common Pleas and Orphans Court of Allegheny County and throughout the State where authority to make a private sale is sought by an executor or trustee. In such case a petition is presented to the court, an advertisement is had and a time fixed for a hearing on the petition when bid is offered in excess of the amount offered. I have seen numerous cases in these Courts where substantial increases over and above the price offered by the petitioner have been made, and yet the petitioner has asserted in the petition that the price as set forth in the petition is fair and reasonable.

I have no fear of criticism in the matter of these sales so long as we exercise intelligent and honest judgment, and I have no hesitancy in stating I am of the opinion that Mr.

Greene and Council, in all instances exercises an honest and intelligent judgment. True it is that we make mistakes, but when human nature has advanced to such a stage of development that it no longer makes mistakes we will be wearing wings and not sitting in this chamber.

Mr. Fagan:

Mr. President: I am not rising for the purpose of influencing any of the members' votes in Council for the bills I have presented here this afternoon.

I want to say to the President and members of Council and to the citizens of this great community of ours that I have no scruples in voting for the bills that have to do with the legislation that is now before Council, in disposing of certain pieces of property in the City of Pittsburgh.

The bills now before Council have the approval of the representatives of the Pittsburgh Board of Education and the representatives of the County Commissioners. We go out and look at this property, and as Councilman Leonard has said, we have Homer Greene, who is past President of the Real Estate Board of Pittsburgh. Mr. Nichols represents the County Commissioners in every piece of property we look at and finally agree on a price, and it is taken back to the three County Commissioners. Mr. McMahon, who was at the last meeting, representing the Pittsburgh School Board, takes it back to either the Manager or the Superintendent of Schools. Some times we go out and look at this property collectively and some times we go separately, and then we sit down every Thursday morning in Homer Greene's office and go over every property that we have so that it may be submitted to the Council and properly sold or later go to the Courts of Allegheny County and be auctioned off. The pieces of property that Sam Weiss auctioned off a week or ten days ago, a price was fixed on it five years ago. The three taxing bodies here try to get every penny they can for the City, County and School Board, and as Councilman Duff

has stated it must come before Council before it can go to the Courts of Allegheny County.

It is unfortunate that somebody has taken advantage of us, trying to make Council the goat for a lot of things in regard to the sale of lots that belong to the City, County and School Board. In the first place there is a period of redemption that lasts for a year and we cannot get a penny of taxes or anything else. If he cannot redeem it, it is either put up for Sheriff's sale or Treasurer's sale. We feel we have Competent agents looking after the interests and welfare of the taxpayers of the City of Pittsburgh.

I have been in public life for a number of years and I have always been fighting for constructive criticism. It is good for the individual or organization or institution but I resent with all the force at my command destructive criticism, no matter from whom it comes. I invite constructive criticism, but if I am doing something wrong I want the citizens to come and tell me and I want the editors of the newspapers or the working press to come and tell me if I am doing something wrong, but I don't like destructive criticism because it tears down and destroys.

In this job of mine as a member of City Council, Chairman of the Committee on Lands, Buildings and Housing, I am trying to do an honest, reasonable and fair job. As Councilman Duff said, I will make mistakes, and as President Roosevelt said, if he was right 75% of the time he was figuring he was doing a pretty good job.

We go along and do our job in the best interest of this great City. We expect some criticism and if it is constructive, we welcome it, but if it is destructive I say again, I resent it with all the force at my command.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

MOTIONS AND RESOLUTIONS

Mr. Leonard presented

No. 912. Petition of businessmen fronting on North Homewood avenue, between Hamilton avenue and Bennett street, requesting that immediate action be taken to eliminate present emergency created by the collapse of building at 610 North Homewood avenue.

Which was read.

Mr. Leonard:

Mr. President: If you will notice on that petition, it is signed by all of the business people on Homewood avenue and all those affected by this. This is very serious, and nothing is being done about it as far as I can find out. There is a building threaten-

ing to collapse and there is an excavation next door. The City has roped off the entire block, and there has been nothing done since. The result is that motor vehicle traffic is prohibited on Homewood avenue since Sunday a week ago, and also pedestrian traffic.

Here all of these big stores and business are being ruined on account of it, waiting until this building falls down or collapses.

I do not know who is negligent, it surely is not the City of Pittsburgh, but in the meantime business in that block has to suffer. It is more than a week, and if the building is going to collapse it will collapse into the excavation of the foundation of a new building.

I think if they refuse to take care of this immediately then the City should go out and do it and bill somebody for it. If you will look at it you will see that it is a shack and should never have been stored full of stoves, refrigerators and other appliances. In the first place the building was not built to carry that load, and as a result we have Homewood avenue blocked off, and Donahoe's, A. & P., hardware and shoe stores, etc. have to suffer because people are not allowed on that side of the street. I might be told that it is not Council's business, but it is Council's business.

And the Bill was referred to the Committee on Public Safety.

Mr. Fagan moved

That Mr. Wolk be given a rising vote of thanks for the grand "I Am An American Day" celebration, held Sunday, May 21, 1950, in West Park, North Side, for which he was the sponsor.

Which motion prevailed.

Mr. Wolk moved

That the Minutes of Council of Monday, May 15, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

DEPARTMENT OF LAW

May 26, 1950

Committee on Public Works

Re: Bill No. 628—Zoning Change
Duquesne Slag Products Co.

Gentlemen:

Bill No. 628, a draft of Zoning Map amendment effecting property of the Duquesne Slag Products Company along the Monongahela River near the Homestead Bridge, has been referred to this Department.

The Duquesne Slag Products Company, as an inducement to favorable action on this Bill and to remedy certain conditions complained of by neighboring residents, has submitted a letter dated May 23, 1950 offering to construct a foot bridge over Nine Mile Run road, to widen and resurface the present Nine Mile Run road, and to dedicate and pave a new section of road to connect with the Homestead Bridge approach; all of these things to be done under the supervision and to the satisfaction of the Department of Public Works.

It is our opinion that this letter of May 23, 1950, signed by the President and Secretary and expressly ratified

by the Board of Directors at a meeting held May 25, 1950, constitutes an offer. The City's action in enacting the zone change proposed in Bill No. 628 will constitute an acceptance of the offer and thereupon the letter of May 23, 1950, will become an undertaking binding upon the Duquesne Slag Products Company.

It is our opinion that the City is protected by the letter of May 23, 1950, and the Certificate of Resolution of the Board of Directors dated May 25, 1950.

Very truly yours,

Bennett Rodgers

First Asst. City Solicitor

CERTIFICATE

I, B. B. Bragdon, Secretary of Duquesne Slag Products Company, a Pennsylvania Corporation, hereby certify that the following resolutions were adopted by a majority of the entire Board of Directors of the Company at a regular meeting duly held at the principal office of the Company, 809 Bingham street, Pittsburgh, Pennsylvania, on May 25, 1950, at 2 o'clock, P. M.:

Whereas, Bill No. 628 is pending before the Council of the City of Pittsburgh relating to a zoning change on property along the Monongahela River lying between the Baltimore & Ohio Railroad Right of Way and the United States Harbor Line.

Now, Therefore, Be It Resolved, That the Board of Directors of Duquesne Slag Products Company hereby ratifies, approves, confirms and adopts as the act of this Company the action of R. O. Dierker, President, and B. B. Bragdon, Secretary, in executing and delivering, under the corporate seal of this Company, to the Council of the City of Pittsburgh a letter dated May 23, 1950, whereunder, if said zoning change is made, this Company agrees at its own cost and expense to erect a foot bridge over Nine Mile Run road, to pave and widen Nine Mile Run road from the B. & O. Railroad

Bridge to the proposed new roadway hereinafter referred to, to construct a new roadway over the Company's property connecting Brown's Hill road with Nine Mile Run road and to dedicate the new roadway to the City.

Witness my hand and the seal of said corporation this 25th day of May, 1950.

B. B. Bragdon,
(Corporate Seal) Secretary
Which was read, received and filed.

No. 941.

May 29, 1950.

President and Members of Council,
City of Pittsburgh,
City-County Building,
Pittsburgh 19, Pa.

Gentlemen:

In connection with Mr. Kilgallen's telephone conversation with our Secretary, Saturday morning, May 27th, relative to the Zoning Bill involving the river end of the Nine Mile Run Hollow, in which he stated that the Bill was affirmatively recommended in Council last Tuesday, and will come up for final passage at a formal meeting of City Council in the Council Chambers at 2:00 p. m. DST, Monday, May 29th, please accept this letter as our protest.

We, the members of the Swisshelm Park Civic Club, who are residents of the 12th District of the 14th Ward, wish to oppose this Bill for reasons indicated in our letter of May 13, 1950. Inasmuch as we were so recently notified of the above mentioned meeting, we ask that you postpone final passage or any consideration of this Bill, pending a further public hearing, by your body, to be held at such a time after proper notification has been given to all interested parties who have entered protest concerning the passage of this Bill, allowing a reasonably sufficient period of time for them to provide proper representation.

We wish to assure you that we are

in a position at any reasonable time to demonstrate the opposition of this, and various other communities, to the passage of a Bill which might open the way to the possibility of a disastrous situation as far as residential community life is concerned.

Although it was indicated that it is not necessary for this organization to send a delegation to the Council meeting, nevertheless, inasmuch as the final passage of this Bill is to be considered, many of the residents who attended a special meeting of our organization on Sunday, May 28th, will assemble at the offices of the Councilmen to contact them individually before the above mentioned meeting scheduled for Monday, May 29th.

Very truly yours,

Swisshelm Park Civic Club
Anna Mae McDermott,
Secretary.

Which was read, received and filed.

Mr. Gallagher:

Mr. President: I think there have been other protests entered since this bill was affirmed in Committee.

Mr. Gallagher moved

That the bill be laid over until after a public hearing has been held.

The Chair:

City Council is considering Bill No. 628, File No. 500, which proposes an amendment to the Zoning Ordinance in the neighborhood of the Monongahela River and the Pittsburgh-Homestead High Level Bridge, and Mr. Gallagher has now moved that this bill be laid over.

And the question recurring on the adoption of the motion, the motion prevailed.

Mr. Wolk:

Mr. President: Inasmuch as so many people are here, I move that a definite time be fixed for a hearing and that it be held Monday, next, June 5, 1950, at 1:30 o'clock, P. M., E. S. T.

Mr. Leonard:

Mr. President: I understand there are quite a few people here today. I

think you should ask if that would give them sufficient time.

The Chair:

I notice some familiar faces here. I select this gentleman, Mr. Protheroe, and ask your opinion as to a hearing next Monday.

Mr. Protheroe:

Mr. President and Members of Council, I believe that will be agreeable, and we appreciate the fact that you give us that consideration.

And the question, recurring on the adoption of the motion, the motion prevailed.

Mr. Fagan presented

No. 942. Report of the Committee on Lands, Buildings and Housing for May 23, 1950, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 882. Resolution authorizing the sale to William R. Braun property on LaMarido street and Mayville avenue, in the Paul Place Plan, for the sum of \$1,680.00.

Which was read.

Also

Bill No. 883. Resolution authorizing the sale to Harry Donley and Mary Donley, his wife, property on Hodgkiss street, for the sum of \$1,500.00.

Which was read.

Also

Bill No. 884. Resolution authorizing the sale to Charles J. Henry and Helen M. Henry, his wife, property on Stafford street, being Lot No. 585 in the Sheraden Terrace Plan, for the sum of \$200.00.

Which was read.

Also

Bill No. 885. Resolution authorizing the sale to Nelson J. Hunter and Clarence E. Field property on Sussex avenue, being Lots Nos. 503 and 504 in the Brookline 4th Plan, for the sum of \$900.00.

Which was read.

Also

Bill No. 886. Resolution authorizing the sale to Henry G. Kreiling property on Susquehanna street, being Lot No. 88 in the Homewood Station Plan, for the sum of \$700.00.

Which was read.

Also

Bill No. 887. Resolution authorizing the sale to Felice Perri & Sons, Inc., property on Edgebrook avenue in the W. C. Stillwagon Plan, for the sum of \$9,622.00.

Which was read.

Also

Bill No. 888. Resolution authorizing the sale to Michael Somma, Jr., and Anna Somma, his wife, property on Westmoreland street, being Lot Nos. 103 and 104 in the Arlington Place Plan, for the sum of \$700.00.

Which was read.

Also

Bill No. 889. Resolution authorizing the sale to Joseph A. Traynor property on Bigelow street, being Lot Nos. 10 and 11 in the Daniel R. Deely Plan, for the sum of \$1,000.00.

Which was read.

Mr. Fagan:

Mr. President: All this legislation before you has the approval of the representatives of the Pittsburgh Board of Education and of the County Commissioners' representatives, and of the Department of Lands and Buildings of the City of Pittsburgh.

The Chair:

It is also true that the City Council well understands that a public auction will be held later, and we will be delighted if better prices can be obtained.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed

And the resolutions were read a second time.

Mr. Leonard:

Mr. President: As for the passage of these property sales today, I am going to vote for them. I realize, as Councilman Pagan stated, that this has been given plenty of study and a fair price arrived at in order to start it. I see nothing wrong and I have seen nothing wrong with the procedure of getting this land back on the tax books, but something must be wrong with the structure. I, personally, cannot see it. But if we have to sit here week after week passing this legislation, and up to this point, I can see nothing wrong with the passing of this legislation, but week after week, after every piece of property is up here, then somebody comes in later and uses the City figure and offers a bigger price.

I am not of a legal mind. I am a layman but if something is wrong with the statute and the City cannot do anything about another procedure on account of the State statute, I ask the question of the legal minds, what can we do under a city ordinance to avoid this? I am told we cannot do anything under a city ordinance but we will have to wait for the State Legislature to go into session in order to pass a new act to regulate property sales.

I am only one of nine men here, and I am surely not afraid of public criticism in the press, because I think I have got my share of it as much as anybody else, but it is disturbing me week after week when you are here trying to get this property back on the tax books through these sales and then you are only starting it for an auction sale in the Court of Common Pleas. It makes us look a little ridiculous. We are doing what we think is right. I think the Board of Public Education is guided by its experts and I think the County is guided by its experts, but still every time we make a land sale transaction we look ridiculous.

I said in the conference this morning, and I repeat, only where it is absolutely necessary should this Council pass another land sale until we get a new kind of a set-up here and

until we know we are intelligently voting. I don't want to go out and see where we recommend a piece of property for \$90,000 and the Court of Common Pleas, a few days later, holds an auction and gets \$50,000 more. I know that is the situation, but we are not getting the right explanation of it, and I do not know how we can continue to sell land. I, as one public official do not want to be voting for a thousand dollars and we agree to sell for a thousand dollars and somebody agrees to pay two thousand dollars and we read about it in the newspapers and it looks like we are talking through our hats. In my twelve years in Council that has never been the case but still we are the "scape goat." We knew that was going to happen when it went to Common Pleas Court. I read the editorial in the Post-Gazette this morning. I am not afraid of public criticism, and I do not care whether it is good or bad, I am going to say what is on my mind. I think I would be neglecting my duty if I voted for real estate sales under these conditions.

I am not a lawyer, but the City has a Law Department and let them show us what is the right thing to do. I do not think we ought to sell real estate from here in until we have a proper statute that we can defend ourselves on the prices of land.

The Chair:

Gentlemen of Council, the Board of County Commissioners, the Board of Public Education and this Council are doing a splendid job in disposing of publicly-owned property. For myself, I have a contrary viewpoint than that expressed by Mr. Leonard. So far, as I am concerned, I intend to continue doing just what we have been doing, selling properties at the best prices we can obtain.

We are never going to get away from criticism on this or any other problem confronting City Hall until we have newspapers which fairly and accurately give the news to the people of Pittsburgh. You could read every newspaper account that has been written in connection with this matter and you could read every editorial

and you would never be told that the Board of Education approved every one of these sales before City Council approved them. You would never be told that the Board of County Commissioners approved every sale before this Council approved them. You would never be told that unless we approved these sales they would never be sold.

Today we have approved some eight, nine or ten sales of different pieces of property. Our choice is either to approve them or disapprove them. If we disapprove them, that is the end of that sale. Many of these properties we have been working for years to get back into private hands, and now today, is a day of our choice. Do we approve or disapprove the sale? If we disapprove, it will be years before it comes up and all these taxes will be lost. If we approve it, it must then go before the Court of Common Pleas for approval. It is not a case of them having a good auctioneer up there. It is not a case of the Court of Common Pleas having a better idea than this Council has, or the Board of County Commissioners has or a better idea than the Board of Public Education. It is only a case of the Board of Public Education, the County, and the City saying to the world, "Here is a piece of property that the three taxing bodies offer for sale at the present time and present price is so much; will anybody bid more?"

Now, people of Pittsburgh, this Council is delighted when anybody comes forward and offers more money than anybody else has for a piece of property we have sold.

I say again and I will continue to say that this administration, the Board of County Commissioners and the Board of Public Education are all together in this thing. It is not a City proposition. It is the combined taxing bodies' proposition.

Will the newspaper reporters please take note and give the people of Pittsburgh an accurate account of the the splendid job we are doing in disposing of this jointly-owned property?
Mr. Duff:

Mr. President: I do not approve Mr. Leonard's suggestion for the reason that pending the enactment of necessary legislation to change the procedure, the City would be deprived of a large amount of revenue, which we sorely need at this time. Real estate has no absolute value, depending as it does on many personal considerations, and so long as this condition surrounds the sale of real estate we are not going to have any unanimity in the value of the property to be sold. All we can do, in the first instance is to follow the terms of the statute and accept the price which the Director of the Department of Lands and Buildings, who by the way is a competent real estate man, and the Board of Public Education and the County Commissioners, through their representatives, have set for the particular lot. As long as they determine what is reasonable, then we have done our full duty. The fact that when it comes up for approval by the Court somebody else may offer a substantial amount in excess of the amount we deem to be reasonable, in no way, in my opinion, affects the honesty and the validity of our judgment here in passing legislation of this character. I, for one, am going to vote for the immediate enactment of these bills.

Mr. Leonard:

Mr. President: I said I was going to vote for the sale of this property, I did not say I was not going to vote, but I said I thought that some way or another, we should get a different system.

I think we have done a tremendous job in getting this property back on the tax books. I can remember when the City had a lot of property and was wondering what to do to get it back on the tax books.

I am asking you, as a lawyer, what can we do to write a law that will back this Council.

The Chair:

No such law can be enacted. We have a hostile press.

Mr. Leonard:

Mr. President: I would not worry

about that. Maybe you do not care, but I do care. Maybe I do not know enough about law, but I do care when week after week I pick up the paper and week after week it says that the City sells property for \$90,000 and the Judge got \$150,000, because I could not vote for \$150,000 as well as \$90,000.

The Chair:

Let us pass a law that the newspapers give the facts.

Mr. Fagan:

Mr. President: I have before me Files of Council of the City of Pittsburgh, Series 1950. File No. 493, Bill No. 886, presented by your humble servant—Mr. Fagan,—In Committee on Lands, Buildings and Housing, May 23, 1950, affirmatively recommended. It reads:

"Whereas, Henry G. Kreiling has submitted a proposal to the Department of Lands and Buildings to purchase City-owned property acquired at tax sale June 7, 1948, from H. D. or H. O., and Lillian Berger, for the sum of \$700.00, and described as follows:

"13th Ward, Pittsburgh, Lot 25x 100 Susquehanna street, No. 88, Homewood Station Plan, Plan Book Volume 17, Page 48, reserving for street purposes a portion of said lot at the intersection of Susquehanna street and Zenith way, having a radius of 10 feet, and also reserving a portion of said lot at the intersection of Zenith way and Annan way, having a radius of 10 feet.

"Therefore, Be it

Here is the important part:

"Resolved, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947. The cost of Court Proceedings to be paid from Trust Fund D.T.W.L., and repaid to said fund from the sale price."

We are complying with the law in what we do here, and if what we do

here does not meet with the approval of some citizen, and he is interested in the piece of property, he can then go to the Court and have a public auction. We have to initiate it in this Council so that the land may be sold so that we may get taxes from this property, which may mean that we may be able to reduce taxes.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

Also

Bill No. 890. Resolution authorizing and directing the Mayor and the Director of the Department of Lands and Buildings to lease from R. Houston Dalzell all those certain lots or pieces of ground, being Lots Nos. 21, 22, 23, 24, 25 and 26 on Duncan street, in the Bissell Place Plan, commencing April 1, 1950, and ending September 30, 1950, for the total rental of \$1.00, the City having the right and privilege to purchase said real estate at the termination of the lease for the sum of \$1,950.00, free and clear of all encumbrances.

Which was read.

Also

Bill No. 891. Resolution authorizing the Mayor and the Director of the Department of Lands and Buildings to assign lease to the M. E. Solomon Company, a portion of Shore avenue, lying between property now or formerly of the M. N. Landay Company and the low water line of the Ohio River, formerly leased to M. N. Landay Company, for a term of ten years, commencing September 1, 1948, and ending August 31, 1948, at an annual rental of \$800.00, said lease to be subject to all the terms and conditions

of the said lease.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the resolutions were read a second time.

Mr. Fagan:

Mr. President: I wish to inform you

that the School Board, through its Counsel, Mr. Leshner, informed us at our meeting in the Court House in what was once known as the "Gold Room," last Friday, that unless the property is of greater value than five thousand dollars that they would not send anybody out to look at it or they would not interfere with us, either the City or the County, in putting it up for sale. It has to be greater than five thousand dollars in value before they will view it.

Mr. Demmler:

Mr. President: To be sure I understand it, it is only on vacant lands.

Mr. Fagan:

Mr. President: Yes, five thousand dollars on vacant land.

The Chair:

That is all right with us, is it not?

Mr. Weir:

Mr. President: I guess it has to be all right. If they won't look, they won't look.

What we should have is their affirmative rather than negative reaction to the sales proposals. However, we cannot compel them to attend meetings or examine the properties.

Mr. Duff:

Mr. President: It seems to me that from the impression I get they are well satisfied with the method we have employed heretofore in endeavoring to sell this property, and they have no criticism against the Department of Lands and Buildings or the method we use here.

The Chair:

I think it is entirely all right, myself.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

FRATERNAL ORDER OF POLICE

Fort Pitt Lodge No. 1

Pittsburgh, Pa., June 6, 1950.

To the Members of City Council,
City of Pittsburgh,
Pittsburgh, Pa.

Honorable Sirs:

We are calling your attention to the importance of Pittsburgh Police through their Fort Pitt Lodge No. 1, in being represented through their delegates at the seventh biennial conference of the Fraternal Order of Police,

to be held in the City of Philadelphia, July 9 to 14.

This biennial conference brings together police from the various cities of the Commonwealth, and the delegates during their deliberations concern themselves strictly with police problems and it stands to reason that out of these deliberations many new and fresh ideas are brought to light, paving the way for modern and progressive improvements in the police field. Through their contacts and participation in this Conference, we believe that the delegates are performing a vital service to the citizens of Pittsburgh and, indeed, the citizens of the Commonwealth as a whole. Such Conferences as this one being held by police is just as important as the Conferences held by the Chiefs of Police, the Conferences of Mayors, and other professional and business groups.

Very truly yours,

/s/ Martin T. O'Toole, President.

/s/ John B. Fogarty

/s/ Louis Janowitz

/s/ Robert Purvis,

Wage Committee, Fort Pitt
Lodge No. 1.

Which was read, received and filed.

Mr. Leonard:

Mr. President: I feel as I have in the past; I have not changed my mind one bit about it. I think Pittsburgh is one of the finest medical centers in the world, and students come here. I see no need to go outside of the City of Pittsburgh for the many jobs that have been recommended by the United States Public Health Service.

I cannot see my way clear to vote for this bill and I do not intend to vote for it. I hope, in the future, we start giving some of our fine students and fine graduates an opportunity to fill this kind of a position.

I am going to vote No on the bill.

The Chair:

Of course it should be said that the public health movement in Pittsburgh is of comparatively recent origin. Certainly a decade from now the City Pittsburgh should be able to supply the nation with men and women of competency in the health field.

I would agree with Mr. Leonard if our public health movement had not been so comparatively recently instituted.

And the bill, as read a second time, was agreed to.

Which was read and referred to the Committee on Public Works.

Mr. Duff presented

No. 1035.

OFFICE OF THE MAYOR

Pittsburgh, Pa., June 9, 1950.

City Council

Pittsburgh, Pennsylvania.

Gentlemen:

The members of Council have been advised of the investigation conducted by the City Solicitor on my instruction of various charges involving the allegedly improper use of city labor and/or materials for the improvement of private properties.

This investigation, although diligently pursued by Miss Alpern, has been impeded by the refusal of Mrs. Salvatore DiIelsi, whose statements precipitated the investigation, to permit herself to be questioned, either informally or under oath, and by the delays imposed by Mrs. DiIelsi's attorney in the trial of a compensation case in which she would be forced to take the stand under oath.

The scope of the investigation has also been broadened by various anonymous and acknowledged statements appearing in the public press.

I think it is now distinctly in the best interests of the city that the investigation be further pursued by Your Honorable Body, in public hearings, under the broad investigative powers granted you under the City Charter.

I, therefore, venture to suggest to you that you consider favorably the prompt start of such an investigation so that we, as responsible public officials, may have full knowledge of the facts and take appropriate action upon them, and so that the people of Pittsburgh, whose faith in their government is our basic source of strength in all the many things we are doing to improve this city, may be sure that, in their full view, their municipal government has sought the truth, the whole truth, and nothing but the truth.

Very truly yours,

David L. Lawrence,

Mayor.

Which was read, received and filed.

Also

No. 1036.

Whereas, Charges have been made of the misuse of labor and materials by employees and officials of the City Government; and

Whereas, The investigation being conducted at the direction of the Mayor could not be completed because of the lack of subpoena power and the inability to compel the accusers to testify under oath; and

Whereas, Mayor David L. Lawrence has requested City Council to institute a prompt investigation of the alleged misuse of City labor and material, using the broad investigative powers conferred upon Council by the City Charter; and

Whereas, It is deemed in the best interest of the public that a prompt investigation be held by City Council in open hearings so that the facts can be brought to light; Now, Therefore,

Be It Resolved, That the Council of the City of Pittsburgh, pursuant to the powers expressly granted to it by the Charter Act, hereby calls for and institutes an immediate investigation by the whole body in public hearings into the alleged misuse of City labor and materials and authorizes the issuance of subpoenas for the calling of witnesses and records in order to procure the facts; and

Be It Further Resolved, That City Solicitor Anne X. Alpern be directed to represent Council in this proceeding and to produce at the hearings the evidence assembled by the investigating staff of the Law Department and any additional evidence bearing on the misuse of City labor and materials.

Which was read.

Mr. Duff moved

The adoption of the resolution.

The Chair:

I urge that City Council promptly, diligently, completely, impartially and without interruption of any kind, conduct this investigation to its conclusion.

Under the circumstances, I shall not preside over your investigation, nor sit with you as a member of the investigating committee.

And the question recurring on the adoption of the resolution, the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Mr. Duff:

In view of the President's withdrawal from participation in this investigation, I move

That we now proceed to the election of a President Pro-tem with respect to these proceedings.

Which motion prevailed.

Mr. Fagan nominated Mr. Stewart as Chairman of the Investigating Committee.

Mr. Leonard seconded the nomination.

Mr. Weir moved

The nominations close.

Which motion prevailed.

Mr. Stewart:

Mr. President and Gentlemen: We proceed tomorrow at 9:30 A. M., Daylight Saving Time, to hear the witnesses and will continue thereafter daily from 9:30 A. M., until such time as we recess for lunch, and after lunch until 4:00 o'clock, at least, and if Council sees fit, we might extend it.

I think we should begin tomorrow morning at 9:30 o'clock, Daylight Saving Time.

Mr. Wolk moved

That the Minutes of Council of Monday, June 5, 1950, be approved.

Which motion prevailed.

Mr. Stewart moved

That Council recess until Tuesday, June 13, 1950, at 9:30 o'clock, Daylight Saving Time, at which time we will begin with the matters set forth in the resolution adopted.

Which motion prevailed.

And

Council recessed.

UNFINISHED BUSINESS

Mr. Gallagher called up

Bill No. 975. Resolution authorizing the Mayor of the City of Pittsburgh to consent in behalf of the City to the erection of a Major Garage on the property located east of Cayuga street and Bloomfield Bridge at the foot of Darsie street, in the Eighth Ward.

In Council, June 12, 1950, read and laid over.

Which was read a second time.

Also

No. 1105.

Pittsburgh, Pa., June 23, 1950.

City Council

City of Pittsburgh

Fifth Floor, City-County Building

Pittsburgh 19, Pa.

Gentlemen:

Mr. Adolph Fram, who is associated with the business conducted by Peoples Cab Co. is negotiating for the purchase of certain unimproved property located in the immediate vicinity of the Bloomfield Bridge, adjacent to the Bloomfield Playground maintained by the City of Pittsburgh. This property is being acquired for the purpose of erecting thereon a major garage and off-street parking facilities, from which the future operations of the Peoples Cab Co. will be conducted. The options to purchase have been taken in the name of Mr. Adolph Fram, but upon acquisition of the title to the property, the same will in due course be transferred to Peoples Cab Co.

In order for a major garage to be erected on this property, and in view of the present zoning regulations applicable thereto, it becomes necessary for at least 60% of the adjoining property owners to consent to such erection and in the obtaining of the required 60% it becomes necessary that the consent of the City of Pittsburgh as a property owner be obtained.

If the above mentioned consent of the City of Pittsburgh is given, we commit ourselves and the Peoples Cab Co. to conform to the following ar-

rangements and operations:

1. On the property which we will acquire, we will provide the following:

A. A major garage to permit the necessary storing, repairing and servicing of the vehicles owned and operated by the Peoples Cab Co.

B. In the immediate vicinity of this garage, adequate off-street parking area will be maintained to provide parking space required by our employees' cars and other vehicles owned by the Peoples Cab Co. if the parking space is not provided in the aforesaid major garage.

C. We will do everything in our power to obtain additional property or at least a "right-of-way" over other properties, so that ingress and egress may be had from our major garage and off-street parking facilities via Ella street.

If it is impossible to obtain said property or "right-of-way" our major garage and off-street parking facilities will be so provided that ingress and egress will be available to and from Ella street via Darsie street and Panama way.

2. Motor vehicles under our jurisdiction will confine their traffic movements of ingress and egress to this proposed property in the following manner:

A. Vehicles travelling to and from our property via Liberty avenue West of the Bloomfield Bridge will travel on and over Canoe way and Ewing way.

B. Vehicles travelling to and from this property via Liberty avenue East of the Bloomfield Bridge will travel on and over Ella street and such other property or right-of-way which we may later acquire.

If such other property or right-of-way cannot be acquired then our vehicles will operate over Panama way and Darsie street to our property.

C. Cayuga street will be used only

to a limited extent by vehicles under our jurisdiction and then only for the purpose of gaining entrance to this property from Liberty avenue while travelling in an easterly direction. Under no circumstances will any of our vehicles enter Cayuga street except in the manner described above.

D. No vehicles will depart from our property and use Cayuga street as a means of egress to Liberty Ave.

Your early and favorable consideration to the foregoing will be greatly appreciated.

Yours very truly,

Harland I. Casteel,

Attorney for Peoples Cab Co.

Which was read, received and filed.

CITY OF PITTSBURGH

CITY PLANNING COMMISSION

June 26, 1950.

President and Members

City Council

Subject:

Major Garage Adjacent to Bloomfield Playground.

Regarding the contemplated granting of the consent of the City of Pittsburgh (as property owner) to the location of a major garage adjacent to the Bloomfield Playground and the intersection of Bloomfield Bridge with Liberty avenue, the City Planning Commission's concern for the safety of pedestrians and traffic in this locality has been satisfied, as noted below. The Commission approves granting such consent on the basis of the firm commitment transmitted to Council under date of June 23, 1950, by Attorney Harland I. Casteel representing the Peoples Cab Company.

Traffic Engineer McNeil, having been asked to advise the Commission particularly about traffic and pedestrian hazards in this locality—long a matter of concern to this Commission—has given us a full report together with a copy of the commitment letter of At-

torney Casteel above mentioned. It is clear that if the Taxicab Company fulfills the proposals in this commitment letter, much if not all the additional hazards foreseen by the Commission will have been avoided or materially reduced.

It is likely that the Commission may recommend later to Council certain improvements by the City somewhat similar to those indicated by Mr. McNeill.

Very truly yours,

Frederick Bigger, Chairman,
City Planning Commission.

DEPARTMENT OF PARKS AND
RECREATION

May 27, 1950.

Chairman of Committee on Parks,
Recreation and Libraries
City Council
City of Pittsburgh, Pa.

Dear Sir:

Re: Bloomfield Playground

It has been called to our attention that a Resolution has been presented to City Council, requesting that the City give permission to the erection of a major garage on property in the vicinity of the Bloomfield Playground, and this Department wishes to report as follows:

1. The Department of Parks and Recreation has no objection to the proposed new use and, as a matter of fact, in our opinion, it will better the existing conditions adjacent to our playground properties. At the present time this piece of property has been used for moving van storage space and the rest of it as an unsightly dump and a place which could be considered as a blighted area adjacent to the playground facilities.

2. The main flow of traffic through our new development will be directed from Ella street through to Ewing street and no major entrance way to the playground will be in the vicinity

of the garage proposed by the owner.

3. Provided the Mayor and Council approve the erection of this garage, this Department will work out with the new owner an exchange of a small portion of property near the intersection of Cayuga and Ewing streets, which exchange will definitely benefit the Department of Parks and Recreation.

If any additional information is needed from this Department, we will be glad to furnish it to you.

Very truly yours,

Howard B. Stewart,
Director.

DEPARTMENT OF PUBLIC SAFETY
BUREAU OF TRAFFIC PLANNING

Pittsburgh, June 23, 1950.

Mr. Frederick Bigger, Chairman
City Planning Commission
City of Pittsburgh

Dear Sir:

This is in reply to your letter of June 5th regarding an excerpt from the City Planning Commission minutes of May 31st requesting the Bureau of Traffic Planning to give consideration to the traffic problem involved by the proposal to establish a taxicab garage and off-street parking area adjoining the Bloomfield Playground with an entrance on Cayuga street.

Since receipt of your communication, I have had the opportunity of having several meetings with Mr. Harland I. Casteel, attorney representing the Peoples Cab Company and Mr. Adolph Fram, an Officer in said company.

I have this date received a copy of a letter dated June 23rd addressed to City Council in which the Peoples Cab Company, through their attorney, Harland I. Casteel, definitely commits the Peoples Cab Company to conform to specific arrangements and operations if the City will grant their consent to their use of this property. These

specific arrangements and operations are as follows:

1. On the property which we will acquire, we will provide the following:

A. A major garage to permit the necessary storing, repairing and servicing of vehicles owned and operated by the Peoples Cab Company.

B. In the immediate vicinity of this garage, adequate off-street parking area will be maintained to provide parking space required by our employees' cars and other vehicles owned by the Peoples Cab Company if the parking space is not provided in the aforesaid major garage.

C. We will do everything in our power to obtain additional property or at least a "right-of-way" over other properties, so that ingress and egress may be had from our major garage and off-street parking facilities via Ella street. If it is impossible to obtain said property or "right-of-way" our major garage and off-street parking facilities will be so provided that ingress and egress will be available to and from Ella street via Darsie street and Panama way.

2. Motor vehicles under our jurisdiction will confine their traffic movements of ingress and egress to this proposed property in the following manner:

A. Vehicles travelling to and from our property via Liberty avenue west of the Bloomfield Bridge will travel on and over Canoe way and Ewing way.

B. Vehicles travelling to and from this property via Liberty avenue east of the Bloomfield Bridge will travel on and over Ella street and such other property or "right of way" which we may later acquire. If such other property or "right of way" cannot be acquired, then our vehicles will operate over Panama way and Darsie street to our property.

C. Cayuga street will be used only to a limited extent by vehicles under our jurisdiction and then only for the purpose of gaining entrance to this property from Liberty avenue while travelling in an easterly direc-

tion. Under no circumstances will any of our vehicles enter Cayuga street except in the manner described above.

D. No vehicles will depart from our property and use Cayuga street as a means of egress to Liberty Ave.

Within the past several months this Bureau has received quite a few complaints about the traffic situation that exists at the intersection of the Bloomfield Bridge, Liberty avenue and Main street. Our analysis and studies of complaints definitely show the extreme heavy volumes of traffic that are moving through this intersection, particularly during the peak periods, and the limited existing facilities available to handle these large volumes of traffic.

These commitments agreed to by the Peoples Cab Company will avoid the operations of the Peoples Cab Company from increasing the number of conflicts now prevailing at this intersection. The opening of this new playground will probably attract many adults and children from the surrounding area. It is impossible to determine how many of these persons will use Canoe way and Fleming way as their path to this playground. Unfortunately, neither of these ways are provided with sidewalks and it is possible that as pedestrian volumes increase on these existing ways, the City, at a later date, will have to provide the erection of sidewalks thereon for the protection of these people.

In order to assure the compliance of these commitments, the City, at a future date, will probably enact a one-way westbound regulation on that portion of Cayuga street from Liberty avenue to Ewing way.

If the Peoples Cab Company is granted this consent by the City and later erects a garage and off-street parking facilities and operates the same in accordance with their commitments, I do not feel that a serious traffic congestion or hazard will be created by the establishment of this new garage and off-street parking facility in this area.

Very truly yours,

Donald M. McNeil,
Traffic Engineer.

The Chair:

Gentlemen of Council: We have a re-

port ready for submission. The report being on Resolution Bill No. 1036. I will read the report, and then it will be before you for whatever action you desire.

The Chair presented

No. 1113.

Report of Council of the City of Pittsburgh pursuant to resolution of June 12, 1950, Bill No. 1036

Council, by resolution of June 12, 1950, instituted an investigation before the entire Council "into the alleged misuse of city labor and materials," and authorized and directed the City Solicitor to represent Council in the proceedings and to produce at the hearings the evidence assembled by the investigating staff of the Law Department and any additional evidence bearing on the misuse of city labor and materials. Public hearings were held lasting more than nine days in which fifteen hundred (1500) pages of testimony were taken, eighty-two (82) witnesses were heard and sixty-four (64) exhibits were introduced in evidence. The City Solicitor examined all witnesses called by her and counsel for interested parties were permitted to cross-examine such witnesses. Persons against whom charges were made were permitted to produce such witnesses as they desired and, where necessary, witnesses requested by interested parties were subpoenaed. Mr. Thomas E. Kilgallen, President of Council, did not participate in the hearings and has not participated in this report.

The report is submitted for the information of the people of Pittsburgh who are properly concerned with the prudent administration of the affairs of their city; for the guidance of the executive departments, and as a basis for legislation by this body. In it we seek to analyze the charges made, the evidence in support thereof, the required action as to personnel involved and necessary steps for improvements in administrative methods and procedures.

Council is not a criminal court. It is not empowered to enforce the criminal law but it has a clear duty to

see that the affairs of the city government are so administered as to maintain public confidence in that government. For this reason it was our purpose to employ every means of getting complete information concerning the subject matter of the investigation. We neglected no leads; we called every possible witness; we conducted "gold-fish bowl" hearings in full public view as suggested by the Mayor. The City Solicitor was diligent and thorough in her presentation of the evidence, and she and her associates deserve the thanks of this Council for a difficult task well done. In order that no possible lead or source of information might be overlooked we heard a vast amount of testimony clearly not admissible under the rules of evidence, in the form of hearsay, conjectures, suspicions and opinions. Evidence of this sort would not be received by a court of law and much of it could not be considered by a grand jury. It has little, if any, probative value. Such testimony could not form the basis of dismissal from office or employment or of criminal prosecution, under the spirit or principles of American justice. Consequently, the responsibility of Council is all the greater to make its findings on the basis of substantiated truth and according to the weight of the competent evidence. Its report obviously must not be influenced by political considerations, by friendships or associations. Equally it must not be colored by uninformed clamor or witch-hunting. It is in that spirit that this report is submitted.

I. Charges Involving Thomas E. Kilgallen

Mr. Kilgallen is accused by Mrs. Salvatore DiIelsi of employing her late husband and other city employees to do work on the Kilgallen property in Butler County when such employees should have been working for the City of Pittsburgh, their employer. Mrs. DiIelsi also accuses Mr. Kilgallen of attempting to conceal certain circumstances of her husband's death and of offering her various inducements to drop any claim she might have in relation to that accident. These are charges of the utmost gravity. If substantiated, they would constitute

grounds for impeachment. This Council does not find them substantiated by the evidence before it.

It is obvious that Mrs. DiIelsi is not a disinterested witness. She admits that her late husband was deeply obligated to Mr. Kilgallen for acts of kindness over a period of many years and that the whole DiIelsi family looked upon him as their friend. It is apparent from her testimony that Mrs. DiIelsi felt she was entitled to compensation from somebody for the loss of her husband and the failure of Mr. Kilgallen, to whom she turned, to satisfy her demands produced a resentment which colored her testimony and attitude before this body. She further admits—although this is contradicted by strong evidence—that her late husband procured free city labor for work in their home at 628 Edmond Street. Nothing in her conduct indicates any moral or public spirited concern of the offenses she alleges. The only testimony which in any way corroborates Mrs. DiIelsi is that of her immediate family who share her interest.

Her testimony is denied in whole or in part by many witnesses and substantial portions of her testimony are proved to be mistaken or false by established or admitted facts and by disinterested witnesses. Moreover, much of her testimony which bears most directly on the charges she makes against Mr. Kilgallen is based upon what she says her husband told her and, therefore, not entitled to any weight. Because of her obvious bias and because it was disproved or impeached as above set forth, we are obliged to reject her testimony.

Many witnesses have appeared before us and testified freely that they worked on Mr. Kilgallen's property on their own time and with materials which Mr. Kilgallen had purchased. Not a single witness states that he worked on the Kilgallen property when he should have been working for the city, nor have we any competent testimony which indicates that any city materials of any kind were used at the Kilgallen place. On the contrary, it has clearly appeared that Mr. Kilgallen bought sufficient building material to account for

the entire construction at his Butler property.

A public official properly cognizant of his responsibilities should at all times be above suspicion. Every large organization has its share of employees who seek by any available means to ingratiate themselves with their superiors. This type of employee should get no encouragement from public officials.

Mr. Kilgallen was evidently blind to the interpretations that might be put upon his actions, and this Council, which has known him as an honest but impulsive man, must now record its belief that in these affairs, he was an indiscreet one.

There was also testimony before Council by Mr. Kilgallen as to the use of a city-owned automobile, a 1947 Chevrolet, assigned to him from the city's car pool. There is no question that the President of Council is entitled to the use of a city automobile for city business, and traditionally, such usage has carried with it transportation to and from the official's home. All the testimony in regard to the use of this car came from Mr. Kilgallen himself, who stated that the use was at all times incidental to the performance of the duties of his office. We can form no conclusions on the evidence before us on this matter, but we do state that we deem it an impropriety for an official to use with regularity a city-owned automobile for transportation to a summer home outside the city or any other use which is predominantly personal.

Although it was not included in the subject matter of the investigative resolution, which dealt solely with the misuse of city labor and materials, the Council heard testimony as to Mr. Kilgallen's contract with the Allegheny Asphalt and Paving Company, which, as a contractor, does a large volume of business with the city and many other public bodies and individuals, both public and private.

All the testimony on this matter before Council indicates that Mr. Kilgallen entered into a legitimate business transaction with the company, and that the credit terms extended to

him were not unusual in the company's business practices and were extended to other public officials.

II. Charges Against Edward R. Frey

The charges made against Mr. Frey, even if accepted at face value, were so trivial in nature as to be of little concern to this body or to the public except for the shadow they cast on an office which, above all others in the city government, should be so scrupulously conducted that there is no doubt of any kind as to its ability and desire to check wrong-doing in others. The record shows that these charges—petty as they were—were wholly denied by competent witnesses, and the witnesses who made them were obviously inspired by political or personal animus against the Controller.

This Council has known the Controller as a meticulous—at times, even over-technical—fiscal officer through the three terms in which he has occupied that office.

But it believes that he too used bad judgment in developing a personal intimacy with his employees and in permitting them, and other friends who were city employees, to "putter around" his country home, even on occasions which were clearly social in nature, and which were clearly not on city time.

III. Charges Against Howard Gross

Mr. Gross' own testimony before Council indicates that he is not a competent supervisor; that he is not equipped by temperament, executive ability, and physical vigor for the responsibilities assigned to him; and that the reorganization of the construction and maintenance divisions of the Department of Lands and Buildings cannot properly be carried on without eliminating him as a personality.

Council finds his testimony in regard to the settlement of a claim for damages, in which a city-owned station wagon collided with a privately-owned car on December 2, 1949, as an attempt to cover up a misuse of a City vehicle.

It is also satisfied that he does not know the full truth as to the accident in which Salvatore DiIelsi was killed.

It is certain that Mr. Gross failed to keep proper records of material assigned to him for distribution to City jobs, and that he failed in the requisite knowledge of the assignments and work schedules of the skilled labor under his supervision and control.

Without accepting as true any of the DiIelsi family testimony, and recognizing that the testimony of Mrs. Robert Laun would be inadmissible in a court of law, for the reasons stated above Council instructs the Director of Lands and Buildings to suspend Mr. Gross from his duties as master mechanic and to initiate civil service proceedings for dismissal in the event that he does not resign.

IV. George Manko

This Council regards Mr. Manko's story of the event leading to and following the DiIelsi accident as incredible. The payroll records indicate that Manko was marked present and was paid for the day of the accident as well as for several days before and after the accident. Manko asserts that he had no knowledge that he was marked present and that he was on sick leave. Accepting his statement in this regard as correct, his patent violation of the sick leave ordinance of the City of Pittsburgh constitutes grounds for dismissal. If Manko knew that he was marked present his action constitutes a more serious offense. We believe that his conduct in these two respects call for his dismissal from the City service and recommend immediate institution of dismissal procedure under the rules of the Civil Service Commission.

V. Homer R. Greene

The Council heard no testimony in anyway impeaching the honesty and complete integrity of Director Greene. Mr. Greene, a former president of the Pittsburgh Real Estate Board, possesses special abilities in the field of real estate sales. He has developed and carried out a program together with

the School Board and the County which has resulted in the sale of more than \$4,000,000 of tax-delinquent properties. The City, School and County treasuries have enormously benefitted from Mr. Greene's work.

However, it is obvious that Director Greene placed too much trust in subordinates in the maintenance phase of his department's activity, and did not take as direct and energetic action as was desirable to protect the city's interests.

A study made by investigators in the Law Department covering a period of 2 1/3 years disclosed a shortage on the basis of records kept by the Department of Lands and Buildings in rock lath and Portland cement. While these shortages were not significant as to money involved (the 165 bundles of rock lath unaccounted for having a value of roughly \$200.00) Council felt that it was highly essential to ascertain whether the shortage resulted from inaccurate records or represented actual loss of materials. The discrepancy between the amount of these materials purchased by the City and the amounts accounted for on records of the Department of Lands and Buildings was pointed out to Director Greene and he was requested by Council to institute appropriate investigation by his personnel. A report of such study under the direction of Mr. Greene fails to account for any substantial portion of the 165 bundles of rock lath. We, therefore, must regard this material as missing although there is no evidence to show that any of it was used for the benefit of anyone other than the City of Pittsburgh. The City architect, William Pyle, states that the shortage of Portland cement (4 1/2%) is within the expected limits for loss and waste of such material in any construction work, public or private, where it is used. We accept Mr. Pyle's professional opinion in this regard. However, the check made on two materials used at the Tunnel Street shop emphasizes the necessity of accurate and reliable inventory and accounting procedures with respect to building materials.

In the reorganization of the depart-

ment, which is clearly needed, the maintenance and construction responsibilities should be definitely centralized under one responsible and competent bureau chief, reporting only to the Director and with a free and stern hand exerted to make sure that the City gets maximum returns in service for the wages it pays its mechanics.

VI. Leonard Civill

In the absence of any substantiating evidence, the Council cannot accept the charges that Mr. Civill offered to sell City equipment and asphalt to a man who was a complete stranger to him, and to whom he would not have been able to deliver the equipment and materials described.

Recommendations

1. The passage by Council of legislation making it illegal and grounds for preferment of charges before the Civil Service Commission for any City employee to do work, with or without compensation, for elected officials of the City or for any person in a supervisory position with power to control such employee's work schedule, overtime, promotion, or any other condition of employment.

2. The various departments of the City government shall be instructed to furnish Council with a monthly statement of any and all overtime by employees under them together with an explanation of the necessity for such overtime. Such reports are to be referred to the Budget Controller or Council for examination by him and report to Council.

3. The prompt installation of the perpetual inventory system of all City supplies, materials, and equipment, now being developed by the Department of Supplies in conjunction with the Pennsylvania Economy League.

4. The reorganization of the Department of Lands and Buildings so as to establish proper administrative responsibilities in that department. We request the Mayor to join with us in asking the Pennsylvania Economy League to assist the City in developing a proper organization for the Department, and a system of accounting

and controls which will remedy its present weaknesses.

5. Pending the reorganization of the Department of Lands and Buildings, we recommend to the Mayor that he assign to the department a tested and competent administrative official who will take firm charge of the construction and maintenance phases of the department's work.

6. The testimony before Council disclosed several abuses of the sick leave ordinance of the City and a general laxity in its enforcement on the part of some supervisory personnel. Since the time when these events took place Council has amended the sick leave ordinance in such a way as to eliminate the abuses disclosed in the testimony, provided responsible supervisory personnel insist upon the strict enforcement of the provisions of this ordinance. We strongly recommend a strict enforcement of the present sick leave ordinance and the institution of proceedings for dismissal, as provided in the ordinance, for any person violating its terms.

7. Transmittal of a copy of this report and a full transcript of the testimony and exhibits to the District Attorney of Allegheny County for his information and consideration.

Which was read.

Mr. Weir moved

That the report be adopted.

Mr. Leonard:

Mr. President: I have listened very intently to the reading of the report and during the drafting of the report in the several meetings which were held by the members of Council, only.

I do not have a copy of the report which I would like to have. I might say that there are parts of this report that I disagree with, and for that reason I will record myself as voting No on the report.

If I would have had a copy of the report I would have been in a position to come in here this morning and submit a minority report.

There is one thing that I want to

go on the record this morning, and I do not want to go into all the phases that might have objection or where I may agree with the report, but one thing in particular, I do not think that the report goes far enough—that it does not include the dismissal of Director Greene. That is my main objection.

The Chair: I think it would be proper, if you desire to do so, to file, at a later time, any written objections, you may have. I think it would be the thing to do.

Mr. Leonard:

Mr. President: In my opinion, the proper thing to do is lay this report on the table until I can submit a minority report, as you suggest. The other members of Council and I have not had an opportunity to file a report.

The Chair: Are there any other remarks?

And the question recurring on the adoption of the motion, the ayes and

noes were ordered taken, and being taken were:

Ayes:—Messrs.

Demmler	Weir
Duff	Wolk
Fagan	Stewart (Pres't
Gallagher	Pro Tem.)

Noes: Mr. Leonard.

Ayes 7. Noes 1.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

The Chair directed

That a full transcript of the testimony and a copy of the report be transmitted to the District Attorney.

Mr. Demmler moved

That Mr. Kilgallen be excused for absence from Council meetings on Thursday, June 29, and Friday, June 30, 1950.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Weir presented

No. 1146.

Whereas, Present world conditions suggest the desirability of co-operating with the United States government in its programs of training for its armed forces in a manner that will not impair the working efficiency of the departments of the City of Pittsburgh,

Therefore Be It Resolved that city employees who are a part of the reserve personnel of the United States Army, Air Force, Navy and Marines, and who are required by the United States government to participate in training programs of such branches

of the service, may, at the discretion of the Director of the Department in which they are employed, be released from their work with the city to participate in such training programs for a period of time not to exceed one Saturday morning each month, provided that said employees work overtime for the city an equivalent number of hours during the same pay period and as ordered by the Director of their department or the Chief of their bureau.

Which was read and referred to the Committee on Finance.

Mr. Fagan:

Mr. President: I understand we have had an offer for the Kaufmann Realty property, known as the old Americus Club on Smithfield street of \$300,000 by an attorney by the name of Sachs. There are also 52 other parcels of property that are now ready to be presented to Council. We want to be in a position to take care of them because, the School Board probably will meet about July 15th and probably a joint meeting of the three taxing bodies.

Mr. Duff:

Mr. President: I think we ought to provide for a summer schedule now at the advent of July.

Mr. Duff moved

That Council fix its stated meetings for the next two months as follows: A meeting on July 17, a meeting on August 7, and a meeting on August 28, 1950, with the respective committee meetings following immediately after the Council meetings on those respective dates.

Mr. Stewart:

Mr. President: The occasion might arise when we might have to have a meeting at some other time, but it is understood that a special meeting could be called. I do not know that there is any occasion, but there might be. I know it will be necessary to vacate part of Penn avenue in connection with the redevelopment. Whether that could fit in with one of the regular meetings, I do not know. It probably could. I am merely stating

that. I agree with the suggestion that we limit our meetings during the summer, with this reservation, if and when it becomes necessary to have a meeting, we can also have a special meeting.

Mr. Duff:

Mr. President: I made that motion subject to the reservation of any business that requires prompt action, that a special meeting would be called.

Mr. Fagan:

Mr. President: Would it be advisable to incorporate, subject to any emergency that may arise?

Mr. Stewart:

That would not be necessary.

And the question recurring on the adoption of the motion of Mr. Duff, the motion prevailed.

Mr. Duff:

Mr. President: With respect to the Committee meetings for consideration of the bills introduced today, I suggest that the regular committee meetings be held on Wednesday, July 5, 1950, at 1:00 o'clock, P. M., E. S. T.

Mr Wolk moved

That the Minutes of Council of Monday, June 26, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

Which motion prevailed.

Mr. Fagan:

Mr. President: There is a matter that I would like to bring to the attention of the Committee that made the investigation and think it would be advisable for Mr. Stewart to be in the Chair at that time.

The Chair:

Mr. Stewart, will you take the chair?

And Mr. Kilgallen vacated the chair, and Mr. Stewart took the chair.

Mr. Fagan:

Mr. President and gentlemen of

Council, I would like to make a motion that the hearings be reopened and that Charles J. Margiotti be asked or subpoenaed to appear before the Investigating Committee.

Mr. Weir seconded the motion.

The Chair:

I suppose that motion is the right way to do it. Actually the matter was not closed, as you will recall. We concluded the testimony, but at the time, I think the record will show that the Chair announced that the hearing or the proceedings would remain open to receive such other testimony as there might be, and there were several things which were to be received and which have been received.

However, I think this brings the matter before us. Are there any remarks on Mr. Fagan's motion?

Mr. Fagan:

Mr. President and gentlemen of Council: On page 1498 of the hearing it says before the close, the Chairman asked if anybody had any other witnesses or any testimony to present, and both Mr. McArdle and Mr. Richardson said, No. Quote: "Then I think a motion to close the formal part of the hearing, with the understanding that the matters which we have asked for, that is Mr. Greene's report and whatever Mr. O'Brien may find, may be received when available."

"I will entertain a motion to adjourn."

Mr. President and Members of Council: When Charles J. Margiotti appeared before the Committee which was set up as a result of Resolution 1035 from the Mayor's office, which will be made part of the record, and also No. 1036, Margiotti, in representing Mrs. DiIelsi, of course appeared here as counsel for that lady. He appeared here also as a witness, was sworn and testified.

The Chair:

At his request.

Mr. Fagan:

At his request. His testimony, on direct examination starts on page 239 and continues on to page 262. Here is

a matter I want to bring to the attention of Council. Mr. Margiotti says.

Mr. Demmler:

On what page?

Mr. Fagan:

This is on page 252. He says: "Next, I am not a Republican. I am a Democrat and I have been a Democrat for years. My wife and daughter are Democrats. When it comes to the national politics, I have contributed and contributed heavily, a lot more than a lot of other people around here have contributed, and I am still a Democrat. Now, I have no reason to hurt the Democratic side. Every member of this Council I consider excellent men and high class men. I wouldn't want to do them any harm or you or anybody else. I have no reason to do that." End of quote.

That was on the 13th day of June, here in this Council Chamber.

Appearing in the Courts of Allegheny County, I think it was the Court of Quarter Sessions, when it was sitting en banc before Judge Russell Adams, Judge Michael A. Musmanno and Judge Henry X. O'Brien. I happened to be in the Court at that time and there were a lot of prominent lawyers of Allegheny County in Court and a lot of citizens in the Court, and Mr. Margiotti charged that the Mayor was asleep, that the Council was asleep and that the District Attorney was asleep, and that everybody was sleeping but Charlie.

Then Mr. Margiotti reverses himself from what he said on the 13th of June in the Council Chamber here when he said we were excellent. While that is excellent and I have never had the privilege of meeting a perfect human being, and that goes for myself. I never thought that I was perfect, and I do not think that the rest of Council think they are perfect.

Then on the 11th day of July, before the Court en banc, and before thousands of citizens of Allegheny County, Margiotti thundered the Council investigation was prepared well in advance and Council knew what action

they were going to take in advance. Continuing to quote, "And the Mayor knew Council was going to whitewash the whole matter before he went to Europe." I say, when Mr. Margiotti says that Mr. Margiotti lied with his heart, and lied with his mind and with his mouth, because I was a member of that Committee and I know that I did not know what was going to happen until the hearings were over, and after that, for several days argued and debated, read the testimony and went over it and tried to understand it and tried to find out what was the truth and what was falsehood and we finally came to the decision. I for one, and I think it goes for the rest of the members of Council, made the decision on the facts, and the evidence and the information and the misinformation that was given to the Investigating Committee. Nobody but God helped me to make up my mind in the case, and I never saw the Mayor from the time we introduced those resolutions in Council and was here on the stand in Council and was here possibly five minutes. Nobody gave me any instructions. You know I have been in public life a long time and there is one thing that I cherish and that is my character. I know that I am not going to leave much of this world's goods when I pass on, but I hope to leave to my children and my grandchildren a reputation that they will be able to point to with at least a little bit of pride. That is all I expect to leave and that is all my father left to me. He said, "I have no earthly or worldly goods, but I can give the right of my good name," and he always told me to be a man no matter how tough the going was. Of course, if I had wanted to be a grafter or a yes man, the chances are I could hold a very prominent position in Labor today and have a nice salary, but I preferred rather to be a free man. And Charlie Margiotti, I told him after the Court that day and I have never seen and I never seen anything in the paper that day. I told Mr. Margiotti "that was a nice line of 'B. S.' you spread in there this morning," and one of his investigators chimed in and said, "You said something about Mr. Margiotti," and I said, "Sure, and if necessary, I will

say something tomorrow and will say something a week from now. I am not going to stand by idly without denying the indictment of Charles J. Margiotti over in the Court. A man who changes his mind in less than a month that we are not excellent men and we are just a bunch of "yes men" and anybody can tell us what we have to do. I think the investigation committee should be reassembled and Charles Margiotti should be subpoenaed to appear before this committee and tell this committee whether he was telling the truth on the 13th of June, or telling it on the 11th of July in the Court of Quarter Sessions.

The Chair:

I notice, Mr. Fagan, you refer to a newspaper clipping. Those were, I took it, Mr. Margiotti's remarks as reported in one of the newspapers. Are the matters as reported—does that coincide with your recollection of what he said?

Mr. Fagan:

It coincides with a certain amount of it. He made a good political speech that had nothing to do with the matter there.

The Chair:

I mean with reference to the remarks, with reference to this Body. I think a transcript, a stenographic report was taken of that proceeding which is not now available, which should be available, because I have in mind we want to find out as accurately as we can just what he said, because, as Chairman of this Committee, it seems to me that he has attacked every member of this Council, the integrity of every member, not only his personal integrity but his integrity as a public official. I for one might be willing to overlook the personal attack on me or even the attack as a public official, if it were not a fact that what he is reported to have said strikes at the very foundation of our findings and we cannot permit that to go unchallenged, because if that remark were true, then our findings are utterly void and worthless.

Mr. Fagan:

Mr. President: The quotation is from

the Pittsburgh Sun-Telegraph, Tuesday, July 11, 1950, is where the quotation is from. Of course, Mr. Margiotti elaborated, and as you say, there was a court stenographer there and I understand, was taking the proceedings. I am not positive the court stenographer took this bombasting of Mr. Margiotti, but at least he was there to take the information for the three Judges who were sitting there, and as I understand it, for the record.

In this argument Mr. Margiotti did not attempt to show that he had the right to supersede the District Attorney, and, after all, William Rahauser has been elected to represent all the people of Allegheny County. I figure the hundred and fifty thousand people who voted for me to be a member of this Council, that doesn't mean I am just going to represent that hundred and fifty thousand people. I represent all of the citizens in this city and I dare anybody to say I will do one thing that would injure this city or its citizens. As I said before, I have been in public life a long time. I was more careful with the dollars of my organization than I would be with my own dollars, because I knew they did not belong to me. I am going to try to do the same thing here in the City of Pittsburgh, as a member of City Council, and there is not any power in this city that is going to dictate and tell me how I shall vote or what decision I shall render.

That investigating committee sat, more or less, as a quasi-judicial committee, and it was repeated time without number, and it was repeated time without number by the Chairman, "If there is anybody who has any information as to the mis-use of city property or the abuse of city labor, let them come forth and tell their story." Mr. "X" did not appear to tell what he knew. Other people had the opportunity to come here and they even had a gypsy come here, between Carnegie and Miami. Then Mr. Margiotti said the Committee was all fixed and prearranged, and Lawrence knew everything that was going on. He didn't get it from me and I don't think he got it from any member of City Council.

cil. Mr. Margiotti tried to put it over, and as I read in the papers yesterday, Mr. Margiotti is probably the only honest man in the State of Pennsylvania, and our State is in bad shape if he is the only honest man.

I would like to have this motion passed for him to come here and tell us when he was telling the truth; whether it was on the 13th of June or the 11th of July in 1950, before the Court of Quarter Sessions.

I know Russell Adams. He was a former District Attorney and one of the outstanding District Attorneys of Allegheny County. I know Mr. O'Brien, or Judge O'Brien; he was an Assistant District Attorney. Since 1920 I have been with the United Mine Workers, The Pittsburgh Central Labor Union, and Steel City Industrial Council, and I probably had a little influence, but I never abused it and I never asked a public official to do anything that was wrong. All I wanted for the people I represented was a square deal, and you can go to any public official, Democrat or Republican, and ask them if I ever tried to influence them in anything wrong, and I think the average public official and the average layman in Allegheny County would not come to me and ask me to do anything wrong.

I say to you, Mr. Margiotti made a foul record in the Court on the 11th day of July, 1950, in Allegheny County, when he said this case was fixed prior to the hearing and our decision.

Mr. Weir:

Mr. President: I was talking to Mr. Fagan before, and I appreciate the sense of outrage that he feels in regard to those remarks that were made by Mr. Margiotti in the Quarter Sessions Court. I appreciate that Mr. Fagan has a very deep feeling and regard for the truth, and I think he is entitled to have it, because I believe he is a man who, all his life, dealt with the truth very carefully indeed, and I can see how he feels when the Attorney General of Pennsylvania gets on his feet in Court and tells three Judges, as well as the others there assembled, that this Council.

cil, in effect, entered into a conspiracy here; that we would have what would then be a fake hearing and hear witnesses, and all the while our minds were made up and the report which was formally submitted, was already drawn and we had got it from the Mayor. I can see how Mr. Fagan would have a particular outrage because it is practically within the knowledge of everyone here that we went back here into my office, and not only for three days, but for an entire week, and before the report was in final form, we discussed, argued, wrote and finally, after three or four days, the matter was placed before the four lawyer members of the Committee to draft the opinion of the members of Council, and then, after that, it was further discussed and further changed, and to the best of my recollection, long before that time the Mayor was on the high seas. So that while nowadays the truth is treated so lightly, in so many places, that people have a tendency to just pass it off. It is, therefore, as Mr. Fagan says, a rather serious matter, when the Attorney General of Pennsylvania makes those comments about this body or any other governmental body, and knowing Mr. Fagan's feelings, I second his motion, which enabled him to make the remarks which he has made and with which, I must say, I agree.

The Chair:

I might add that Mr. Weir has correctly pointed out that this is a particular affront on the four members of the Committee who happen to be lawyers, because it was known and stated that we had prepared the report. So, we are doubly accused, one might say. But I say again, as far as the personal part of it goes, I do not care for myself. The important thing, to my way of thinking, is that this challenges the fitness of this body. We cannot allow that to go without further clarification from whatever means we can get it, and, of course, preferably from the Attorney General. What is your pleasure with respect to the time that we should reconvene the Committee? We are having a meeting of Council some time this week—Friday, at 3:00 o'clock. Are

there any suggestions as to when we might convene? It is important because I propose to instruct the Clerk to provide a subpoena for the Attorney General so he will be here whatever time we fix.

Mr. Fagan:

I think what we first should do is get the Court record.

The Chair:

That is right. But I am informed it will be ready in a day or so. I agree, we want the transcript of that testimony before we hold our hearing. Would one o'clock on Friday be a satisfactory time to the members?

Mr. Wolk:

Could we make it three-thirty?

The Chair:

Mr. Wolk suggests 3:30 on Friday. Is that convenient to the members?

Mr. Leonard:

I think I am right, after you get the record, you will subpoena the Attorney General?

The Chair:

That is right. I will direct the Clerk to subpoena the Attorney General to appear this Friday at 3:30 P. M., July 21st.

It has been suggested by the Clerk that instead of adjourning, we recess to meet on Friday at 3:00 o'clock, P. M.

And the question recurring on the adoption of the motion, the motion prevailed.

Mr. Duff presented

No. 1237. Petition requesting the grading, paving and curbing of Foda way, in the 14th Ward.

Which was read and referred to the Committee on Public Works.

Mr. Wolk moved

That the Minutes of Council of June 29 and July 3, 1950, be approved.

Which motion prevailed.

Mr. Wolk moved

That Council recess to meet on Friday, July 21, 1950, at 2:00 o'clock, P. M., E. S. T.

Which motion prevailed.

And

Council recessed.

Pittsburgh, Pa.,

Friday, July 21, 1950.

And the hour of 2:00 o'clock, P. M., E. S. T., having arrived and the time of the recess having expired, Council reconvened, and there were:

Present:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)

UNFINISHED BUSINESS

The Chair took up

Bill No. 1131. An Ordinance entitled, "An Ordinance granting unto G. F. Crisanti the right and privilege to construct, maintain and use a vault and cellar door entrance in the southerly sidewalk area of Walnut street in the Seventh Ward, Pittsburgh, Pennsylvania."

In Council, July 17, 1950, bill read and laid over pending receipt of advertising fee.

Which was read a second time.

Mr. Demmler:

Mr. President: It is always with reluctance that I vote for these bills for cellar doors in our sidewalks, because, under existing conditions, these sidewalk doors are left open the entire day and some times in the evenings, and that is not in accordance with our ordinances.

I recognize the necessity for these cellar doors, but the abuse of the privilege which we grant is one which ought to be corrected.

And the bill as read a second time, was agreed to.

Mr. Wolk moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

REPORTS OF COMMITTEES

Mr. Duff presented

No. 1238. Report of the Committee on Finance for July 17, 1950, transmitting sundry ordinances and resolutions to Council.

Which was read, received and filed.

Mr. Duff moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

Which motion prevailed.

Also, with an affirmative recommendation,

Bill No. 1170. An Ordinance entitled, "An Ordinance providing for a contract or contracts or for the employment of additional labor and rental of equipment for cleaning catch basins in various parts of the City, and for the payment of the costs thereof."

In Finance Committee, July 17, 1950, bill read and ordered returned to Council with an affirmative recommendation, subject to the filing of a declaration of emergency signed by the Mayor and the City Controller.

Which was read.

Also

No. 1239.

CITY OF PITTSBURGH

CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of

the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Works in letters addressed to the Mayor and the City Controller, under date of July 13, 1950, has stated that in the six (6) Divisions of the City, as set up by the Bureau of Highways and Sewers, there are well over 36,000 inlets for the collection of storm water, and that because of the recent intense rain storms and the nature of the topography of the City, thousands of these basins or inlets have become clogged with debris and as a result therefore do not function; and

Whereas, It is imperative that these basins or inlets be cleaned as soon as possible in order to save the public from distress following the next heavy rain storm, which will discharge openly, where it will, unless the water can be collected and discharged into sewers; and

Whereas, The maintenance forces in the Department of Public Works are insufficient in number to carry out their regular duties and at the same time clean all these basins, so that it becomes necessary to employ additional labor and rent equipment for the doing of this work; and

Whereas, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the Director of the Department of Public Works to employ additional labor and rent equipment for the doing of the work aforesaid.

David L. Lawrence,
Mayor.

Edward R. Frey,
City Controller.

Dated:

July 18, 1950.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 1171. An Ordinance entitled, "An Ordinance transferring the sum of \$3,600.00 to Code Account 1610, Miscellaneous Services, from Code Account 1651, Wages, Temporary Employees, Sewer Labor, both accounts being within the Bureau of Highways and Sewers, Department of Public Works."

Which was read.

Also

Bill No. 1173.

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may

be made to meet the same; and

Whereas, In order to implement the Clean-up Campaign it is deemed necessary to employ 20 special police officers for a period of twenty-five (25) days to assist in the purposes of the Mayor's Committee for a cleaner City; and

Whereas, Such appears as good and sufficient reason to impel the certification of emergency under the circumstances.

Now, Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh an existence of an emergency requiring an amendment to a portion of Section 47, Bureau of Police, of Ordinance No. 621, approved December 24, 1949, entitled, "An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof," to permit the employment of 20 special police officers, for a period of 25 days each, to assist in the purposes of the Mayor's Committee for a cleaner City.

MOTIONS AND RESOLUTIONS

Mr. Leonard presented

No. 1249. Petition for the elimination of nuisances caused by the operation of a dump on Nelson street, 12th Ward.

Which was read.

Mr. Leonard:

Mr. President: This is the same case we had before Council two years ago, and at that time the Law Department was instructed, if the dump was not closed, to proceed in Court to prohibit further dumping there. Since then there has been a fence built around this dump and a charge of fifty cents a load is made to dump. Last evening, in the company of a committee, I visited this dump and the odor is

very bad. It is burning and the Fire Department has been there several times, and now a hose has been left, and when it gets too bad they turn it on. This is a very good residential district. The City recently spent several thousand dollars to construct a sewer on Nelson street, and it is near the new Hospital. I know a lot of restaurant refuse is being dumped there, and this has become a lot worse since our Refuse Division has not been collecting commercial garbage and rubbish. You all laughed when I said there were flying roaches. We went onto the dump and these roaches landed on our clothes. We brought some of the roaches in a jar. The neighborhood is infested with them. I went into some of the people's houses and the flying roaches were in these homes.

The people have been complaining to the Department of Public Health about this condition. Two years ago we passed a resolution to have this nuisance eliminated.

This is a dump where a charge is made and a scale is used to weigh the loads. I saw large tomato cans and orange juice cans there, such as are used by restaurants. This is a good residential district. Last evening there was a band concert at the Paulson Playground and the people were annoyed by the odor coming from that dump. It is an out and out violation of the law.

I do not like to have to come here every year about this dump. The same thing has happened again that happened last year and the year before, and the Department has made no move. They can go around here and pick on restaurants and tell them what they have to do—put in glass cases, but here is a good neighborhood and the people should not have to put up with this condition.

Mr. Leonard moved

That the Department of Public Health be instructed to make an immediate investigation of the conditions existing at this dump; to take the necessary actions to eliminate the causes of the complaint and also to use whatever chemicals are necessary to eradicate the "flying roaches."

Which motion prevailed.

Mr. Demmler moved

That the following members be
excused for absence from Council and
Committee meetings:

Mr. Duff on July 5, 1950;

Mr. Gallagher on July 5, 17 and 18,
1950;

Mr. Kilgallen (Pres't) on July 5, 17
and 18, 1950.

Which motion prevailed.

And upon motion of Mr. Wolk
Council adjourned.

CITY OF PITTSBURGH

CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The greatly increased volume of automobile traffic in the business and commercial sections of the City of Pittsburgh has resulted in a condition of traffic congestion which constitutes a serious public problem; and

Whereas, Conferences of the Mayor's Highway Safety Council have been held for the past four years to discuss said traffic congestion and have been found most beneficial; and

Whereas, the work of gathering materials, sending invitations, registering delegates and making other incidental preparations for said conferences will require the work of two (2) typists on a temporary basis for a period not to exceed 210 working hours at the rate of payment of 95c per hour; and

Whereas, It is proposed that said typists be employed during the months of October and November, 1950 and that not over \$200.00 shall be paid therefor from Code Account 1497, Adult Traffic Education, Bureau of Traffic Planning, Department of Public Safety; and

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, we DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh, the existence of an emergency requiring the appropriation of the sum of not more than \$200.00 to assist the Director of the Department of Public Safety of Pittsburgh in his preparation for the Fifth Conference of the Mayor's Highway Safety Council, and the employment of typists.

DAVID L. LAWRENCE,
Mayor.

EDWARD R. FREY,
Controller.

**CITY OF PITTSBURGH
CERTIFICATE OF EMERGENCY**

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20,

as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Health, in letters addressed to the Mayor and the City Controller under date of August 16, 1950, has stated that the Bureau of Maternal and Pre-School Service is now engaged in the promotion and development of a maternal health program, and that to assure the success of this program it is necessary to employ a Maternity Nursing Consultant to serve in a liaison capacity between the Bureau of Public Health Nursing and the Bureau of Maternal and Pre-School Service and to give nursing consultation and educational service in maternal health to voluntary agencies in the community and to the general public; and

Whereas, The position of a Maternity Nursing Consultant is based on the recommendation included in the 1948 Public Health Service Survey Report; and

Whereas, The creation of this position is considered an essential step toward the integration and coordination of a maternity health nursing program in this area; and

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, We, **DAVID L. LAWRENCE**, Mayor of the City of Pittsburgh, and **STANLEY DOBROWOLSKI**, Deputy Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh, the existence of an emergency requiring the employment of a Maternity Nursing Consultant at a salary of \$5,100.00 per annum in the Department of Public Health, Bureau of Maternal and Pre-School Service.

DAVID L. LAWRENCE,
Mayor.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Gallagher

Mr. President: I would like to ask the Committee of the North Side Carnegie Library if they looked into the item of the Pittsburgh News Company for \$2,446.80. I made a remark last week in Committee that maybe among that literature purchased over there there might be some of it on the "pink" side. I believe in the right of free speech. I believe in the right of free assembly, and I will vote for anybody to have the right of free speech, but in times like these, when we are getting casualty lists back from Korea,

and some of our neighbors' boys' bodies are being sent back, and we all know there are subversive elements scattered throughout the Nation. I think it behooves us in supplying literature that we have some knowledge of what kind of literature we are purchasing with the taxpayers' money.

I have not had an opportunity to stop in the Library myself and look over the kind of literature being purchased, but when an item comes in here for \$2,446.80, I think the Library Committee, which represents City Council, should look into the source of the material that is being furnished and see if there is among that material propaganda that aims for the overthrow of this Government.

I do not want to be mis-construed. I have taken this position years ago when they tried to prevent Emma Goldman from appearing in Carnegie Hall, and I do not want to be mis-construed in my remarks that I am against free speech and free assembly, and literature for the benefit of the people, but I do think it is time that we find out whether we are supplying Russian propaganda with taxpayers' money, and I think it is the duty of the Committee of the Carnegie Library of the North Side to scrutinize and find out if there is any of this subversive literature among the literature we are purchasing.

Mr. Demmler:

Mr. President: I cannot speak for the other two members, but I have not been able to make a detailed study. Neither would we have time to censure all of the literature that goes in there.

Two publications that are being referred to toward the "pink" are the "Nation" and the "New Republic." Both publications are available at all news stands and book stores.

If there is to the knowledge of anyone subversive literature over there, I trust he will give the information to the Committee.

Mr. Duff:

Mr. President: We have over in the

North Side Library a man in whom I have the greatest confidence. George Seibel is a scholar and a gentleman, and I think as patriotic as any of us, and a man of good judgment. In the absence of some specific information as to whether there are actually books or periodicals or writings which are subversive and against the public interest, I am not inclined to hold up this bill.

What it is for is the ordinary magazines and publications you find in the Carnegie Library, and the same remarks that Mr. Gallagher made might well be made to the Main branch of the Library.

Mr. Gallagher:

Mr. President: I have no positive information. I just have a sort of suspicion. Probably there is some of this propaganda. As far as the Carnegie Library is concerned, we do not have the same jurisdiction there that we have in the Carnegie Free Library of the North Side, because the North Side Carnegie Free Library is under the jurisdiction of Council. Carnegie Library we just supply out of tax money. I am not accusing anybody, but in view of what I said before, the casualty list coming back and we have to ferret these people out wherever we can find them.

I am connected with some fraternal organizations that have been fighting Communism for years, and we are all reading in the newspapers what is going on in the past week or two, and that is what prompted me to ask that this item be scrutinized to find out if there is any propaganda being fed our people.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Wolk
Fagan	Kilgallen (Pres't.)

Noes:—Mr. Gallagher.

Ayes 6. Noes 1.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also

MOTIONS AND RESOLUTIONS

The Chair presented

No. 1476. Communication from the City Firemen's Protective Association requesting an increase in salaries and improvement in working conditions for members of the Bureau of Fire, effective January 1, 1951.

Which was read and referred to the Committee on Finance.

Mr. Demmler:

Mr. President: At the meeting of Council held September 5, 1950, we approved Bill No. 1348, which included a bill from the Pittsburgh News Company for \$2,446.80.

At that meeting I stated, "I cannot speak for the other two members, but I have not been able to make a detailed study. Neither would we have

time to censure all of the literature that goes in there."

I will say that I have here a copy of the bill of the Pittsburgh News Company covering the period from November 18, 1949 to March 13, 1950, which is a list of 393 books purchased for a total of \$1003.12. I also have a copy of a bill here from Doubleday and Company, Inc., covering the period from January 3, 1950 to July 20, 1950, for a total of \$282.25. In addition to these books, 557 periodicals arrive at the North Side Library.

In the Manual of the North Side Carnegie Library, the closing paragraphs of the same read as follows:

"Publications of violently controversial or partisan nature could be kept in a drawer and produced only on a special request by patrons.

"Judgment should be used to distinguish between data and argument or vituperative and one-sided propaganda. A library serves students and patrons of all shades of opinion. In spare moments read Milton's 'Areopagitica'."

As I stated last week at the end of my remarks, which I will now repeat: "If there is to the knowledge of anyone subversive literature over there, I trust he will give the information to the Committee."

So, anyone who wishes to look over this list of periodicals may feel free to do so.

Mr. Gallagher:

Mr. President: I am glad to hear that report from Mr. Demmler and I do not want to get into any controversy. There are thousands of books over there, and the only thing that is worrying me is if there are one or two periodicals that advocate the overthrow of this form of government. That is what I am concerned about.

I want to compliment Mr. Demmler on his detailed report, but that does not answer the question. Is there any literature over there that advocates the overthrow of our form of government? In the amount of money paid to the

Pittsburgh News Company there was an item of \$117.00 or 130 some dollars for periodicals, and that is what was worrying me, in that sum was there any propaganda sheets advocating the overthrow of our form of government.

Mr. Demmler:

Mr. President: I will give the list of these periodicals to Mr. Gallagher and if he will inform me to what periodicals

reference is made, I will be glad to take it up.

Mr. Wolk moved

That the Minutes of Council of Tuesday, September 5, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

Mr. Stewart presented

No. 1501.

Mayor's Office,

September 18, 1950.

Honorable Wm. Alvah Stewart,
Chairman, Special Committee of
Council, City of Pittsburgh.

Dear Mr. Stewart:

In the report of your committee's investigation of the alleged misuse of City labor and materials, it was recommended, among other things, that the Mayor request, jointly with Council, the Pennsylvania Economy League to make a survey of the operations of the Department of Lands and Buildings.

The report of the League's survey has now been sent to me and I am forwarding it to you, with copies for each member, for our joint consideration.

The report is the typically thorough work we have learned to expect from the League and I am sure that it will give us a blueprint for the more effective administration of the Department.

While it is critical of certain phases of the present operations, it is constructive criticism of the kind which this administration always welcomes because it's given guidance and encouragement in rendering better service to the people of Pittsburgh.

Some of the changes recommended are possible of accomplishment by administrative action. Others will require legislative action by Council.

So that the full usefulness of the report may be realized, I suggest that the Council create a sub-committee to review its recommendations in cooperation with an appropriate group of administrative officers of the City which I will designate.

I have been assured that the Economy League will continue to assist the City government in the installation of the procedures which it suggests.

Very truly yours,

David L. Lawrence,
Mayor.

MOTIONS AND RESOLUTIONS

Mr. Stewart:

Mr. President: In his letter transmitting to us a survey by the Pennsylvania Economy League of the Department of Lands and Buildings, the Mayor suggested that a sub-committee be named to work with the committee which he would appoint.

The Mayor has appointed three members to represent the executive branch of the government.

I, therefore, move, in order that the committee may begin to function that Mr. Fagan, Mr. Duff and Mr. Weir be named as a special committee of this

Body to work with the members appointed by the Mayor in connection with the proposed changes in this Department.

Mr. Fagan:

Mr. President: I would like to amend the motion that Councilman William A. Stewart, Chairman of the Investigating Committee, be made a member of the Committee, ex-officio.

Which motion prevailed.

And the question recurring on the adoption of the motion, as amended, the motion prevailed.

Mr. Demmler moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Duff on September 13, 1950;

Mr. Leonard on September 5, 6, 11, 12, 13, 18, 19, 20 and 25, 1950;

Mr. Stewart on September 6, 1950;

Mr. Weir on September 5, 13, 18, 19 and 20, 1950;

Mr. Wolk on September 12 and 13, 1950.

Which motion prevailed.

Mr. Wolk moved

That the Minutes of Council of Monday, September 18, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk
Council adjourned.

And the rule having been suspended, the resolutions were read a second time.

Mr. Fagan:

Mr. President: These sales have been approved by the three taxing bodies.

I read in the newspaper yesterday where there was some discussion, where apparently Commissioner Hillman is suggesting that a picture or something be taken of the land or building or something like that and put into book form. I did not go into the details of it, but the understanding that we had with the other two taxing bodies in the early part of 1950 is still good where we go out and examine the property, the representatives of the three taxing bodies. Of course, later, the School Board said they would not interest themselves unless the value was more than five thousand dollars. As far as I am concerned, the offer was made to them so there can be no criticism or at least no unjust criticism as to how property is being sold.

There is no desire on the part of the Chairman of the Lands, Buildings and Housing Committee or the Director of the Department of Lands and Building or any of the men who are part of

this set-up of the City Government not to do everything they can to see that the City gets every penny it can for either land or buildings that may be disposed of.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler

Weir

Duff

Wolk

Fagan

Kilgallen, (Pres't)

Gallagher

(Mr. Leonard not voting).

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Safety in letters addressed to the Mayor and the City Controller under date of September 25, 1950, has stated that due to the increase in the volume of plans submitted and permits issued in the Bureau of Building Inspection, Department of Public Safety, an emergency has arisen requiring the amendment of the Salary Ordinance by creating the additional positions of—

Senior Plan Examiner.....
.....\$5,000.00 per year
Engineer—Part time.....
.....\$3,600.00 per year
(60 hrs. per month at \$300.00)

and

Whereas, Such appears as good and sufficient reasons to impel the certification of an emergency under the circumstances;

Now, Therefore, we, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh, the existence of an emergency requiring the amendment of the Salary Ordinance by creating the additional positions of—

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Works in letters addressed to the Mayor and the City Controller under date of October 11, 1950, has stated that it is necessary to employ an Auto Truck Driver in the Bureau of Tests, Department of Public Works, for the purpose of collecting samples of cement, brick, terra cotta pipe and other materials to be furnished the City on contract. These samples are inspected at the laboratory to determine whether or not they meet the City's specifications. This person is also required to drive and operate the Core Drill Truck which is used for checking the thickness of concrete streets and the reinforcements in streets. His services must be available at all times as a Truck Driver; and

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh, the existence of an emergency requiring the employment of an Auto Truck Driver in the Bureau of Tests, Department of Public Works, for the reasons above stated.

Which was read.

Mr. Demmler moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Demmler:

Mr. President: The following remarks were written for the Council meeting of October 9th, and not made because of deferred action on this bill:—

There is before us Council Bill No. 1563, File No. 887, which is an ordinance asking for the extension of rent control.

In the meeting of the Committee on Finance, October 3rd, 1950, I stated, "I do not agree with all the statements in the resolution. While there is a shortage of houses, I do not think the continuance of rent control will provide more houses. I did not know the bill was to come up this soon or I would have had more information at hand."

I am convinced that the extension of rent control will not produce the housing which is desired. There are ways in which inducements could be offered for the erection of residential rental housing and for making the same an inducement for investors.

My position on this question of the extension of rent control in no way effects my position regarding public housing. I fully approve of what the Pittsburgh Housing Authority has done in the past, is now doing and of their plans for future development and expansion.

Mr. Fagan:

Mr. President: Speaking in behalf of Bill No. 1563, File No. 887, I want to go on record as being in favor of rent control. We hear that if controls are taken off there would be modest increases in rent. Well, the Township of Mt. Lebanon took rent controls off, and I think the gentleman's name was Stevenson, who was head of the realtors, said they would have modest increases. I understand that in the Roseland Apartments in Mt. Lebanon, the day after the controls were taken off, they had been notified of a 38% increase in

their rents. Before coming into the meeting, I talked with a gentleman who lives in an apartment in Brookline, in the 19th Ward, and back in 1937 they agreed to a 15% increase in rent, and this man and everybody in that apartment got notice that their rents were going to be increased substantially. In every city where they have taken off rent controls, the rents have been increased anywhere from 10% to as high as 40%.

I have a few remarks I jotted down here for the record:—

From my own observations and personal study, as well as listening to the arguments presented by the Pittsburgh Real Estate Board in Council recently, I have come to the conclusion, and it is my earnest and sincere feeling in the matter, that the local rent control program must be continued until the Federal Rent Act expires.

First: In inquiring around at the various real estate offices and talking with men, well known in this field, I find that there are such long waiting lists for rooms and houses by tenants at these rental offices, that they cannot simply meet the demands for a long, long time to come. This, in itself, should be positive evidence that a great shortage now exists and will intolerably be increased were controls allowed to expire. The present shortage of houses is too acute a vital problem to permit any further obstacles to be thrown into its path, and this would be the case were the controls removed, for there would not only be unreasonable and unconscientious increases in rents on the part of many landlords, but wholesale evictions of all types would be legally commenced.

Second: In making a special study of the situation of places where rent controls were removed, I have learned that rents have increased from 15% to 40%, statistics furnished by the Bureau of Labor Statistics in its magazine of March, 1950. These increases affect primarily those in the low and moderate income groups. To allow such an imposition to repeat itself in Pittsburgh, would be unwise and folly, particularly

now when emergency restrictions have been put on building.

Primarily for these two reasons, I feel it to be wholesome and wise to continue the Rent Control Program until the Federal Act expires.

When the time arrives when the supply of housing accommodations meets the demand, I will be the first to vote for the removal of controls, as I don't think we should have controls when they are not necessary.

Mr. President, I think rent controls are absolutely necessary at the moment, because of the study that other men and I have made, and there isn't any doubt about it.

I agree there are some people, probably some small landlords, who are being punished, but this is one of the times that the innocent have to suffer with the guilty. It is a big problem, and we know that some of the wage earners of the City, County and State, that their wages will not warrant any increase in rents.

Mr. Gallagher:

Mr. President: For the record I want to say that I am in favor of this ordinance to continue rent control. Just last week a friend of mine came to me. He lives in an apartment out in Carrick. The landlord converted from coal to gas heat and he had some repairs to make on the roof. He told the tenants he was going to increase the rent 25%. I sent this man to the rent control office and they looked into the amount of money he had spent, and the rent control office said the landlord was entitled to 5%. That is just a glaring example of what would happen if we did not extend rent control.

As Mr. Fagan has stated, there are some landlords who are suffering, but they have redress. The landlord can go before the Rent Control Board and state the amount of money he has spent and that he is not getting a fair return, and the Rent Control office will permit him to increase his rent. In order to get a lease about a year ago, they agreed to a 15% increase, and that

entitled them to have a lease until next July 1st. Many of them have already paid the 15% increase.

If Council does not extend rent control, I predict that rents will go up 25% in some localities and in others, 40% to 50%. So, for one, I am in favor of extending rent control until Congress enacts a new law.

Mr. Leonard:

Mr. President: I do not want to reiterate what Councilmen Fagan and Gallagher have said, but I would like to submit another phase that has entered into the matter. I am much in favor of continuance of rent control.

About twenty-six months ago the F. H. A. gave very liberal financial concessions. They loaned up to 90% and 94% for home building and for rental housing. They made the financial application very lenient, and in this area millions and millions of dollars, the record will show, was given out to applicants to build rental housing. There were practically no applications whatsoever, or none to amount to anything, ever made for rental housing on the individual type of house. All of that money was used for apartment construction, and the apartment construction has gone into the one hundred, one hundred twenty-five, one thirty-five and one hundred fifty dollar a month bracket. Here in Pittsburgh, there is no doubt in my mind, and I think the record will show, they secured more money in this area than anywhere else in the United States, with the exception of the west coast.

City Council had the foresight to rezone for apartments in certain residential districts property that was laying idle, particularly in the Fifth Avenue and Shadyside districts, that everybody talked about and nobody did anything about, and we had the foresight to go in and rezone the property, and forty-seven apartment buildings were built. We knew they were going to be in the high-rent bracket and I think we were right when we rezoned that area and got the buildings in there. Our fundamental purpose was to get buildings on that land, and we did it, and we did

a good job. Our purpose was to use up the supply and demand, and we would eventually get apartment buildings that are in existence and were in existence at that time, where we would come in and help the fifty, sixty and seventy-five dollar a week man. That was our purpose. A good job was done on the construction of the apartments and the apartments are continually going up. In the meantime, the home builders of Allegheny County and the real estate people did not do anything to help this with all this money that was put up. Their only interest was to continue to build big apartment buildings in the one hundred, one hundred twenty-five and one hundred thirty-five dollar a month bracket. Today, there is an internal fight among themselves because of the six and eight story apartments being erected on Center Avenue where they have elevators. Nobody has fought or taken the lead for the man who is making fifty, sixty and seventy-five dollars a week.

I will grant what Councilman Fagan has said is true, that some little people have a justified "beef". Maybe they own a couple of homes and they are under rent control. They are the good landlords and they are suffering, but they have to suffer to a certain extent, because we are supposed to and must take care of the masses of the people. This is a country where the majority, and not the minority, rules.

Right here in the City of Pittsburgh, one of the first to sponsor rent control and adopt it and give it a little publicity was the Pittsburgh Central Labor Union and the American Federation of Labor, representing 100,000 members in Allegheny County, with a majority in the City of Pittsburgh. Some of these men own their own homes and may own an additional home, and they are not demanding elimination of rent control. They own their own homes, but want to help their fellow-man who makes a little less money, and if we take the fifty and sixty dollar a week man today, some of us might think that is pretty good money, but that means only about thirty-eight dollars. These are economic problems we are up against. The man who is up against

it most is the white-collar worker. He does not own his own home and he is in a tough spot because he is not organized. He must wear good clothes and have a respectable place to live, dress his children decently and send them to fine schools, and keep up with the Joneses, and he may be employed by a big corporation or a bank, and he is in a tough spot.

Unfairly, I think some of the charges are being made by the leaders opposing this rent control, and I have recently listened to the radio soliciting aid against these controls and talk like that, because this Council attempts to continue rent control. We are doing that and I know I am doing that from my heart and what I think is the best thing to help people over the economic condition.

I say to the Real Estate Board and home builders in Allegheny County, and in private life I represent a certain group of people who work for them and I say they missed the boat. They were interested in coming in here and getting big profits out of the construction field. I tell you that home building is shut down in Allegheny County. Their applications will not be accepted 90% and 94%, and where the speculative builder has been building and taking advantage of this. Go out in the suburbs and price the houses that are going up and as soon as this takes place, within thirty or sixty days you will see a couple thousand dollars more going on those houses than you could buy them right now for, because they know there is going to be a shutdown. A fifteen thousand dollar house is going to cost seventeen thousand and a seventeen thousand dollar house is going to cost twenty thousand, and that is the way the market rises with a lot of land sharks. Mr. Fagan pointed out the example of one apartment in Mt. Lebanon, and the officials of Mt. Lebanon should not have the say and the running of the City of Pittsburgh. Sincerely, that is the reason I am for rent control. I am fortunate. I have a mortgage in buying my own home and the home near me has a mortgage. It does not affect me at all. The purpose of rent control is to protect the masses.

Nothing is being done for the people in the fifty, sixty and seventy dollar a month rental class. They only build apartments renting for eighty to one hundred fifty dollars a month. The record proves it. Look at the property in the Hill district. The real estate is owned by a few privileged families, and they have only made repairs that the Department of Public Health ordered them to make. He is the one who wants rent controls lifted. If the 'landlords of this city, known as the workshop of the world, ever attempted to lift rent control in a time like this, facing another emergency, I am not for it.

And the bill, as read a second time, was agreed to.

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, Charles D. McCarthy, Executive Secretary to the Mayor, in a letter dated October 23, 1950, addressed to the City Controller, has stated that due to the increase in the volume of business in the Office of the Mayor, Division of Traffic Court, it is necessary to hire two (2) additional typist-clerks, immediately, to work in said Court; and

Whereas, Due to the existing back-log of tags which have not been processed, it is necessary to hire, on a temporary basis, three additional typist-clerks and one additional clerk to prepare warrants from the tags which have now been catalogued by a crew who have been working evenings at Traffic Court for approximately the past two months for this purpose; and

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh, the existence of an emergency requiring the Amendment of Salary Ordinance by creating the additional positions of:

Two (2) additional typist-clerks

Three (3) additional typist-clerks on a temporary basis, and

One (1) additional clerk on a temporary basis

in order to properly handle the increased volume of business in Traffic Court and the preparation of warrants from tags in the Department of the

Mayor, Division of Traffic Court.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the resolutions were read a second time.

Mr. Fagan:

Mr. President: Last Friday afternoon the three taxing bodies, the School Board, the County Commissioners and representatives from the City of Pittsburgh, had a meeting. A resolution was presented before the three taxing bodies to abolish the commission for the selling of property. Of course, I opposed it very bitterly and voted against it, because, I said then and I repeat now that the laborer is worthy of his hire, even though it be Mario L. Bove.

On the 17th of October we sold 47 pieces or parcels of property. There were commissions on four pieces of that property and the commission amounted to \$1,463.73. I think we have made a mistake. I think we should offer commissions so interested real

estate agents will go out and look for property and work up property to get good buyers and purchasers and sometimes get a little more money for the property; but apparently, both the School Board and the County Commissioners feel the payment of commissions should be abolished.

Of course, I have only been here a short time, but the men who have been here say that when there was no commissions paid no property was sold. There was a time when the City sold as low as six and eight thousand dollars worth of property; and since that time in one year we have sold pretty close to a million dollars worth and in the last several years, several millions, which has meant a lot to the City of Pittsburgh. But I was argued down and voted down, and so, I make this report.

Since that meeting I have been informed that the School Board pays commissions when they sell buildings, but it isn't right for us to do so. I think it was a foolish action, but time will tell if I was right and they were wrong.

Mr. Weir:

Mr. President: I would be inclined to agree with Mr. Fagan. Not only would it seem to be foolish but as I understand it would be unnecessary, because, and Mr. Fagan can correct me if I am wrong, when a piece came up, it would apparently, until this action was taken, have a need in so determining whether it was not subject to a commission. What difference does it make whether commissions are paid?

The Chair:

I assume by reason of the action taken by these bodies it will be necessary for us to notify the Director of the Department of Lands and Buildings that no further commissions will be allowed on future sales of property.

Mr. Fagan:

Mr. President: That is right, effective October 25, 1950.

Mr. Wolk:

Mr. President: The purpose of paying commissions is to get men in that business to seek out customers who might be willing to purchase. If you do not pay commissions you will of course sell properties but you will sell to people who are interested in advance but you won't have agents out looking for customers.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Weir
Fagan	Wolk
Gallagher	Duff, (Pres't
Leonard	Pro tem.)
Stewart	

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

MOTIONS AND RESOLUTIONS

Mr. Fagan moved

That the action of the Allegheny County Commissioners, the representatives of the Board of Public Education of Pittsburgh and the representatives of the City of Pittsburgh in discontinuing the practice of paying commissions to real estate brokers on any property disposed of by the taxing bodies become effective as of October 25, 1950.

Which motion prevailed.

Mr. Weir moved

That the City Clerk be authorized to advertise Bill Nos. 1515, 1658, 1679, 1563 and 1699 in the Pittsburgh Daily Reporter.

Which motion prevailed.

Mr. Fagan moved

James W. Patterson,
CITY CLERK.

Re: Newspaper Advertisement

Dear Sir:

I am informed that Bill No. 1680 was passed by Council yesterday; the Common Pleas Court yesterday also entered an order authorizing advertising in the Pittsburgh Daily Reporter during the period of suspension of publication of the regular papers with an order that advertisement in the Pittsburgh Daily Reporter of urgent ordinances, proposals, etc., shall be deemed sufficient compliance with the requirements of law for the duration of the present emergency. I believe you have a copy of this Order of Court.

As you know, the Pittsburgh Daily Reporter has agreed to take a limited number of advertisements so that only the most urgent ordinances should be advertised at this time. Since the Works and Supplies Departments will also have urgent matters to advertise, would it be wise to set up some sort of a clearing house either in your office or the Mayor's office to decide priority among the various advertisements which may be needed?

Very truly yours,

Bennett Rodgers,

First Asst. City Solicitor.

IN THE COURT OF COMMON PLEAS
OF ALLEGHENY COUNTY,
PENNSYLVANIA

IN RE:

Advertising Legal Notices

PETITION OF THE CITY OF
PITTSBURGH

TO THE HONORABLE,
THE JUDGES OF SAID COURT:

The Petition of the City of Pittsburgh, by David L. Lawrence, Mayor, respectfully represents:

1. That the Charter Act of 1901, P. L. 20, requires the City of Pittsburgh, a city of the second class, to publish all legislative enactments, proposals for public works and supplies and official notices in the official newspapers of the City.

2. That the Pittsburgh Sun-Telegraph and the Pittsburgh Post-Gazette have been designated the official newspapers of the City of Pittsburgh by contract awarded pursuant to the Act of 1901, Article XV, Section 1.

3. That on October 2, 1950, all three Pittsburgh daily papers of general circulation, including the Pittsburgh Sun-Telegraph and the Pittsburgh Post-Gazette, suspended publication because of a labor-management dispute; that said suspension still continues and that the Pittsburgh Sun-Telegraph and the Pittsburgh Post-Gazette have not published since Oct. 2, 1950, a period of more than three weeks to date.

4. That on October 15, 1950, the staffs of the discontinued Pittsburgh daily newspapers organized the Pittsburgh Daily Reporter, a temporary daily newspaper for the purpose of filling the place of the discontinued newspapers by furnishing news to the people of the City of Pittsburgh. This publication is available daily in all parts of the City and has reached a circulation of 120,000. This temporary daily newspaper furnishes the widest circulation available in the City of Pittsburgh.

5. Your Petitioner avers that by reason of the suspension of publication of the Pittsburgh Sun-Telegraph and the Pittsburgh Post-Gazette a serious and immediate crisis has developed in the conduct of municipal affairs of the City of Pittsburgh. It is further averred that during this critical period advertising of necessary and vital municipal actions must be conducted through the best and widest newspaper circulation

available, to-wit, the Pittsburgh Daily Reporter.

Wherefore, your Petitioner prays that an Order be made authorizing and directing the City of Pittsburgh, during the continuance of the present emergency, to give public notice of urgent ordinance, proposals for public works and supplies and official notices by publication in the Pittsburgh Daily Reporter.

And your Petitioner will ever pray.

CITY OF PITTSBURGH

Mr. President: On Bill No. 1769, File No. 1009, for the sale of a lot on Fordham avenue, you will note in the bill that the amount offered is \$750.00 and the assessment is only \$400.00. Apparently John M. Santora wants to buy the lot, but Mr. McIntyre, who lives next door to the property, is also interested in it, and this piece of legislation will eventually land in the Courts, because Mr. Santora is a contractor and Mr. McIntyre is an individual and is interested in purchasing the property, and so it will go to Court, and the chances are a bid higher than the present offer made by Mr. Santora will be made despite the fact that the lot is assessed at \$400.00.

This lot is at the lower end of Fordham avenue, at Sussex street, which, for a long time, has not been very desirable property, but Mr. Santora has property there and has built a number of homes. This proposal will eventually go into the Courts.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Mr. Wolk moved
That the Minutes of Council of
Monday, November 6, 1950, be approved.

Which motion prevailed.
And upon motion of Mr. Gallagher
Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Stewart:

Mr. President: Under presentations I introduced a bill (No. 1850) which proposes a change in the zoning map. I would like to state that I do not think this is a departure from the attitude I have had with respect to changes of zone at this time.

In view of the fact that we will soon have before us a new comprehensive zoning ordinance, I see no particular reason to discuss it now.

This is a very unusual case in which the person, acting in good faith, made a considerable expenditure of money under the representation from proper authorities that it was zoned for that use, and after it was finished it was found there had been a mistake. That is the reason I presented this Ordinance. It seems a clear case that ought to have our attention.

Mr. Wolk moved

That the Minutes of Council of Monday, November 13, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Weir:

Mr. President: Under presentations a bill (No. 1882) was introduced which proposes an amendment to the Zoning Ordinance.

I wish to explain my introduction of this bill in view of our agreement that zoning ordinances would not be introduced at the present time.

The planning Commission asked me to introduce this ordinance two weeks ago. Meanwhile we reached an understanding that there would be no zoning ordinances introduced except in emergency cases. However, last week the Planning Commission again asked me to introduce this bill. It does not mean that I am going to urge its passage at the present time.

Mr. Fagan moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Demmler on November 20 and 21, 1950;

Mr. Leonard on November 15, 1950;

Mr. Kilgallen, (Pres't) on November 27, 1950.

Which motion prevailed.

Mr. Demmler moved

That Council recess until 2:40 o'clock, p. m.

Which motion prevailed.

And

Council recessed.

And the hour of 2:40 o'clock, p. m., having arrived and the time of the recess having expired, Council reconvened, and there were:

Present:—Messrs.

Demmler	Weir
Fagan	Wolk
Gallagher	Duff, (Pres't
Leonard	Pro tem.).
Stewart	

Absent: Mr. Kilgallen, (Pres't).

Mr. Demmler (for Mr. Duff) presented

No. 1897. Report of the Committee on Finance for November 27, 1950, transmitting a Certificate of Emergency and an ordinance to Council.

Which was read, received and filed.

Mr. Demmler moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

Which motion prevailed.

Also

Bill No. 1862.

DECLARATION OF EMERGENCY

Whereas, A great snow storm of unprecedented severity has covered the Pittsburgh district, blocking streets and highways, interrupting business and manufacturing and severely hampering the Police and Fire Bureaus in the performance of safety functions and placing a terrific burden on the City forces faced with the task of clearing the streets to permit the resumption of normal traffic, and

Whereas, The equipment and labor forces provided by the 1950 budget, while adequate for all normal demands, are insufficient to combat this unprecedented emergency, Now, therefore,

We, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby declare that an emergency exists requiring an additional appropriation by the City of Pittsburgh in the sum of \$250,000.00 to provide funds for extra employees and overtime pay for regular employees, and to procure equipment, tools, supplies and incidentals, and any additional

services that the emergency may require.

DAVID L. LAWRENCE,
Mayor.

EDWARD R. FREY,
City Controller.

Dated: Nov. 27, 1950.

In Finance Committee, November 27, 1950, read and ordered returned to Council to be incorporated in the record.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1863. An Ordinance entitled, "An Ordinance making an emergency appropriation in the sum of \$250,000.00 for snow removal."

Which was read.

Mr. Demmler moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

The Chair:

This seems to me to indicate the intention of Council to utilize the resources of the City in order that the present emergency shall be met and that the normal functions of the City be restored as quickly as possible.

When I went out at noon I noticed a number of cars are now being parked in the streets, and it strikes me that that is a condition that should not be allowed to exist so long as the snow remains on the streets. It is going to impede the cleaning up of this heavy snowfall. One thing I noticed that cars are going along the streets not equipped with chains, and I think what we ought to do is to caution the citizens of Pittsburgh to observe their duty to the City. They ought to keep out of the City except where absolutely necessary, and in no event should they park on the principal highways, and I do not think they ought to be allowed to come in, in view of the slippery condition of the streets without chains. If this condition continues I am going to take it upon myself to introduce legislation to

impose heavy fines on those persons who are thoughtless enough to do those things.

Mr. Stewart:

Mr. President: I heard a broadcast just a few minutes before I came to this meeting in which the matter of cars driving without chains was discussed. It was stated those cars would be ordered from the highways, in line with the discussion we had this morning, and it seems to me if it is given considerable publicity on radio broadcasts and in the newspapers, it will probably have the desired results. It seems to me that we have enough power to handle the matter and will not need legislation.

Mr. Leonard:

Mr. President: This appropriation, we do not know whether it will be more or less. If it is more we will have to appropriate more. What does this include?

The Chair:

This is an appropriation of money enabling the executive department to employ personnel and equipment reasonably necessary to remove this snow and to perform all the acts incidental to the general purposes.

Mr. Leonard:

Mr. President: There is one question. Due to it being an emergency, it will also include hiring of additional equipment, is there any set fee for hiring equipment, or is it up to the Director? Is there any set fee?

Mr. Demmler:

Mr. President: I might state I asked Director Devlin this morning when I saw a high-lift being used on private property, why he did not get all the equipment, and his answer was, "I am only paying the contractors the rates published by the Heavy Contractors Association." So, these men may be charging extra. The Director says he is only paying the established fee.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read

and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Weir
Fagan	Wolk
Gallagher	Duff, (Pres't
Leonard	Pro tem.).

Which was read and referred to the Committee on Lands, Buildings and Housing.

Mr. Duff moved

That the Mayor be invited to appear before Council to present his Message and Budget Estimates for 1951.

Which motion prevailed.

The Chair appointed Messrs. Duff and Fagan to inform the Mayor of the action of Council and to escort him to the Council Chamber and in the meantime we will be at ease.

After the return of the Committee and the Mayor, Mr. Duff:

Mr. President, your Committee presents the Honorable David L. Lawrence, Mayor of the City of Pittsburgh.

The Chair: The Committee is discharged with the thanks of Council. Gentlemen, the Mayor of Pittsburgh.

Mayor Lawrence:

President and Members,
City Council of Pittsburgh.

Gentlemen:

I have the honor to submit herewith budget estimates for the operation of the business of the City during the calendar year of 1951.

The year will be a difficult one in municipal administration.

In 1948, we adopted a municipal fiscal program which was adequate to meet the city's needs at the price-wage level then prevailing, and which, in fact, created a comfortable surplus for us which was used in our 1949 operations to meet certain necessary expansions in our services. It then seemed that with due prudence, the city's revenue structure and its operating costs could be kept in a workable balance.

Now, in making a budget for 1951, we find that the city, like the private citizen, is sharply affected by the inflationary pressure of the times. The city must pay more for the things it buys. And it must provide for an upward readjustment of the wages and salaries of its employees, so that they are able to meet the rising cost of living.

Unlike some private business, how-

ever, the city cannot simply add increased costs to the price of its product. The city government provides services which are necessary to the life of the community, and the demand for these services in such fields as police protection, public health, and public recreation is expanding with the continued rise in our living standards. To provide these services, the city can, in some instances, set charges that reflect its costs, but in the main it must depend upon taxes which are drawn from the values that its citizens create.

Our whole concentration in recent years has been directed at a community effort to vastly increase these values.

That effort we must continue with redoubled vigor.

This budget is geared to that continuance.

The printed estimates which I submit to you call for expenditures of \$32,238,309. I find that I must urge Council to add to this basic budget approximately \$2,500,000 for wage and salary increases for the employees of the city, and that the salary bill be so revised as to correct the many inequalities that have been developed in the city's pay schedules. In considering salary readjustments, I recommend to Council that it give consideration to the special conditions existing in the police and fire bureaus, where the hours of work in many instances are beyond the normal work week required of other city employees.

The city administration, realizing that municipal employees are entitled to pension systems which provide properly against retirement and old age, will sponsor legislation at the forthcoming session of the legislature revising pension standards so that they reflect the changes in purchasing power which are a part of today's wage-price relationship.

The public, which pays the salaries of everyone of us who is in the city's service, has the right to expect, in recompense, that every city employee will make a fair return in the form of hard work, loyalty to the commu-

nity, and maximum efficiency on his or her job.

The basic budget contains the means for the continued improvement of the city's health services in accordance with the recommendations of the Public Health Department and in furtherance of the program in progress to accomplish the goals of the United States Public Health Service Survey.

I suggest to Council that it add \$25,000 to the budget for the initiation of a flourine addition to the City's water supply, which has been recommended strongly by the dental profession and public health experts as a means of protecting our children's teeth.

The budget as submitted does not provide for the reorganization of certain divisions of the Department of Lands and Buildings because the special committee appointed to review study findings has not yet completed its task. I hope that the final appropriation and salary bills will embody the committee's recommendations.

I further suggest to Council that the budget provide \$25,000 for the city's share of the equipment costs of the new city-county crime laboratory which is being set up jointly with the District Attorney.

The need for additional personnel in the police bureau still exists, and I recommend to Council that fifty new patrolmen be added to the force, at a cost of approximately \$150,000. The budget should also be adjusted to provide a proper command personnel for the new communications center, which is functioning well and in performance is meeting all our expectations.

With these additions, the budget will be \$34,938,309.

Against this, we can list anticipated revenues, as per the City Treasurer's estimates, of \$32,607,000. These estimates of revenues are based upon present city tax rates and charges.

To bring the budget into balance, I must recommend to Council that the whole schedule of the city's water charges be revised by a rate change which will net the city approximately

\$2,350,000 in additional cash receipts in 1951. This can be done and still leave the city's water charge to the average Pittsburgh house holder at a figure considerably lower than the charge in such suburban areas as Mt. Lebanon, Dormont, Brentwood, Wilkinsburg, Penn Township, West View and Ross Township.

The budget does not call for any increase in the real estate tax rate, or for any increase in the rate of the city's mercantile, amusement, or personal property taxes, or for any additional special taxes, during 1951.

This is a conscious decision, made to avoid the undesirable impact of such additional taxation upon our present municipal economy and to give us time to benefit from the new values being created by the gigantic improvement program now in progress.

The budget provides for the refunding at maturity of \$3,000,000 in bonds that come due in 1951.

We believe that it is better to slow down the rate of the city's debt retirement, much as we regret to do so, than to enact a tax increase that might have a destructive effect upon the rate of growth of the community. Our debt structure has been capably handled, as the twenty-five per cent reduction from the 1940 figure of \$62,500,000 in net debt to the beginning 1950 figure of \$46,800,000, shows; and, in my judgment, can be safely controlled in this period while we are waiting for values to increase and reflect themselves in tax sources.

The hope of this city is in its redevelopment; commercial, industrial, and residential reconstruction is the only firm basis upon which we can face the future.

We cannot succeed if we plan to tax more and more from less and less.

The three million dollars which is deducted from this budget by our refinancing schedule would require an additional four mills in taxation on land and two mills in taxation on buildings, were we to make it up through taxation. I think we must prefer to see what the immediate future

will do for us in increased values and assessments.

There are only three other possibilities before us.

One is the levy of a wage-income tax, to which this administration is opposed because it does not differentiate, under Pennsylvania law, between the income of the very rich and the very poor.

The second is the levy of a sales tax, which is not only unfair in its application, but utterly destructive of business in a city such as Pittsburgh with a huge metropolitan area upon which it depends for trade.

The third is the denial to city employees of a living wage and an unprecedented cut-back in municipal services, both of which are clearly contrary to the desires and the hopes of the people of this city.

I think that we are taking the progressive, forward-looking course. It is one of faith in the economy of our country and our city, and one of belief in our future.

All our hopes are based, of course, on the preservation of peace in the world and of freedom in our land.

Another shattering world war, with economic and social strains beyond our comprehension, would make all human planning empty and fruitless.

I know that the Council and that all the people of Pittsburgh will join me in a prayer to the Almighty that such ultimate catastrophe will be averted.

Should we be granted a period of peace, I am confident that Pittsburgh, which is moving ahead with such vigorous strides, will be able to meet all the tests of a challenging and dynamic future.

The Chair: If there is no objection, the Mayor's Message and the Budget Estimates will be referred to the Finance Committee.

Mr. Demmler:

Mr. President: This budget message from the Mayor contains many items which will be enlarged upon during

the coming weeks, months and even years.

One item to which I wish to call attention today is the matter of the land and building valuations. These values should definitely increase, especially the land values.

For 1931 the taxable land values of the City amounted to \$590,968,170, with a millage of 25.5.

For 1941 the taxable land values of the City amounted to \$504,089,300.00, a decrease of \$86,878,870.

For 1951 the taxable land values of the City amounted to \$419,015,283, a decrease of \$171,952,887, or a decrease of 29.1% over 1931.

Why this great decrease of the taxable land values in the City is hard to explain in view of the fact that the value of building permits for new buildings, alterations and extensions and repairs for the past nineteen years (not including 1950) total \$188,652,310. For the eleven months of 1950 the building permits amounted to \$89,670,701. Surely this shows a demand for land space.

I would also add that the taxable building values in the City for 1931 amounted to \$617,201,910. For 1951 they are \$592,915,086, a decrease of \$24,286,824, or a decrease of almost 4%.

This matter of assessments surely deserves most careful study during the coming year.

Mayor Lawrence:

I would like to report to Council on the very efficient and loyal service rendered to the City by the personnel of the City Administration in the recent snow storm picture.

There are very few places where there were any weak spots in cleaning up this City. Looking back a week and visualizing the regrettable condition the City was in, and looking at it today you can see the marvelous work that was performed.

I think I can express my thanks and assure them through you and the people the appreciation of a job very well done.

The Chair presented

No. 1922. Departmental Estimates for the fiscal year beginning January 1, 1951.

Which was read and referred to the Committee on Finance.

UNFINISHED BUSINESS

The Chair took up

Bill No. 1841. An Ordinance entitled, "An Ordinance transferring the aggregate sum of \$5,000.00 to Code Account 1655-2, Wages, Temporary Employees, Asphalt Plant, Bureau of Highways and Sewers, from Code Accounts 1603, Salaries, Regular employees, Bureau of Highways and Sewers, General Office, and Code Account 1802, Supplies, Department of Parks and Recreation."

CITY OF PITTSBURGH

CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in case of emergency when special appropriations may be made to meet the same; and

Whereas, the Director of the Department of Public Works, in letters addressed to the Mayor and the City Controller under date of September 14, 1950, has stated that an emergency has arisen in the Asphalt Plant of the Bureau of Highways and Sewers, making it necessary to transfer additional funds in the amount of \$5,000.00 to Code

Account 1655-2, Wages, Temporary Employees, so that it will be possible to carry on street maintenance work of the Asphalt Plant for the remainder of the current year; and

Whereas, such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, we, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh, the existence of an emergency requiring the transfer of \$5,000.00 to Code Account 1655-2, Wages, Temporary Employees of the Bureau of Highways and Sewers, Department of Public Works, so that it will be possible to carry on street maintenance work of the Asphalt Plant, Bureau of Highways and Sewers, for the remainder of the current year.

Ayes 9. Noes none.

And a majority of the votes of
Council being in the affirmative, the
motion prevailed.

Mr. Demmler:

Mr. President: The reason I made my
previous remarks regarding the assess-
ments is that on December 13, 1948,
Council had adopted Bill No. 1870,
calling upon the Board of Property
Assessment, Appeals and Review to pro-
vide us with certain information, and
to which resolution we never received
a reply.

Then on January 30, 1950, we passed
a resolution, No. 54, which again asked
the Board of Property Assessment, Ap-
peals and Review for certain informa-
tion, and to which resolution Council
has never received a reply.

It is for these reasons that I made
my previous remarks regarding assess-
ments, or one of the reasons. There
could be many more added.

Mr. Wolk moved

That the Minutes of Council of
Monday, November 20, and Monday,
November 27, 1950, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk
Council adjourned.

Mr. Duff presented

No. 1958. Report of the Committee on Finance for December 5, 1950, transmitting sundry ordinances and resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 1898. An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 486, entitled, 'An Ordinance to provide revenue for the City of Pittsburgh by imposing a tax on certain classes of personal property; providing for the assessment and collection of the same; conferring and imposing powers and duties on the City

Treasurer and imposing penalties, approved December 1, 1947, as amended by Ordinance No. 53, approved March 9, 1948, for the year 1951, and fixing the rate of the Pittsburgh City Personal property tax at two (2) mills on each \$1.00 of the value of personal property described in said Ordinance No. 486, as amended.

Which was read.

Also

Bill No. 1899. An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 488, entitled, 'An Ordinance to provide revenue for the City of Pittsburgh by imposing a mercantile license tax on persons engaging in certain occupations and businesses therein; providing for its levy and collection and for the issuance of mercantile licenses; and conferring and imposing powers and duties on the Treasurer of the City of Pittsburgh, and imposing penalties,' approved December 1, 1947, as amended by Ordinance No. 184, approved May 3, 1948, and as further amended by Ordinance No. 399, approved September 20, 1948, and Ordinance No. 585, approved December 8, 1949, for the year 1951, and fixing the rate of the Pittsburgh City mercantile tax at one (1) mill on the gross volume of business done by wholesalers and two (2) mills on the gross volume of business done by retailers within the City of Pittsburgh."

Which was read.

Also

Bill No. 1900. An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 487, entitled, 'An Ordinance to provide revenue for the City of Pittsburgh by imposing a tax upon the privilege of attending or engaging in amusements, including every form of entertainment, diversion, sport, recreation and pastime, requiring all persons, partnerships, associations and corporations conducting places of amusement to secure permits; imposing duties and conferring powers upon the Treasurer of the City of Pittsburgh; prescribing the method and manner of collecting the tax imposed by this ordinance, and imposing penalties for violation thereof,' approved December 1, 1947, as

Mr. Demmler:

Mr. President:—There is now before Council for passage Bills Nos. 1898, 1899 and 1900, File No. 1071, 1072 and 1073. These bills renew for 1951 the special taxes first passed in 1947, levied and effective in 1948.

I fully understand and appreciate the need for the revenue produced by these taxes to carry on the business of the City.

In the Municipal Record for 1947 on pages 558 to 563 and pages 571 to 575 there is recorded my opposition to these taxes. I need not restate my position as the record already clearly states the same.

During the past years nothing has occurred to cause me to change my position, and so I will again vote "No" on these three bills.

And the bills, as read a second time, were agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

of Public Health and under the control of the Bureau of Automotive Equipment, Department of Public Works and for the payment of the cost thereof."

Which was read,

Also

Bill No. 1825, An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of one station wagon, less trade-in, for the Department of City Planning, and for the payment thereof."

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time and agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also

Bill No. 1840. An Ordinance entitled, "An Ordinance amending Section 63 of the Salary Ordinance No. 621, 'Bridge and Fence Repairs and Repainting,' Bureau of Engineering, Department of Public Works, approved December 24, 1949, entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof.'"

In Finance Committee, December 5,

1950, bill read and ordered returned to Council with an affirmative recommendation, subject to the declaration of an emergency signed by the Mayor and the City Controller.

Which was read.

Also

No. 1959.

CITY OF PITTSBURGH

CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Works in letters addressed to the Mayor and the City Controller under date of November 13, 1950, has stated that an emergency has arisen in the Division of Bridges and Structures, Bridge and Fence Repairs and Repainting, Bureau of Engineering, Department of Public Works, making it necessary to amend the Salary Ordinance, Section 63, being Salary Ordinance No. 621, approved December 24, 1949 entitled: "An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh and the rate of compensation thereof" by eliminating the number of days in the above Section 63, for the reason that the Bridge and Fence Repairs and Repainting Forces are not set up in the above Ordinance to cover all the work days of 1950 and unless the number of days is eliminated it will be impossible to keep this force intact for the balance of the current year.

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, we DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council the existence of an emergency requiring the

elimination of the number of days in Bridge and Fence Repairs and Repainting Forces, Bureau of Engineering, as set up in Section 63 of Ordinance No. 621 approved December 24, 1949.

DAVID L. LAWRENCE,
Mayor.

EDWARD R. FREY,
Controller.

Dated: Dec. 1, 1950.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen (Pres't.)
Leonard	

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also

Bill No. 682. Resolution authorizing and directing the Delinquent Tax Collector to accept the sum of \$200.00 in full settlement of delinquent metered water charges against the property of Avery Memorial A. M. E. Zion Church, 709 Avery street, 23rd Ward, for the years 1944 to 1949, both inclusive.

Bill No. 1949. Resolution accepting the generous gift of the Sarah Mellon Scaife Foundation of an additional \$20,000.00 for a city-wide youth program, with the Allegheny Conference on Community Development acting as the Foundation's disbursing and supervising agent, with the understanding that the same terms and conditions as outlined under the original gift in

April, 1948, will pertain to this additional gift of \$20,000.00 by the Sarah Mellon Scaife Foundation, and expressing the sincere appreciation of the City to the Sarah Mellon Scaife Foundation, and to the Allegheny Conference on Community Development for its role in the project, for this generous gift to the citizens of Pittsburgh, and transmitting a copy of this resolution to the Sarah Mellon Scaife Foundation and the Allegheny Conference on Community Development.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second time.

Mr. Stewart:

Mr. President: With reference to Bill Nos. 1948 and 1949, which are resolutions expressing the thanks of the City for the gifts of the Sarah Mellon Scaife Foundation, I would like to comment for the record on both of these gifts, representing a continuance of similar gifts that were made last year at which time comments were made. It seems to me we should note something more than merely these rather formal resolutions, our sincere appreciation for these gifts, not only because they are in themselves magnificent examples of generosity, but also because of the fact that this particular donor has been very eager to find what particular gift or gifts would fit into our program. In other words, these gifts were made after careful inquiry as to what might be needed and in what particular line.

The gift having to do with the youth athletic program is something which has enabled the City, through its recreational activities program in the Department of Parks and Recreation, to supply the necessary officials and to some extent the equipment and other facilities to carry on an active program of competitive sports, mostly baseball in the summer months. This is a very splendid thing and without this gift, I believe that the City would not

be able to do this. This has provided organized team play for a great number of boys and girls who otherwise would not have it.

In connection with this shade tree program, this is the second installment, so to speak, of that program, which will have a permanent value in beautifying the City. I think, Mr. President, we should be grateful, not only, as we would naturally be, for generous gifts, but also for gifts which are thoughtfully and usefully given.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

Also

Bill No. 1930, Resolution amending Resolution No. 378, approved October 11, 1950, authorizing the issuing of a warrant in favor of Mrs. Peter R. Loebig, widow of Patrolman Peter R. Loebig, in the sum of \$42.88, by striking out the sum of "\$42.88" and inserting in lieu thereof the amount of "\$131.42," and striking out the words "the adequate fraction thereof."

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)

Ayes 8. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

An Ordinance entitled, "An Ordinance amending Zoning Ordinance No. 372, approved August 9, 1923, Zone Map Sheet Z-N10-E15, by changing from an 'A' Residence and Commercial, Second Area and Third Area District, to a Light Industrial, Class 'A' Third Area District, all those certain properties bounded by Maripoe street; the easterly line of property now or late of Packard Motor Car Company, Glenn way; Enfield street; Baum boulevard; North Neville street; the line dividing the present Commercial District and the present Light Industrial District north of Baum boulevard, Glenn way and Enfield street."

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: I am voting for this bill with the understanding there is going to be no entrance to this building on Maripoe street.

The Chair:

Bill No. 1777, File No. 1115, authorizes the extension of a Light Industrial Zone eastwardly along Baum boulevard and Maripoe street to include the Packard Motor Company building. This building fronts on Baum boulevard. It extends back to Maripoe street. There is no problem so far as concerns Baum boulevard. It is Light Industrial in character. There is a problem so far

as concerns Maripoe street. It is not Light Industrial in character. It is residential. Every property owner in the neighborhood is seriously concerned over the passage of this bill. These owners think that the neighborhood is going to undergo a hurtful change because of increased traffic arising from a different use of the building. If these people are right every member of Council should vote against this bill.

The Packard Motor Car Company is selling this property for warehouse purposes, and if that warehouse is going to be operated in a way to seriously hurt the people of Maripoe street we should reject this bill. In direct issue is whether or not a rear entrance will be added to the building leading out to Maripoe street, I am voting for this bill under the assurance that no such entrance will be added now or in the foreseeable future. I am voting for this bill under the assurance that the warehouse will be conducted in such a fashion as to not drastically change the residential qualities of Maripoe street and Morewood avenue and the other streets in the neighborhood. City Council has been given that kind of assurance at our public hearing by Attorney Applebaum and by Attorney Olbum. Attorney Olbum is in the Council Chamber at this moment. This same assurance has been given me in writing by Robert MacDowell, of the firm of Porter and MacDowell. This letter is in the files of City Council. These are reputable men. They are men of integrity. I believe them and I believe they can adequately control the situation.

In addition to these assurances can be added the sloping of Maripoe street and the construction of the building which make a rear entrance quite difficult to construct and quite difficult to use.

So, as I say, because of this assurance and believing this bill will not hurt the neighborhood, I will vote for it.

There is another problem here: a very serious and damaging problem to the people of this neighborhood. They live in a neighborhood that has always been quiet and secluded, and restful.

There has been no traffic except an occasional delivery truck or milk and merchandise or vehicular traffic of that type. Mostly it has been a place where men run their lawnmowers at night and women come out and trim the bushes and children play on the sidewalks and bicycles and tricycles use the street with utter safety. That is the kind of neighborhood it was. It is not that kind of a neighborhood now and if that present situation remains uncorrected, it is going to be one of the dirtiest and noisiest neighborhoods in Pittsburgh next summer.

I am sure City Council is going to do everything it can to help that neighborhood. The people need help. Hundreds of trucks are daily using Maripoe street and Morewood avenue to haul excavated material from the Veterans' Hospital near Pitt Stadium. I knew nothing at all about these conditions until I saw it publicized in the newspapers the same day as the public hearing on this zoning bill. So, the next morning I went down to the neighborhood, because it is near where I live. I have lived in the neighborhood for fifty years and know the people. I was out there while it was still dark and it is very hard for me to describe the condition. At that early hour trucks were coming in Maripoe street not quite bumper to bumper. There was a heavy snow on the ground but in a distance of fifteen hundred feet there were at least fifty trucks. It was cold, and here and there along this residential street the men who were directing these trucks had erected temporary wooden structures to protect themselves from the weather, and fires were burning, and what with the shouts of these men and the flames from these fires, the clanking of gears and the skidding of these trucks, it was something to see in a residential neighborhood.

It is all right, it is to be expected that neighborhoods are to be inconvenienced directly abutting on an improvement. It is part of metropolitan life. A great improvement calls for considerable inconvenience. But here is a neighborhood far removed from the improvement. I suppose Maripoe street would be all of a half mile to three-

quarters of a mile from the improvement, and while the Veterans' Administration is a splendid thing and we are all for it, I regret very much that City Council was not made cognizant of this situation. It might have something to do as to the manner in which this contractor was using this dump.

The streets are damaged, I think, although the snow made inspection difficult.

I was there three times, and as I say, I never saw the character of a neighborhood so drastically changed in so short a time. So, I request that the City Council instruct the Law Department to investigate this situation and try to correct these conditions.

Mr. Wolk moved

That the Department of Law be instructed to investigate the present situation on Maripoe street caused by trucks hauling the excavation material from the Veterans' Hospital site, and report to Council as a result of the investigation what has been done to remedy the condition.

Which motion prevailed.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler

Duff

Fagan

Stewart

Weir

Wolk

Kilgallen, (Pres't)

Ayes 7. Noes none.

And there being three-fourths of the votes of Council in the affirmative, the bill passed finally, in accordance with the provisions of the Act of Assembly of May 11, 1921, which provides that, where a protest is filed against a proposed zoning amendment, a three-fourths vote of all the members of Council in the affirmative shall be required for final passage.

Mr. Fagan presented

No. 2014. Report of the Committee on Lands, Buildings and Housing for December 19, 1950, transmitting a resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1838. Resolution authorizing and directing the Mayor to execute a Quit-claim deed to the United Traction Company of Pittsburgh for property in the 31st Ward upon payment of all City and School taxes which would have been levied against the said property had the same not been removed from the tax rolls.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler

Weir

Duff

Wolk

Fagan

Kilgallen, (Pres't)

Stewart

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

MOTIONS AND RESOLUTIONS

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13, of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Safety in letters addressed to the Mayor and the City Controller, under date of December 9, 1950, has stated that an emergency has arisen making it necessary to transfer the sum of \$3,000.00 to C. A. No. 1444, Bureau of Police, Department of Public Safety, because of the allocation of school guards to the summer clean-up program and the resulting expenditure of the Code Account's funds.

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council the existence of an emergency requiring the transfer of \$3,000.00 to C. A. No. 1444, Bureau of Police, Department of Public Safety.
